NOTE:

In the copy of the Student's Mkt. on p. 4 of
it is said that repayable advances were granted

for two years by the D.P.I. The repayable
 advance granted for 1943-44, was Rs. 128/-
 The student was all staying with her mother
 The student's father is stranded in Malaya.
 And both of them are in evacees. It is perhaps
 unnecessary to consider the question of converting
 the repayable advances into out-right advances,
 as the student has not asked for ^{the conversion} this and the
 father has not also recommended any other
 action.
