2. Diwan Bahadur Gopathy Narayanaswami Chettiyar, C.I.E.

Members:

1. Khan Bahadur Muhammad Sadulla Badsha Sahib Bahadur.
2. Mrs. M. N. Clubwalla, M.B.E.
3. Mrs. J. Chandran.
4. Rao Sahib P. Ramachandra Chettiyar.
5. Rao Bahadur G. Venkatapathy Nayudu.

8. Mr. K. Sultan Mohideen Sahib Bahadur.
9. Sri S. Srinivasa Mudaliyar.
10. Sri T. D. Radhakrishna Nayudu.
11. Mr. G. A. Abdul Khadir Sahib Bahadur.

Honorary Secretary and Treasurer:

Khan Bahadur Dr. M. A. Allam Sahib Bahadur, L.M. & S.

In the unavoidable absence of Her Excellency the Hon'ble Lady Hope, Major-General J. P. Huban, O.B.E., K.H.S., I.M.S., Vice-President of the Association, presided.

A condolence resolution on the death of Mr. C. Natesa Chetti, a member of this Association, moved from the chair was carried, all standing.

1. Confirmation of the minutes of the meeting held on 11th April 1944. Confirmed.

2. Adoption of the annual and audit reports for the year 1944.

In moving the adoption of the annual and audit reports for the year 1944, Diwan Bahadur G. Narayanaswami Chettiyar, C.I.E., referred to the yeoman service rendered by the Madras branch of the Countess of Dufferin's Fund in the past year. He regretted the decrease in membership and consequently in subscriptions, while expenditure had increased. He said that this was unfortunate when there was a growing demand for more trained nurses and doctors. If possible they should provide more scholarships for Muslim pupils in the Medical College and for more nurses. They had lost, the speaker continued, the services of Major-General H. Stott, but the loss was made good by the appointment of Major-General J. P. Huban, who within the short time since his arrival, has shown a keen interest to improve the status of the medical and nursing professions.

He hoped that this would not be the last annual meeting at which the Hon'ble Lady Hope would be presiding, and that His Excellency would get one more year of extension so that the Hon'ble Lady Hope might be able to preside at the next annual general meeting and thus the Fund might have her continued guidance during these trying times.

Khan Bahadur Muhammad Sadulla Badsha Sahib Bahadur seconding the motion said that the number of nurses to satisfy the requirements of India and of this Province in particular, is so small that every effort should be made to increase the training and scope of nursing as in the reorganization of Public Health relief domiciliary nursing should play an important part. As the Countess of Dufferin's Fund has afforded opportunities to the women to take medical career as a profession, he appealed to the public to contribute generously to the Fund.

The annual and audit reports for 1944 were then adopted.

3. Payment of annual grant to the Victoria Hospital for Women and Children, Vizagapatam.

The Honorary Secretary reported that due to re-investment of a portion of the capital yielding 4 per cent in Government loans bearing 3 per cent interest there was a fall in the income and that the annual grant of Rs. 500 to the Victoria Hospital for Women and Children could not be continued this year.

Major-General Huban regretted the position but hoped that the Government would make up the deficiency. No doubt, he said, more women doctors, trained nurses and midwives were necessary but they need not worry themselves about women doctors as more women were reading in Medical Colleges, with the result that it had been considered to stop some of the fee concessions given to them. If owing to shortage of funds, any cut had to be effected in expenditure he would prefer it to be in respect of women doctors and women nurses. Madras was a wonderful province. General Huban continued, from the point of view of progress. The gosha or purdah system had practically disappeared which was a most satisfactory state of affairs. He emphasized that they should concentrate on the training of more midwives.

The Committee resolved to request the Managing Committee of the Victoria Hospital for Women and Children, Vizagapatam, to approach the local Government for increased financial aid from the Provincial funds.

4. Continuance of the two scholarships awarded to women M.B.B.S. students during 1945.

The Committee resolved to continue to award the two scholarships to women M.B.B.S. students, one in the Madras Medical College and the other in the Andhra Medical College, Vizagapatam.

