FORWARDED

Chairman,
Coimbatore Municipal Council.

15. AUG. 1945

Extract from the proceedings of the meeting of the Municipal Council,
Coimbatore held on 1-8-1945.

Read application dated 18-7-45 from Sri. V. Govindan, B.A., L.T., Head Master, R.S. Puram Municipal High school requesting that he may be allowed a higher scale of pay of Rs. 150-10-250 as allowed to the Headmasters of the Government High schools or an additional pay of Rs. 50/- per month.

Endorsement dated 29-7-1945 of the Divisional Inspector of schools, Coimbatore stating that a special pay of Rs. 50/- for the Headmaster is desirable in view of its large strength.

M.C.R. No. 459.

An allowance of Rs. 50/- may be given as a special case in view of the strength in the school.

Copy of the application dated 28-7-45 of the Headmaster, R.S. Puram Municipal High school.

I beg to bring the following few lines for your kind consideration and favourable orders.

I was appointed as an Assistant of the Municipal High School on 4-6-1924. I have been serving as Headmaster since 1-9-1929. I reached the maximum of the scale of pay for the Headmaster on 1-9-1939 and I have been drawing the same salary for well nigh six years.

I was transferred to this institution in June 1942, when it became a full blown High school. The school is a mixed school growing in strength from year to year, and as such my responsibilities are

greater

greater here than in the City Municipal High school. And I am constrained to feel that my emoluments are not commensurate with the responsibilities devolved upon me. Nor are they such as to keep up the prestige, status and dignity of the office I hold.

The staff of the school is 48 strong. The men teachers are 37 and the women teachers are 11. The pupils of the school today number 1430. This includes 255 girls. The number of sections is 32. Of this twelve are of the Higher Forms and the rest lower forms. The correspondence consequently is very heavy. The supervision work is also considerable. I have to take great pains to see that the teachers handling the parallel sections in the various forms and classes cooperate in their work to produce good results.

Eversince I came to this school, I have been working hard to maintain a high standard of efficiency, as well be seen from the results of the school at the S.S.L.C. Public Examination, which form one of the criteria.

In this connection I beg leave to state that the remarks in the Annual Inspection Reports by the District Educational Officers about the discipline and efficiency of the school and about my supervision and organization are invariably favourable to me.

Under these circumstances I request you to kindly sanction me a higher scale of pay of Rs. 150-10-250 as allowed to the Headmasters of the Government high schools or an additional pay of Rs. 50/- per mensem. In view of the favourable remarks of the District Educational Officers year after year, I hope your sanctioning the scale of pay will be approved of by the Education Department.
