To the Chief Engineer (Buildings and Roads), dated 25th July 1936, No. 1141-C/36-3.
From the Chief Engineer (Buildings and Roads), dated 4th August 1936,
No. 3170-Wks./36-C.P.

Order—No. 2659, Buildings and Roads, dated 17th November 1936.

In connexion with the Collectors' Conference, 1936, the Collector of Vizagapatnam suggested that gazetted officers should be given an allotment of the nature of contract contingencies in order to execute ordinary annual repairs to their residences as in the case of office buildings. In forwarding the proposal, the Board of Revenue recommended that Collectors of districts should be empowered to carry out petty repairs to their residences from funds to be provided for the purpose under "22. General Administration." The subject was not included in the agenda for the Collectors' Conference but the Government have examined the question separately and have come to the conclusion that the existing system under which the Public Works Department executes improvements and repairs to residences has been on the whole satisfactory and does not call for any material change. They are, however, pleased to permit gazetted officers occupying Government residences to execute very urgent petty repairs such as the replacement of window panes or stoppage of leaks subject to an upper limit of Rs. 20 annually (the actual amount being fixed by the heads of departments concerned) when Public Works Department officers are not immediately available to arrange for such repairs being done. The expenditure should be reported to the Public Works Department officer concerned as soon as it is incurred so that he may check-measure the work done as soon as he returns to headquarters or visits the station as the case may be.

2. Gazetted officers should advance money for such expenditure from their permanent advances and recoup it from the Public Works Department section officer concerned who will debit the expenditure to "41. d. Civil Works—Repairs."

3. The Chief Engineer is requested to submit the necessary draft amendments to the Madras Public Works Department Code. Orders amending Article 155 of the Madras Financial and Account Code, will be issued in the Finance Department.

(By order of the Governor in Council)

W. SCOTT BROWN,
Secretary to Government.

To the Chief Engineer (Buildings and Roads).
