R.C. No.69 A/45 dated 21st September 1945.

Sir,

Sub: Government College, Kumbakonam -
Employment of an additional clerk -
One attender for the library.

42635

In connection with Part II of the Budget Estimate for 1946-47, I have the honour to submit for the sanction of the Government the following proposal for the employment of an additional clerk and one attender in the Government College, Kumbakonam.

2. Additional clerk:- The Principal of the College represents that the strength of the college has gradually increased from 175 in 1937-38 to 560 in the current year. Besides the increase in the strength of the college, the college has been affiliated in new courses in Science subjects. The office staff consists of one headclerk, one typist and one attender. The Principal reports that as the work of the college has become increasingly heavy it is practically not possible for one man to cope with the heavy work. He, therefore requests that the post of an additional clerk may be sanctioned. I submit that the volume of work in the college has of late, increased considerably and I, therefore, support the Principal's request.

3. An attender for the library:- The Principal reports that the college library had an attender till 1927 but the post of attender was converted into that of a peon in 1927 vide G.O.No.842 Public dated 10-9-1927 as a result of the classification of posts. I submit that the Librarian is too heavily worked and that some relief has necessarily to be given to him. I, therefore, recommend that the Government may be pleased to sanction the post of an attender in the scale of Rs.19-30, which will give the Librarian the needed relief. There will thus be in the library, one Librarian, 1 attender and one peon and these are required necessarily for the college.

4. The financial effect of the proposed is shown below:-

Cost in 1946-47.

Pay of 1 clerk for 8 months in the scale of Rs.30-55	.. 8 x 30	240
--	-----------	-----

Pay of one attender for 8 months in the scale of Rs. 19-30	.. 8 x 19	152
--	-----------	-----

392 or

Rs.400/- in round figures.

Ultimate cost.

Average pay of one clerk - 42 2/9 x 12	507
--	-----

-do- one attender - 25 x 12	300
-----------------------------	-----

807 or

Rs.800/- in round figures.

5. I am including the necessary provision under Part II of my Budget Estimate for 1946-47.

I have the honour to be,
Sir,
Your most obedient servant,

For Director of Public Instruction.
