LOCAL SELF-GOVERNMENT DEPARTMENT

Gratuity—Payment to menials and temporary servants—Application for the special sanction of the Government—Instructions issued.

Order—No. 2879, L.S.G., dated 6th July 1936.

In G.O. No. 4271, L. & M., dated 1st November 1930; the Government stated that no gratuity is ordinarily admissible to menials who are paid from contingencies and that their special sanction should be obtained if, in any individual deserving case, a local body considers that a gratuity might be paid. They have passed similar orders in G.O. No. 1714, L. & M., dated 11th May 1932, in regard to temporary servants. In view of these orders, the local boards and municipal councils are applying for the special sanction of the Government, more or less as a matter of routine, to the payment of gratuities to the menials and temporary servants on their retirement from service. The Government consider that it is clearly not the intention of the rules that sanction should be accorded automatically in such cases and that the individuals in whose favour the gratuities are sanctioned should have put in at least a long period of service under the local bodies. They therefore direct that the presidents of local boards and the executive authorities of municipalities should, in future, submit for the consideration of the Government only such cases where the individuals concerned have to their credit a total service of not less than 20 years.

(By order of the Government, Ministry of Education and Local Self-Government)

T. B. RUSSELL,
Secretary to Government.

To all Presidents of District Boards (with copies for Presidents of Panchayat Boards).
 „ all Executive Authorities of Municipalities (through the Chairman of Municipal Councils
 concerned).
 „ the Examiner of Local Fund Accounts.
 „ the Inspector of Municipal Councils and Local Boards.
 „ the Education and Public Health Department.
