R.C.No.6574/CD/45, dated 22nd June 1945.

Sir, -
2000 MIGRATION--War--Evacuees--Austin Morris David--Allowance for University education---Sanction---Requested.

2863 A.M. David, an evacuee boy from Rangoon, is being granted a repayable allowance of Rs.22/- per mensem i.e. (Rs.12/- for maintenance and Rs.10/- for education) in accordance with G.O.No.343, Public Works Department, dated 24-2-42, on the recommendation of the Central Refugee Officer, Southern zone, Government of India. A copy of the letter dated 16-3-42 from the Central Refugee Officer, is enclosed for reference.

2 The boy is 15 years old and has passed the S.S.L.C. examination held in March 1945.. His mother has requested me to grant her the necessary financial assistance to enable her to continue the studies of her son.

2 The boy is only a minor and it will not be possible for him to secure a job till he attains his majority. From a perusal of the letter from the Central Refugee Officer, it will be seen that the mother of this boy was in a fairly affluent position surely continued the studies of her son if she were at Rangoon. In the above circumstances, I request that Government may be pleased to sanction the payment of an allowance to the applicant so as to enable her to continue the studies of the boy.

4 In case Government are unable to accept my recommendation, I request to be informed, if the boy will be entitled for the payment of maintenance allowance either at the present scale or otherwise.

H.22.6.a. L. 276

for Collector.

Copy of letter dated 16th March 1942 from the Central Refugee Office, Government of India, Southern Zone, Madras camp Coonoor to the Collector of the Nilgiris, Ootacamund.

I have the honour to recommend the application of Mrs. Jeevamoney Samuel annexed hereto for an educational allowance for her son Austin Morris David who is studying in IV Form in St. Anthony's High School, Coonoor. I know Mrs. Jeevamoney Samuel personally in Rangoon. She was the proprietress of Lakeland nurseries yielding a monthly income of Rs.200/- to Rs.300/- nett. She had a son who was a graduate and who was employed in the Rangoon Secretariat drawing a salary of Rs.128/- per mensem. Her son remained in the service of the Government till evacuation orders were passed and came over land to India and died in Gouhate hospital. Mrs. Samuel is now getting an extraordinary allowance of Rs.22-5-0 from the Government of Burma per mensem. She has a grown up daughter of 22 years of age (unmarried) and a son mentioned above studying in the IV Form to maintain. She has to pay a house rent of Rs.10/- per mensem. The Government of Madras in G.O.No.343, dated 24th February 1943 has directed that allowance may be given to an evacuee who has obtained employment, for children studying in schools (at the rates mentioned in the last column of the statement in para.4 of the letter from the Government of India department of Indians overseas)

if the evacuees circumstances render it justifiable. Although Mrs. Jeevamony Samuel is not herself employed, she is getting an allowance from the Burma Government in recognition of the services of her son who died in harness. As the estimated normal income of herself and her late son amount to roughly over Rs. 400/-, she is entitled to Rs. 16/- per mensem according to the scale laid down by the Government of India towards her son's educational allowance. As the circumstances render it justifiable to pay her an educational allowance for her son, I shall be grateful if such an allowance is sanctioned at an early date.
