OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS, DATED 10-10-45. <sup>(2)</sup>

The Secretary to Government,  
Education and Public Health Department,

Sir,

SUB: Conveyance - Viscountess Goschen Government Secondary and Training School for Muslim women, Trichinopoly - Conveyance for Goscha girls - Permission to engage an additional cart - requested.

With reference to G.O. No. 1028, Etn., dated 7-7-1944, the Government are now engaged to convey goscha girls in the Viscountess Goschen Government Secondary and Training School for Muslim women, Trichinopoly. Thirty six pupils are using these two carts. The parents and guardians of the pupils coming from the Thennore and Puthur area about 2 1/2 miles away from the school represented to the Inspectress that a cart may be arranged for their children also. About 19 girls used to come to the school from this area and some of them have recently stopped away from the school for want of a conveyance. It is possible to bring more children to the school from this area if proper conveyance is provided for them. I therefore request that Government may be pleased to sanction the supply of another cart for this school with effect from the first of November 1945. The extra cost in the current year at the rate of Rs. 45/- per month will be Rs. 180/- (Rupees One Hundred and Eighty) which will be met from the provision placed at my disposal under "37. Education". The charge from 1946-47 onwards will be Rs. 450/- per year until the present rate of hire viz. Rs. 45/- per month is revised.

I have the honour to be,  
Sir,  
Your most obedient servant,

for Director of Public Instruction.
