To
The Secretary to Government,
Education and Public Health Department,
Port St.George, Madras.

Through (1) Chairman, Municipal Council, Cotacamund.
(2) The Director of Public Instruction, Madras.

R.O.C.B-1- 6323 /45, Dated 22nd September 1945.

Subject:-Grant--Cotacamund Municipal Council-school buildings e
application--submitted.

Reference:- (1) Government Memorandum No.19032-2-C,dated 6-8-194
(2) This office letter R.O.C.B-1-6323/45,dated 31-8-1945.

I submit herewith two applications, in the prescribed form, for
half grants for the building works mentioned below, together with a
copy of the Municipal Council's resolution No.397, dated 5th September
1945, approving the same.

1. Construction of a school building for the elementary school at
Kandal, at an estimated cost of Rs.19,700; and
2. Extension of the municipal elementary school building at Thaliati-
mund, at an estimated cost of Rs.5,650/---.

3. The original estimate for Rs.12,900 for the work of constructing
a school building at Kandal was approved by the Director of Public
Instruction in his Proceedings No.R.C.3303-B/43,dated 31st December
1943, and sanctioned by Government in G.O.No.Ms.526 Edn.,dated 10th
April 1944. The estimate as revised amounting to Rs.19,700/-- has
been approved by the Superintending Engineer in his letter No.825-M,
dated 14th April, 1945 and the Director of Public Instruction has been
addressed in this office letter R.O.C.No.C-2-Est,1/45,dated 25th July
1945, for administrative sanction.

3. The foundation stone for this building was laid by Sir Thomas
Austin, C.I.E., I.C.S. The work is in progress and will be completed
in a couple of months.

4. As regards the work of extension of the Municipal elementary
school building at Thaliatimund, the Director of Public Instruction
has intimated in his letter R.C.No.2105-B/45,dated 14th September 1945
that the revised estimate amounting to Rs.5,650/-- has been approved
by the Consulting Architect and that a subsidy of Rs.2,825/-- on half
grant basis has been recommended and will be included in Part II
Estimates 1946-47.

5. Tenders will be invited for this work and the work entrusted for
execution in due course.

6. I request that Government may be pleased to sanction half-grants
towards the estimated cost of these two works.

Form of application from local bodies for grants for elementary school and medical buildings, water-supply and drainage in urban and rural areas and roads and bridges including village roads and other works executed by them for 1945-1946.
NEW WORKS.

1. Name of local body. Ootacamund Municipality.
2. Name of the work. Extension of the Municipal Elementary School building at Thaliatimund.
3. Total estimated cost of the work.
4. Government share of the cost according to any general or special orders that may be applicable to the case.
5. Whether detailed plans and estimates for the work have been accorded technical sanction by the competent authority? (Works for which such sanction has not been accorded at the time of submission of this application should not be included). Revised plans and estimate have been submitted to the D.P.I., as required in his letter R.C.No.2105-B/44, dated 22-5-1945. A building is already in existence and it is at the disposal of the Municipal Council.
6. Has the site been selected and if so, whether it is already at the disposal of the local body?
7. If not, is land acquisition necessary, and if so, what is the estimated cost of acquisition and the Government's share of it. ... Proposal dealt with separately. Add Part II Scheme for 46-47
8. What steps in detail have been taken to secure acquisition by Revenue Authorities and by what date is it anticipated that the land would be placed at the disposal of the local body? (Note: This should be ascertained in consultation with the Revenue Authorities concerned). When land has to be acquired, the budget provision for the grant in the first year should be restricted to the Government's share of the cost of the land).
9. Can the local body give an assurance that it has funds of its own available for land acquisition or for immediate expenditure on the work in the event of Government sanctioning the grant for either purpose? Yes
10. In the case of application for grants for medical buildings is the local body willing to meet one-half of the cost of the works from its own funds?
10. Having regard to particulars under items 7 to 9 what is the total amount inclusive of Government grant which the local body expects to spend on the land acquisition or on actual construction within the financial year for which budget provision is to be made? Rs. 5650/-
11. What is the Government's share of item 10 and what is the amount of grant likely to be drawn within the year. Rs. 2825/-

12. What will be the probable total expenditure and the Government grant in each of the subsequent years ~~ii~~ until the work is completed? (Reasons should be given for the anticipation in regard to expenditure in each year until completion of the work).

Nil.

Note:- It is essential that the estimate under items 10 to 12 should be prepared intelligently and carefully examined with reference to the nature of the work and other conditions affecting or likely to affect the rate of progress.

13. How the balance of the cost will be met?

The balance of cost will be met from the General Account.

Scheme No.(i). The scheme was admitted for 1944-45 in G.O.
No.526, Tan., dated 10-4-1944 and a half grant of Rs.6,450/-
was sanctioned. The work was not completed that year. The
Commissioner has revised the estimate for Rs.19,700/- on
tender rates and requests the sanction of a subsidy during
this year 1945-46. The Consulting Architect to Government
has been consulted and he has approved the estimate for
Rs.17,600/-. In view of the urgent need of a building for
this school, I request that the scheme may be admitted for
this year 1945-46 and a subsidy of Rs.8,800/- sanctioned.
Necessary funds will be obtained in due course.

