R.C. No.928 A/45 dated 27th Sept. 1945.

Sub: Government Muhammadan College, Madras -  
Part II proposals - Submitted.

In connection with Part II of the Budget Estimate for 1946-47, I have the honour to submit the following proposals of the Principal, Govt. Muhammadan College, Madras for the sanction of the government in the circumstances explained below:-

Employment of an additional clerk:- The Principal reports that the college establishment, at present, consists of four clerks one of them being the Headclerk. Two clerks have been allotted to the school with reference to G.O.No.498 Home dated 17-4-1919. One of these two clerks performs the duty of school librarian as well. The posts of these two clerks were sanctioned at a time when the school had only a strength of 300 pupils but now the strength of the school is three times the strength in 1919. The Principal further points out that on account of the opening of several new branches and groups with additional course in Honours, the work in the college has enormously increased. He therefore requests the employment of an additional clerk in the college to cope with extra work and to ensure that the work is carried out efficiently. I submit that the request of the Principal is reasonable and recommend the same for the sanction of the government.

Conversion of the post of part-time religious instructor into a full time post:- In G.O.No.Ms.616 Edn., dated 23-4-45 a part time religious instructor post was sanctioned for the Madrasa-i-Azam on a fixed pay of Rs.24/- p.m. The Principal reports that this additional instructor has to handle forms I to V of the high school and is allotted 18 periods work per week. It is further reported that it is found very difficult to secure a qualified hand on such a low pay as Rs.24/- p.m. The Principal, therefore, requests the conversion of the part-time post into one of full time. In view of the fact that the Madrasa-i-Azam is a growing institution and that the government have of late, accepted the principle of employing full time religious instructors in government institutions I support the Principal's request for the sanction of government.

The financial effect of the proposal is as shown below:-
