Sir,

EDUCATION - Evacuee student - College Education -
Financial Assistance - Application of Keshab
Chandra Raghavan - Report submitted

Keshab Chandra Raghavan, evacuee student was studying in the Presidency III Hons. class in the Presidency College, Madras during 1943-44. He was granted Rs. 200/- as financial assistance for the year in the Government of India No. P.156/45-OS dated 3-9-1943 communicated with G.O. No. 1263 dated 20-9-1943. Now he has been promoted to the IV year (Hons) class in the same college. His father, a Bar-at-law practising at Malaya, his mother, brothers and sisters are all held up there. The average monthly income of his father is reported to have been nearly Rs. 1600/-. He says he once got through Red Cross news that they are safe there and that he did not hear subsequently. Last year he was granted a boarding allowance of Rs. 35/- per month. This year he says that the hostel charges per month came to Rs. 65/- to Rs. 75/-. I recommend the grant of Rs. 1089-0-0 as financial assistance for 1944-45.

The application of the student in original and a recommendation form are submitted herewith.

Though the student asked for Rs.50/- per mensem for 1943-44,
Rs.30/- a month was recommended as in the case of other evacuee students.
The student did not apply for further grant. He had managed to meet the additional
expenses by borrowing. While applying for financial assistance for 1944-45 he
insisted that the charges in the hostel came to over Rs.70/- per month which
was recommended.

57384

A statement of charges for each month from July 1943 to September 1944
received from the Warden of the Victoria Hostel where the student is residing;
is submitted herewith. The statement shows that the average expenses for 1943-44
were nearly Rs.60/- per month while those for 1944-45 exceeds Rs.60/-

The student has been staying all along in the above hostel attached
to the college. A copy of his statement dated 13-10-44 is also submitted herewith.

Last year the hostel expenses were over Rs.50/- per month. I had applied for sanction of Rs.55/- But the Government sanctioned only at the rate of Rs.35/- I had to borrow and make up for the difference. This year the hostel charges came to over Rs.70 per month. The warden of the hostel has also certified to that effect. I have been staying in the hostel all along. I never stayed for my boarding anywhere else. I am afraid that the charges may even to higher than Rs.70/- per month here after. I shall get the bills for this and last year signed by the warden in before me two days.

Sir,

With reference to the correspondence ending with your letter No. 37343-4-B. Class at the Presidency College, Madras, on the condition that the advance for books and other equipment is given only after due verification of their cost. As the Government of India observe from the statement of the students' board and lodging expenses for the period July '43 to September '44 sent with the letter under reference, that the average monthly expenditure on board and lodging comes to about Rs. 65/- per mensem only they have reduced the total amount recommended by Rs. 45/- that is, by Rs. 5/- per mensem for nine months. Any repayable advance already granted to the student by the Provincial Government should be treated as a grant made under this order.