5. Reducing the number of stipends awarded to pupil midwives.

The Committee resolved that owing to reduced income, 8 stipends—4 at Madras and 4 at Vizagapatam—may be awarded during this year.

The Committee also authorized the Honorary Secretary to award the remaining two stipends if and when there is an increase in the income through the sale of Midwifery books.

6. Continuance of the dearness allowance granted to Midwifery pupils stipended by this Fund and undergoing training in the Government Victoria Caste and Gosha Hospital, Madras, and the grant of dearness allowance to the pupil midwives in the Victoria Hospital for Women and Children, Vizagapatam.

In view of the increased messing charges to be paid by the pupil midwives the Committee resolved to increase the dearness allowance of the pupil midwives stipended by this Fund at the Victoria Caste and Gosha Hospital from Rs. 3-8-0 to Rs. 7 per mensem with effect from 1st April 1945.

The Committee also resolved to grant a dearness allowance of Rs. 7 per mensem to each stipend holder at the Victoria Hospital, Vizagapatam, from 1st April 1945.

7. Expenditure incurred in connexion with the revision of the Manual of Midwifery in Tamil and Telugu.

The Committee sanctioned the undermentioned items of expenditure incurred in connexion with the revision of the Manual of Midwifery in Tamil and Telugu:—

(1) Cost of paper and binding materials } Approximate amount of Rs. 210 (bill not yet used for printing 600 copies of the Manual. } received from Superintendent, Government Press).

(2) Remuneration to the artist for drawing the diagrams of illustrations printed in the Manual. } Rs. 70.

8. Fixing the sale price per copy of the revised edition of the Manual of Midwifery in Tamil and Telugu.

The Committee resolved to approve the sale price fixed by the Executive Committee at Rs. 2-8-0 per copy of the Tamil edition and Rs. 3 per copy of the Telugu edition.

9. Printing and publishing the Manual of Midwifery in English.

The Committee resolved to have 300 copies of the Manual of Midwifery printed in English for sale to the public and to obtain the sanction of Government for its free printing at the Government Press, Madras.

10. Award of "Seetha Bai Prize" to Dr. (Miss) N. Kalavathi.

The Committee sanctioned the award of the "Seetha Bai Prize" in the shape of a gold medal of the value of Rs. 40 to Dr. (Miss) Kalavathi, M.B.B.S.

11. Writing off the subscription of the late Mr. S. D. Sundararaja Ayyangar, for the year 1944.

The Committee resolved to write off the arrear subscription of Rs. 5 for the year 1944 due from late Mr. S. D. Sundararaja Ayyangar, a member of this Fund.

12. Letter, dated 21st December 1944, from Lady M. C. Devadoss resigning her membership of this Fund.

The Committee resolved to accept the resignation of Lady M. C. Devadoss of her membership of this Fund and the Chairman expressed their thanks for her valuable services to the Fund.

The Committee resolved to elect Mrs. J. Chandran in the place of Lady M. C. Devadoss, resigned.

13. Placing on record the valuable services rendered to this Association by Major-General H. Stott, C.I.E., O.B.E., M.D., F.R.C.P., D.P.H., K.H.S., I.M.S. (retired) during his tenure of office as Vice-President of this Association, who has since retired from service.

Proposed by Khan Bahadur Muhammad Sadulla Badshi Sahib Bahadur and seconded by Mr. G. Janakirama Chettiyar, the Committee unanimously passed a resolution placing on record the valuable services rendered by Major-General H. Stott, C.I.E., O.B.E., M.D., F.R.C.P., D.P.H., K.H.S., I.M.S. (retired) as Vice-President of this Association.

14. Proposed by Diwan Bahadur G. Narayanaswami Chettiyar and seconded by Mrs. M. N. Clubwalla, the Committee passed a resolution welcoming the new Vice-President, Major-General J. P. Huban, O.B.E., K.H.S., I.M.S.

The Surgeon-General thanked them for their welcome and said he would give all the help he could, with pleasure.

With a vote of thanks proposed by Rao Sahib P. Ramachandra Chettiyar to the Chair, the meeting terminated.
