Sir,

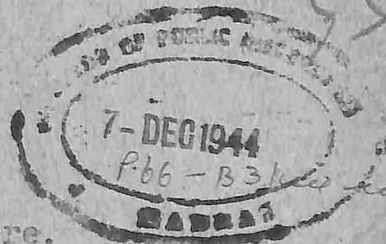

Subject: Budget Estimate - Elementary Education Fund - Cuddalore
Municipality - 1945-46 - Submitted.

The revised estimate for 1944-1945 and the Budget Estimate for 1945-1946 of the Elementary Education Fund of this Municipality are submitted herewith along with the prescribed enclosures in duplicate.

2. Necessary provision has been made in the Budget for the appointment of conductresses to elementary girls' schools, for the provision of additional equipment to the schools and for repairs to school buildings as suggested by the Inspecting Officers.

3. It is proposed to open an elementary school for boys at Pudupalayan where the need is great and a long standing one.

4. The Budget estimate closes with a deficit balance of

of Rs.2487-0-0, on account of the extra cost of payment of dearness allowance to the teachers at Government rates in spite of the enhancement of the rate of education tax from 1/4 % to 1 % per annum with effect from 1-4-1944. The extra amount provided in the revised estimate and in the budget estimate for payment of dearness allowance to the teachers at Government rates is Rs.6130/- and Rs.7680/- respectively. As it has not been possible to make both ends meet and to provide for a minimum working balance, the Council has while approving the Budget resolved to request Government to be pleased to sanction a grant so as to cover the deficit and to provide for the minimum working balance. A copy of the Municipal Council's resolution No.1046, dated 28-11-1944 is submitted in duplicate.

Commissioner.

Forwarded.

Chairman,
Municipal Council,
Cuddalore.

Explanatory note to accompany the Budget Estimate of -
the Elementary Education Funds of the Cuddalore Municipality
for the year 1945-1946 and the Revised Estimate for 1944-1945.
--o0o--

Receipts.

(1) Education tax:-

Due to the enhancement of the rate of education tax from 1/4 % per annum to 1 % per annum as per G.O.No.Ms.468 Education dated 24-3-1944 with effect from 1-4-1944, the credit under this head both in the revised estimate and in the budget estimate has been increased suitably. Education tax is also levied on agricultural lands. The education tax realised on agricultural lands will be larger in the current year viz. 1944-1945 since the tax on agricultural lands is continued to be levied for the first half year of 1944-1945 under section 81(2) of the Madras District Municipalities Act V of 1920 at existing rates viz. 3 5/8 % per half year, and for the budget year the Council has not sanctioned the increase proposed so as to compensate the loss of income by assessing agricultural lands under section 81(4) of the Madras District Municipalities Act V of 1920.

(2) Other receipts:- Usually, the receipts under this head will range from 20 to 25. During the year 1944-1945, a sum of Rs.60/- being the salary paid to the teachers in the three schools of Samarapalayam, Suthukolam and Uppalavadi by the Municipality after 25-1-1944 they were transferred to the Dt. Board were recovered from the Dt. Board. Hence the increase in the revised budget.

(3) Government grant under section 37 of the Elementary Education Act:- Credit has been taken for equivalent government grant ~~at the~~ based on the old rate of education tax viz. 1/4 % per annum and not on the enhanced rate of tax viz. 1 % per annum.

(4) Government grant under the proviso to section 37 of the Elementary Education Act:- Credit has been taken both in the revised estimate and in the budget estimate with reference to the amount of subsidy sanctioned in G.O.No.616 Education dated 21st April 1944 and G.O.No.674 Education dated the 1st May 1944.

(5) Grant on account of payment of dearness allowance to the staff paid from Elementary Education Fund:- In G.O.No.1502 Education dated the 10th October 1944, Government have sanctioned a grant of Rs.148/- to this Municipality for the year 1944-1945. Credit has been taken for this sum in the revised estimate for 1944-1945.

(6) Contribution from the General Account:- The contribution from the general account to the elementary education account in the Budget has been reduced to Rs.12000/- since the financial position of the general fund is not satisfactory and since it cannot afford to pay more than Rs.12000/-

(7) Amount transferred to capital:- A sum of Rs.2000/- is proposed to be transferred to capital both in the revised estimate and in the budget estimate. Many of the elementary schools in this Municipality are located in rented buildings quite unsuitable for school purposes. It is proposed to acquire sites and put up one building each year. The acquisition of a site at Pallikuppam has almost been completed and steps will be taken to put up the building there before the close of the current year. During the next year, it is proposed to acquire another site and put up a building. In course of time, all the municipal schools will have buildings of their own.

EXPENDITURE.

1. Staff- Salaries and allowances-Masters:- Due provision has been made in the revised budget and in the budget estimate for payment of dearness allowance to teachers at Government rates with effect from 1st June 1944. It is proposed to open an elementary school at Pudupalayam in the place of of the former one- which was subsequently converted into a branch high school and afterwards abolished. Fudpalayam suffers much for want of an elementary school. Provision has been made for two teachers for this school. One additional teacher is proposed to be appointed to the Fort St. David Boys' school. Hence the increase in the provision under this head in the Budget.

2. Contingencies and equipment:- House Rent:- A sum of Rs.1300/- has been provided in the Budget as per details shown in Appendix B.

3. Other items:- A sum of Rs.1090/- has been provided in the budget as per details shown in Appendix C. The Inspector of Girls' Schools, III Circle, Madras, has stated that for want of conductresses in elementary girls' schools, the strength and attendance of the schools have fallen down and that in the interests of the schools, conductresses should be employed for each girls' school. Hence additional provision has been made in the budget to meet the pay of the conductresses.

4. Repairs to buildings:- Some of the elementary school buildings belonging to the Municipality are not in need of repairs. Hence a provision of Rs.1000/- has been made both in the revised estimate and in the budget estimate.

Expenditure-Capital.

A sum of Rs.2000/- has been provided both in the revised estimate and in the budget estimate for the purposes mentioned in item (7) under "Receipts" supra.
