No. 27 / 236 / MPB
Madras Provincial Sailors', Soldier
& Airmen's Board,
Bangalore 9 October 1944

From

Lt. Col. E. G. Phythian-Adams,
Secretary, Madras Provincial Sailors', Soldiers' & Airmen's Board.
To:- The Secretary to Government of Madras,
Public (War) Department,
Fort St. George, M A D R A S.

Subject:- EDUCATIONAL CONCESSIONS

Sir,

At the 5th meeting of the Provincial Sailors', Soldiers' & Airmen's Board held at Fort St. George on 2 Oct. 1944, the Secretary brought to notice that whereas soldiers discharged from the service by order of courtmartial or for disgraceful conduct thereby lost the educational concessions which their dependants were receiving, there was no such provision in the case of deserters. The latter number many thousands and though the great majority of these men certainly re-enlist in other units or branches of the Services, or in the Madras labour units (an added attraction in the last named being the grant of the same educational concessions which the fighting soldier receives), the fact still remains that the percentage of declared deserters remains extremely high and is creating an unfavourable impression in certain quarters. The Board agreed that it was desirable that the dependants of unapprehended deserters should forfeit any educational concessions which they may have been receiving and resolved that Government be addressed in the matter.

I am to request that this proposal may please be laid before Government for consideration. If the proposal is accepted it will be necessary to approach General Headquarters for the co-operation of Commanding Officers

P. T. O

in notifying cases of desertion and of subsequent apprehension.

Your obedient servant,

E.G. Phythian-Adams Lieut-Col.,
Secretary, Madras Provincial Sailors',
Soldiers' & Airmen's Board.

Extract from the Minutes of the Fifthe Meeting of the Madras Provincial Sailors', Soldiers', and Airmen's Board held in the Council Chamber, Fort St. George at 11 A.M. on 2nd October 1944

Minutes.

5. (d) The Secretary pointed out that whereas educational concessions were stopped in the case of men discharged from the services by order of Court-martial or for disgraceful conduct, no such penalty was enforced in the case of men declared deserters, and that enforcement of such a penalty should have a beneficial effect on the present high rate of desertion.

Resolved to recommend to Government that the dependants of unapprehended deserters should have their educational concessions stopped; and that Commanding Officers should be asked to report all such cases to the C.L.O. who will pass the information on to the Director of Public Instruction for necessary action.

5. (d) An extract of this para may be sent to Education and Public Health Department for necessary action. They have a file on the question.

Order No. 17 S.O. of 3.1.1945.

Under the order in G.O. No. 12 S.O. of 2.1.43, the educational concessions provided for children and other dependants of 'soldiers' who take part in the present war, should not be granted or continued where the 'soldier' was discharged from military service by order of Court-martial or for misconduct or inefficiency. The Madras Prov. Sailors', Soldiers' and Airmens' Board has recommended that this ban should be made applicable also to cases where the 'soldier' had deserted from military service, as it would tend to serve as a check to the present high rate of desertion. The Govt. accept the recommendation and direct that the concessions should not be granted or continued where the 'soldier' was a deserter and has not been apprehended subsequently.

Separate orders will issue in re: to the arrangements for notifying the names & other particulars of the deserters to civil authorities.

Note by the Administrative Department.

The Director of Public Instruction has proposed that the physical training class for women, Seidapet, should be continued during 1942-43 also. The class was opened in 1940-41 and was continued during 1941-42. The Director reports that according to the latest figures furnished by the Women Specialist in Physical Education, there will be 58 schools without a qualified physical training instructress on the staff on 31-3-1942. He also states that there is a proposal to appoint physical training instructresses in boys' schools with a strength of 75 or more girls on the rolls. He suggests the following changes in connection with the continuance

[C No. 49455-6]

From the Secy., Madras Prov. Sailors' Soldiers' and Armenians Board, No. 27/236/HPB of 9.10.44

Edual concessions to the children etc. of defence Services Personnel - Forfeiture by dependants of deserters

In L.O. No. 12 L.O. of 2.1.43 the Govt. order on the suggestion of the Civil Liaison Officer, that the educational concessions should not be granted or continued where sanctioned to children etc. of soldiers and personnel of other defence services, should not be granted or continued where the 'soldier' was discharged from military service by order of court-martial or for misconduct or inefficiency. The Prov. Sailors' Soldiers' and Armenians Board suggested that these concessions should not be granted or continued where the 'soldier' had deserted and remained could not be apprehended subsequently. As the rules stand, there is nothing to prevent the dependants of a deserter continuing to draw the concessions once granted, even if the soldier's desertion is a known fact. The Board's suggestion may, therefore, be accepted. Pub (war) may see for remarks.

17.10.44.

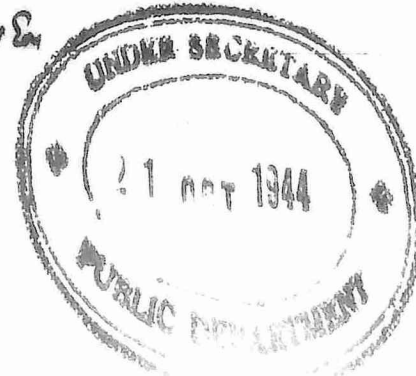

17.10.44.

It is very doubtful whether it will be practicable for the D. P. S. to obtain prompt information about desertion.

But the principle of withdrawal of concessions in the case of deserters may be accepted and special arrangements may be made for deserters to D. P. S. may be made in consultation with S. H. Q., as suggested at the end of the current letter.

A draft order and a draft letter are submitted.

11.12.44

In drafting an order, some further difficulties

come to be realized. Recruitment is from all parts

of the Province and the venue of employment is even

more far-flung. Supposing a deserter's name is actually notified

to the D.P.I. - may be months after the actual desertion - how

is the Director or the inspecting staff to connect the deserter with

his children or other relations who are receiving educational

concessions at some place? If the proposal is to work with any

effect, arrangements should be made to notify the name of the

deserter with particulars of his native district, taluk, village, etc. to the Revenue Department and it should be for the village officer concerned to institute enquiries from the native village of the deserter and find out where his children and dependants are residing with concessions. On the basis of that enquiry, the Revenue Dept. should in turn make a report to the educational inspecting officer concerned - the Deputy Inspector or Sub-Asst. Inspectress in the case of elementary schools, the D.E.O. or the Inspectress in the case of secondary schools, and probably the D.P.I. in the case of colleges. and may shd. arrange for the withdrawal of the concession of the school Revenue may kindly see for remarks with reference to enquiries being instituted by the Revenue Department: also

2. In G.O No. 1060 Public (war) of 1.4.44 as amplified in G.O No. 3195 Public (war) dated 2.11.44, village officers have already been entrusted with the work of checking the leave certificate of soldiers who return to their villages, detecting deserters and making arrangements for arresting them. The proposal of the EPH Dept in their note above will throw additional work on the Rev Dept and village officers. As the V.Os are already doing duties regarding apprehension of deserters, it is for consideration whether this Dept may agree to the proposal of the EPH Dept. It does not appear necessary that the Bd Gen should be consulted in the matter.
