Sir,

Sub: Fundamental Rules - acceptance of remuneration for work done in connection with the Madras University - Indian Air Training Corps - Mr. S. P.Vores, Senior Assistant Instructor, College of Engineering, Guindy - Permission.

I have the honour to state that with reference to Government Memo. 17424-(A)-C-3-Edn., dated 13-7-1943, Mr. S.P.Vores, Senior Assistant Instructor, College of Engineering, Guindy, has been doing work in connection with the University Indian Air Training Corps from 2nd August 1943 for periods of 3 months at a time. He has also accepted, without proper sanction, the remuneration offered therefor by the University, on the assumption that the necessary permission would have been obtained on his behalf by the authorities. The Principal recommends that Mr. S.P.Vores may be allowed to draw a special allowance of Rs.100/- per mensem for the period during which he imparts instruction to the trainees. I therefore, request that Government may ratify the action of the Senior Assistant Instructor in having accepted the remuneration so far offered by the University and to permit him to accept a remuneration of Rs.100/- per mensem for the periods he imparts instruction to the trainees.

Mr. S. P. Vores is now drawing a salary of Rs 180/- p.m in the scale of Rs 100-10/2-200. as Senior Asst. Instructor.

The file regarding Messrs Sundaravaradan and A.P. Naidu is placed below.

The case of Mr. Vores is not similar to the cases of Messrs. Sundaravaradan and Naidu. In these cases, the proposal was to sanction honorarium of Rs 175 and Rs 150/- p.m throughout the year. Mr Vores

appears to have need: the honorarium of Rs 100 p.m for periods of three months at a time, presumably once in a year.

The pay of Mr. S.P. Vores, Senior Assistant District Engineering College Guindy is Rs 180/- Pm in the scale of Rs 100-10 1/2 - 200. The honorarium of Rs 100/- to be drawn by him from the Madras University is rather excessive compared to his substantive pay.