P.O.C. No. B-1-6323/45 dated 15-4-1946.

Sir,
Subsidy - Municipal Council, Gotaamund - Construction of an elementary school building at Kandal - Enhancement.

Ref:- G.O. No. Mis. 1762 Education, dated 31st October 1945.

In the Government Order quoted above, the Government were pleased to raise the maximum subsidy payable from Provincial funds to the Municipal Council, towards the cost of construction of a building for the elementary school, at Kandal from Rs. 6,450 to Rs. 8,000. It was also enjoined in the said order that the work should be completed and the entire subsidy claimed before the 7th March 1946.

Owing to the difficulty of securing certain materials for the new buildings, the work could not be completed before the 7th March 1946. I had to secure Trafford sheets from a firm in Coimbatore by my going over there personally. The work was hurried up and completed (but for window panes for which glasses were not available) in the middle of March 1946. The measurements of the work was then taken and the bill was submitted by the Municipal Engineer on 26th March 1946. The expenditure incurred on this work up to date is Rs. 16,757-14-0. On

P.T.O.

the same day, the Director of Public Instruction, was addressed requesting to recommend to Government the payment of a half grant of Rs. 8,378-15-0 before the 31st March 1946.

With reference to this, the Director of Public Instruction has pointed out that Government ordered that the work should be complete and the entire subsidy claimed before the 7th March 1946, but the claim was received in his office only on 28th March 1946 when it was too late for submission to Government, and that I may address Government for the re-allotment of the subsidy in 1946-47.

In these circumstances, I request that Government may be pleased to sanction the reallotment of the subsidy already sanctioned and pass orders for the payment of Rs. 8,378-15-0 being half of the actual expenditure incurred up to date.

Submitted.

2. Government have in their Order Mis.No.1762-Education dated 31st October 1945, raised the maximum subsidy payable to the Municipal Council, Ootacamund, towards the cost of construction of a building for the Elementary school at Kandal, under G.O.No. 526-Education dated 10th April 1944, from Rs. 6,450/- to Rs.8,800/- and informed the Commissioner that the work should be completed and the subsidy claimed before the 7th March 1946. The letter of the Commissioner furnishing the certificates required in G.O.No. 1143-Education dated 11.8.1932 was received in this office on 28th March 1946 when it was too late for submission to Government for payment within the financial year 1945-46. The Commissioner was therefore requested to address Government for the reallotment of the subsidy in 1946-47. The work is reported to be almost complete. and only glass panes have to be fitted for shutters of the school building and drainage connections put up - vide letter Rec.No. B.1.No.6323/46 dated 21.6.1946 of the Commissioner - copy enclosed.

In the circumstances explained by the Commissioner in his letter under reference I recommend that Government may be pleased to grant his request as a special case. The completion report and the necessary certificates will be submitted soon after.

Refce.: Your letter Re.No.2121-B/45 dated 15.5.1946.

Owing to the difficulty of securing glass panes for the
shutters of the school building and drainage materials for the latrine
attached to the School, the Municipal Engineer is unable to finish the
completion certificate of the building. In other respects the whole
building has been completed.

Steps are being taken to have the glass panes fitted and
drainage connections put up. Hence I request you to kindly permit me
to furnish the completion certificate by the first week of July 1946.

Under para 53 of the Madras Budget Manual, grant for ~~which~~ ^{part of the} works for which no grant has been drawn in a previous year should ^{ordinarily} be included in Part II estimates. Adopting this

procedure, the required funds may be provided in Part II estimate for 1946-7 and the grant disbursed next year. Subject to this suggestion, Fin. may agree to the proposal to give an enhanced grant of Rs. 8,800 to the Dots. M. Cl. in lieu of Rs. 6,450 approved in S.O. 526 Sdn. 8.10.44.

In Sept. 1945 the Municipal Commissioner stated 'that the work was in progress & that it was expected to be completed in two months. The proposal for giving a grant for this work was treated as a Part II Scheme for 1944-5 & necessary provision (based on the then estimate of cost) was included in that year's budget. It does not seem necessary to make the M. Cl. to wait till next year. Fin. need not object to the grant (Rs. 8,800) & to its being disbursed in the current year if the D.P.I. can provide the necessary funds by reappropriation. In that case, the file may be circulated to A1.

A draft order is submitted for orders as to circulation to A2 and A1.

In G.O. 846 Edn. 2/27.4.42, a subsidy of Rs 5,100 payable in 1942-43 was sanctioned to the M. Cl., Gotacamund towards the cost of construction of an ely. school building at Kandel. As building materials were not available, the Cl. did not take up the work. In G.O. 526 Edn. 4/10.4.44, the Cl. was allowed time till 10.3.45 to claim the subsidy. Subsequently, an extension of time till 7.3.46 was allowed to complete the work. The maximum subsidy payable was also raised from Rs 5,100 to Rs 8,800. The Commr. has reports that the work is almost completed and that the subsidy promised may be allotted in the current year. The D.P.I. recommends the request of the Cl.

The provision made in the current year's budget for ely. school buildings is Rs 22,000. So far, a sum of about Rs 1,400 has been disbursed.

The proposal of the D.P.I. may be approved. He may be asked to take action in due course for provision of funds, if necessary.
