Sir,
War - Evacuees - Grant of
financial assistance. 3095

I am annexing hereto a copy of
letter No.L.Dis.W.7025-44 dated the
21st June from the Collector of
Tinnevely in connection with the
application of Thayammal Dawson,
Manager & Correspondent of Thayammal
Dawson Girls Higher Elementary School
at Ittamozhi. Mrs. Thayammal Dawson
and her husband are evacuees from
Burma. The school was founded by
Mrs. & Mr. Dawson who are natives of
the village of Ittamozhi and who were
at the time flourishing timber
merchants in Rangoon. They have
endowed the school with properties in
Burma from the net income of which
they were able to run the school.

Now after enemy occupation of Arma, they find it hard to run the school, and they request that a special grant may be paid to them to efficiently run the school and the orphanage attached to it.

From the report of the Inspector of Schools annexed hereto, it is found that the management requires Rs.2,000/- yearly for efficiently running the school. The Collector, Tinnevely, has submitted the proceedings to me to be forwarded to Government as there is no provision in the rules for making any compensatory allowance to the school. I annex all connected papers for your kind perusal and return.

The application of Mrs. Thayammal Dawson is recommended for favour or consideration.

I have the honour to be,
Sir,
Your most obedient servant,

G. Williams

Central Refugee Officer,

Copy of letter No.L.Dis.W.7025-44 dated the 21st June 1945 from the Collector of Tinnevely to the Central Refugee Officer, Southern Zone, Madras.

Emigration - War - Evacuees - Financial Assistance - Grant of compensation for loss of income from properties in Burma Claim of the Correspondent - Thayammal Dawson Girls H.E. School. Ittamozhi.

The petitioner Mrs. Thayammal Dawson is the Manager and Correspondent of Thayammal Dawson Girls Higher Elementary School at Ittamozhi in Nanguneri Taluk. There is an orphanage attached to the school and conducted by the petitioner. It is an institution recognized by the Government and a sum of Rs.1864-6-3 has been sanctioned last year towards the teaching grant. She states that there are properties, lands and buildings in the town of Syriam in Burma endowed to the above school and orphanage and there was an income of about Rs.300/- per mensem by way of rent from the properties with which the school and orphanage were being maintained and that on account of enemy occupation of Burma the trustees of the endowed properties have evacuated themselves to India and consequently the income from the Trust properties is lost. She therefore requests that a sum of Rs.2000/- may be granted to her annually as compensation for the loss for maintaining the school and the orphanage.

The school was founded in 1940. The strength of the school is 172 and that of the orphanage is 34. The amount actually spent by the management for running the school during 1943-44 was Rs.329-13-10 and the amount met by the management for conducting the orphanage during 1943-44 was Rs.1286-1-4 and the total cost of maintenance of the school and the orphanage was Rs.1616-0-0. The petitioner has produced a copy of the deed but the original document is not available for verification. No boarding grant was sanctioned for the orphanage during 1943-44. The Inspector of Girls' Schools, Seventh Circle Madras, reports in her R.C.144-A-45 dated 12-6-1945 that the expenditure to be met by the Management over and above the Government grants may work upto Rs.2000/- annually in the coming years.

As there is no provision in the rules for making any compensatory allowance of the kind applied for in this case, the application and the records of enquiry sent herewith may be submitted to Government for order.

Sir,

REF: Government Memorandum No.54507 B.I. Edn., dated 2-8-45
regarding the application for Special grant to the
Thayammal Dawson Girls Higher Elementary School and
Orphanage, Ittamohli.

In resubmitting herewith the papers referred to me for remarks in the Government Memorandum No. referred to above I have the honour to enclose herewith the copies of the Financial Statements of the Thayammal Dawson Girls' Orphanage for the past three years (1941-42 to 1943-44). This Orphanage was opened in July 1941. But grant under Chapter XI of the Grant-in-aid Code was paid only in the year 1944-45 based on the accounts of the orphanage for year 1943-44. No grant was paid for the previous years as no application for grant was made in respect of those years in time. The management have met the entire charges of the Orphanage from their own funds for the years during which they were not in receipt of grant from Provincial funds. The amounts spent by the management for the years 1941-42 and 1942-43 towards the maintenance of the Orphanage are shown below:-

1941-42	..	..	..	Rs.740
1942-43	..	..	..	Rs.1,670

2. During 1943-44 the cost of maintenance of the Orphanage was Rs. 1,286/- as shown in the Financial Statement. A grant of Rs.784/- being 2/3rds of the net boarding charges on admissible items of expenditure for this year was paid to the Orphanage in 1944-45, as per rules in the grant-in-aid code. It cannot be said that the source from which the deficit was met until now will not be available in future.

