R.C.No. 7891/45 dated 19th Sept. 1945.

Sir,

Revision of the scale of pay of the Accountant, College of Engineering, Guindy and the Head Clerk, Presidency College, Madras.

In connection with Part II of the Budget Estimate for 1946-47, I have the honour to resubmit for the favourable consideration of the Government the proposal for the revision of the scale of pay of the posts of Accountant, College of Engineering, Guindy and Head Clerk, Presidency College, Madras and to state as follows:-

In my letter to the Government C.No. 1064/44 dated 15.10.1944, I emphasised the need for the revision of the scales of pay attached to the posts referred to above. In G.O. No. 1891 Education dated 19.12.1944, however, the Government expressed that there are not sufficient grounds for a revision of pay of the above posts.

I submit that the duties and responsibilities attached to the posts are as arduous as those of the Manager of the Office of the Divisional Inspectors of Schools. I may add that the work of the Accountant, College of Engineering, Guindy has considerably increased consequent on the increased admissions and on account of the opening in the college, of additional courses such as Highway Engineering and Electrical Communications Engineering in the current academic year. In the Presidency College, the increase in admissions in the current academic year into all courses of the college in general and the Intermediate course in particular, has also increased the work of the Head Clerk of the college.

In the circumstances stated above I request that the Government may be pleased to revise the scale of pay of the two posts from Rs. 70/- to Rs. 100/- to Rs. 85-7 1/2-100-10/2-140.

The extra-cost involved in the proposal will be Rs. 118 11/12 - 89 1/2 x 2 x 12 = Rs. 700/- a year.

I am including the necessary provision in part II of the Budget Estimate for 1946-47.

I have the honour to be,

Sir,
Your most obedient servant,

For Director of Public Instruction.

Please also state whether the employment of an upper

has not in G.O. no 635 Edn. 24.4.45, has not given
some relief to the head clerk in that college and if so
how the present proposal to revise the pay of the head clerk

Sir,
Revision of the scale of pay of Accountant, College
of Engineering, Guindy and the Head clerk, Presidency
College, Madras.
Ref: Your Telephonic Message dated 1-10-1945 dated
1-10-1945 regarding the subject quoted above.

I have the honour to submit below the particulars required
by the Government.

Name of College.	Year.	Receipts.	Charges.	Strength.
College of Engi- neering, Guindy.	1943-44	1,88,188	2,91,051	692 (in July '44)
	1944-45	1,19,493	2,84,507	726 (in July '45)
Presidency College, Madras.	1943-44	1,52,932	3,30,755	1185 (as on July 44)
	1944-45	1,85,058	3,62,095	1369 (as on July 45)

2. I may state that the upper division clerk sanctioned for
the Presidency College, Madras, in Government Order No. Ms. 635 Edn.,
p.t.o.

dated 24-4-1945 has not given any relief to the head clerk in the College so far as the financial transactions of the College are concerned. I may add that the receipts and charges of the College have since enormously increased. They amount to nearly Rs.5.5 lakhs during 1944-45. The work of the Headclerk cannot be divided and the responsibilities of the head-clerk cannot be shared by the other clerks in the College.

K.h.23-10. College for Director of Public Instruction. Head clerk in the Presidency College, Madras and accountant, College of Engineering, Guindy. Revision of scale of pay. Not sanctioned. Form the D.P.9. Rs. No. 789. A/45-8 19.9.45 and 23.10.45. Order/res. 1810 E.D. dated 6.11.45

The Government do not ~~seem to~~ reconsider that

There is sufficient justification to ~~reverse~~ reverse the scales of the post of Head clerk, Presidency College, Madras and the Accountant, College of Engineering, Guindy, as proposed by the D.P.9.

Part II Scheme

Establishment. Head clerk, Presidency College and Accountant College of Engineering, Guindy. Revision of pay.

From the D.P.9. Rs. No. 789. A/45-8 19.9.45 and 23.10.45. In connection with Part II Estimates for 1946-7, the

D.P.9 has submitted a proposal for the revision of the scale of pay of the Head clerk, Presidency College and the Accountant, College of Engineering, Guindy, from Rs. 70.572-85-112/2-100 to Rs. 85.772-100-10/2-140 which is the scale sanctioned for Managers of the offices of Divisional Inspectors of Schools. The proposal involves an extra expenditure of Rs. 700 a year, ultimately.

2. In Sep. 1942, the D.P.9 first submitted this proposal but it was not supported by this department vide 2 on p.2 of notes to Eo. No 562 E.D. 3 16.4.43. In 1944, the D.P.9 revised the proposal and this department supported it on the ground that the strength in the two colleges had increased with a corresponding increase in the responsibilities of the head clerk and the accountant. Finance did not accept the proposal as they considered that the increase in the strength may only be temporary and finally the proposal was turned down.

3. The figures on p.3 of the report indicate an increase in strength in the 2 colleges as well as in their financial transactions. As pointed out at 'P' on p.7 of the report in K there is no reason to suppose that there will be a reduction in the strength of these colleges. The D.P.9 reports that the head clerk sanctioned for the Presidency College has not given any relief in the head clerk so far as financial transactions are concerned. He states that the duties and responsibilities attached to the 2 posts are as arduous as those of the Managers of the office of Divisional Inspectors of Schools. In the above circumstances, this department may accept the D.P.9's proposal. The file may be sent to Fin. Dept. for remarks.

Please see the orders in circulation at p.8 of (K) with. It does not seem that a case has been made out for a reconsideration of the previous orders.
