Elementary Education in rural areas in Chingleput
District - Proposals submitted.

Ref: Government Memorandum R.C.No.52465.A.13 dated
2-2-1945.

I have the honour to state that the following 14
areas have been selected for the introduction of compulsion
in the Chingleput District in consultation with the President,
District Board. There is already compulsion for boys in the
first 4 areas. It is proposed to introduce compulsion for
girls also in those areas. A copy of the District Board's reso-
lution approving the introduction of the scheme has not been
received. It will be submitted to Government immediately on
receipt. The President, District Board is being reminded.

TION.

The total number of children to be brought under instruction
is 7,884; which 1/24 of the school age pupils to be brought under
instruction in the Chingleput District is only 7,148. Hence it is suggested
that the President may be requested to delete one or more centres
with a view to limit the number to 7,148. In working out the cost
of the scheme only 7,148 pupils have been taken into consideration.
Further the cost of the scheme has been worked out only for 8
months for the year 1945-46 assuming that the scheme will come
into effect only from 1-7-45. The number of additional teachers
that will be required will be 204 allowing one teacher for every
35 pupils.

Non-Recurring.

Equipment at Rs.100/- per teacher 204 x 100	20,400
Total Recurring and Non-recurring	81,659.

The above proposal is recommended for favour of approval. An allotment of Rs.81,659/- will have to be placed at the disposal of the District Board if the scheme is entirely worked out by the Board. If, however, aided agencies too bear the burden to some extent, the allotment to the District Board will have to be reduced proportionately. A further report on this point will be submitted to Government in due course.

Sir,

Sub: Elementary Education - Introduction of compulsion in rural areas - Chingleput Dt.
Ref: Your D.O.No. 52465 A18, dated 8th May 1945. 27123

In conformity with the instructions contained in your D.O. referred to above the following revised centres have been selected for the introduction of compulsion in the Chingleput District. The President, District Board who was consulted in the matter agreed to the selection of all these centres. In addition to these the President wanted to introduce compulsion for girls in the Saidapet and Aminjikarai Firkas where there is already compulsion for boys. If compulsion for girls is introduced in the said 2 Firkas as well, it would be difficult to supervise the working of the scheme. There will be difficulty in arranging for the provision of midday meals also. Hence the introduction of the scheme of compulsion for girls in the said 2 Firkas may be thought of at a future date. The 14 centres now recommended may be accepted for the present. A copy of the resolution of the District Board approving the introduction of the scheme in the areas now selected will be submitted to Govt soon after its receipt in my office.

Name of centre	No. of children yet to be brought under instruction		Total

The total number of children yet to be brought under instruction in the 14 centres is 7096 while 1/24 of the pupils of schoolage yet to be brought under instruction in the District is 7148. As the decrease in the number is only 52, the approximate cost of the scheme calculated in my letter R.C.No. 2879 B/44, dated 30-3-1945 needs no revision.

His Excellency the Governor wishes to impress upon every person holding a position in any Department of Government his duty to maintain a spirit of alert and confident energy. His Excellency has reason to fear that some Government servants have not been sufficiently alive to this duty and have allowed their morale to be impaired by a pessimistic and defeatist infection. His Excellency wishes again to remind all servants of his Government of the words addressed by the Prime Minister to His Majesty's servants in the United Kingdom in June 1940. He expects them all, and specially those in high places, "to set an example of steadiness and resolution. They should check and rebuke expressions of loose, ill-digested opinion in their circles or by their subordinates. They should not hesitate to report, or if necessary remove, any officers or officials who are found to be consciously exercising a disturbing or a depressing influence and whose talk is calculated to set up alarm and despondency." Such conduct is unpatriotic, it is treacherous and it is unworthy of the fighting men who on the sea, on land and in the air are discharging their much more arduous duties so fearlessly and so gallantly.

Chingleput Dt. Bd. area - Introduction of compulsory elementary education.

Although at C.F.7, the Dt. Bd. was required to pass a resolution 'applying' compulsion only to the 14 villages specified at C.F.5, the Dt. Bd. has now sent in a resolution which takes in 13 of the villages, specified there, tagging on to the resolution the application of compulsion to girls in two other areas, viz., the Saidapet Firka and the Aminjikarai. Compulsion is already in force for boys. The D.P.I. that move - "A" at C.F.5. The result is that the children involved in the process comes to 8071 as compared with the admissible number of 7148 on the ratio of 1/24th of the population not already attending schools. Having regard to the letter in the L.F. to the effect that the resolution should either be accepted or rejected but not accepted in a modified form, it seems that the Board should be asked to put up a separate resolution - although it will mean a little more delay. Draft Memo. for approval.

(Draft of Memo. 35385 A, 14.8.45)

Ch. W. 187A. from the D.P.I. 2879 of 14.8.45

A draft order is sent for

app. The Legal Dept. may perhaps see the draft notification as elementary ed. is already compulsory for boys in some of the villages. The doubt is whether the exemption granted for notification II applies to the draft will operate in the case of boys below the age of 10 in the three villages of Alankur, Villurukham & Timmottigur. Compulsion is being enforced in the case of these boys under the notification published many years ago.

(8) that the Malabar District Board has not yet granted the dearness allowance allowed in G. O. No. 2788, L. A. dated 19-9-'42 to its servants and

(9) that, therefore, he/she humbly prays that the benign Government may be pleased to consider his/her present pitiable circumstances and to issue immediate orders to the District Board making it obligatory to grant dearness allowance to the memorialist at the rates sanctioned to Government servants treating the expenditure as a prior charge on District Board funds.

LEGAL DEPARTMENT.

So far as the 3 villages of Alandur, Villivakkam and Tiru-
vottiyur are concerned, by virtue of draft notification I com-
pulsory education is introduced only for girls. The effect
of draft notification II will therefore be to exempt from the
operation of sections 49 and 51 of the Elementary Education
Act the guardians of girls who have attained the age of 8 in
those villages. The exemption does not operate in the case
of the age of 10 so far as the 3 villages in ques-
tion are concerned.