3. The Financial Statement of the orphanage for the year 1944-45 has also been received recently. Calculated on the figures furnished in the Financial Statement the grant admissible to the institution under the provisions of the grant-in-aid code for 1945-46 works out to Rs.1,068/- which is also the amount contributed by the management for the upkeep of the Orphanage. It will thus be seen that the entire amount of deficit will be borne by the grant from Provincial Funds which will be paid to the management during the course of the current official year. I do not therefore consider that there is a case for special treatment as for as the orphanage is concerned. The plea put forward by the management for special aid does not appear to be genuine.

4. Particulars regarding the Higher Elementary Girls School will be submitted separately.

I have the honour to be,

Sir,

Sub: Elementary Education - Aided Schools - Thayammal Dawson
Girls' Higher Elementary School, Ittamoli - Tinnevely
District - Application for special grant.
Ref: Government Memorandum No.34507-B/45-4 Education, dated
2-8-1945.

In continuation of my letter to Government, R.C.No.1045-J/45
dated 2-9-1945, I enclose herewith copies of the statement of
receipts and charges of the above girls' school for the three years
from 1942-43 to 1944-45. The grants received by the school from
Government are shown in item 4 on the receipts side. The management
states that the column "(amount met by the management)" in item 6
under receipts viz., Rs.346/-, Rs.330/- and 552/- (in round figures
for the years 1942-43, 1943-44 and 1944-45 respectively represent
the amounts borrowed from the public in anticipation of the compen-
sation grant.

2. There is nothing to show that Mr. and Mrs. Dawson were
contributing over Rs.3000/- per annum for the maintenance of the
school. As the school was getting the usual grant, such a contri-
bution was superfluous. There is nothing also to show that the
statements of receipts and charges are genuine. They show expen-
diture on books, maps and furniture. The management could have
claimed grants for these items. Full compensation for such expen-
diture cannot be given. For pre-vocational training, grant upto a
maximum of Rs.100/- has been given. Expenditure not falling under
items 1 to 5 in the statements cannot be considered as it is not
supported either by details or by vouchers.

3. If the school did not claim grant for books, furniture and
maps and if it can produce vouchers and prove genuine supply, half
compensation can be considered now as a special case. This will
amount to Rs.433/- as shown below:-

1942-43	Rs.125
1943-44	Rs.226
1944-45	Rs.515
Total	Rs.866 + 25 = 433.

The Inspectress of Girls Schools is being asked to investigate the
question.

4. During the last three years, the school has been getting
15% merit grant. There is thus no case for special treatment for
this school. This is not the only case of its kind. In the
Ramanad district, there ~~xxxxxx~~ are schools which
were supported by Muslims trading in Rangoon and Singapore. However
the Inspectress of Girls' Schools, VII Circle, is being instructed
to be liberal in giving merit grants to the school under reference.

Was - Evacuee - Mrs. Thayammal Dawson Girls' Higher Ele. School and orphanage - Financial assistance - Request for.

From the Central Refugee Officer, Southern Zone
No. 1064/P.G. 2/6-7-45

The case relates to the application for an annual grant of Rs 2,000 for the Thayammal Dawson Higher Elementary School and Orphanage (at Hannozhi). The letter from the C.R.O., Southern Zone, at pp1-2cf sets out the case. It is not clear whether any evacuee children have been admitted into the school and orphanage. At any rate, it would appear that the school and orphanage are not run exclusively for evacuee children. In the circumstances, it seems doubtful whether the school and orphanage will be eligible for a grant from the Indian Overseas Evacuation Relief Fund vide sub-section (d) under section II of the Résumé of Instructions.

It will be seen from para 1 of the Collector's letter on p 3 cf that the school has been paid a sum of Rs 1864-6-3 last year towards the teaching grant. It is stated that the Inspection of Girls' Schools concerned has reported that the management requires Rs 2,000 per annum in addition to the existing grant for running the school efficiently. It would therefore appear that the case is one for consideration in the E.P.H. Dept. The file may therefore be passed on to that Dept.

[A proposal for the sanction of a grant to A.V. Joseph High School, Hannozhi, which has a large number of pupils from backward classes, and which was deprived of certain endowments in pursuance of the occupation of the latter by the enemy, has been passed on to the E.P.H. Dept. with this Dept.]

The DPJ has forwarded a statement of receipts & charges

of Thayammal Dawson Girls' Higher Elementary School for the past three years.

The Manager of the school has reported that the management's contribution for each year

was met by borrowing money from the public. The DPJ

reports that there is nothing to show that the statement of

receipts and charges are genuine and there is no case

for according special treatment for the school.

Now that the war is over and Burma is not under

enemy occupation, the management could get the annual income from the endowed properties in Burma and also the amounts due for the previous years, if possible. In the circumstances the request of the management for a special grant towards the maintenance of the school and orphanage may be negatived.
