R.C.No.1313 A/44 dated the 22nd September 1945.

Sub: Teachers' College, Saidapet - Employment of
a Sergeant and two additional peons in the
College - Sanction - requested.

In connection with Part II of the Budget Estimate
for 1946-47 I have the honour to submit for the sanction
of the Government the following proposal for the employment
of a Sergeant and two additional peons in the Teachers'
College, Saidapet.

42634

2. Sergeant: The Principal of the College of
represents that the College compound is so extensive
that it cannot be fenced all round and that a Public road
cuts across the College. He states that the college
compound-walls are not high enough to prevent people from
scaling them. The Principal adds that there are twelve
peons in the college distributed among the college depart-
ment, the model high school, the Adviser to Government
on Manual Training, Secondary training section, and the
kindergarten section. These departments are held in
different buildings which are scattered throughout the
compound. With a view to ensure effective control over
the peons, the effective supervision of the compound and
to check the disturbances and noises made by the
students going to and from the practice teaching classes
conducted by the ~~Madras Educational Service~~ and the B.T.
students, the Principal recommends that a sergeant is
very essential for the college. In the circumstances
stated by the Principal, I support his request for the
sanction of the Government. I may point out that the
expenditure involved in the proposal is not considerable
when compared to the useful work that is expected of a
sergeant.

M.S.L.

3. The Principal reports that the twelve peons
employed in the College are distributed as follows:

College Department: (6) Model High School (2) Adviser to
Government on Manual Training (2) Secondary Training
Section (1) and Kindergarten section (1). The Principal
points out that the six peons allotted to the college
are not sufficient in that the departments of English
including the General Library, History and Mathematics
are having no peons attached to them. He states that
the six peons assigned to the other departments cannot be
re-shuffled as their continuance in those sections are
considered absolutely necessary. He therefore requests
the employment of three more peons in the College.

4. I submit that it is not necessary to employ a
separate peon for the Mathematics department in view of
the fact that the Mathematics and Geography sections
are situated in the same building and the peon attached
to the Geography section can cater to the needs of the
Mathematics section. I, however, consider that it is
necessary to employ two peons one for each of the English
and History sections including the General Library which is
in charge of the Lecturer in English.

3. With reference to paragraph 2 of the Government Memo. quoted above I submit that the number of peons employed in the Government Training College, Rajahmundry is 7. In view however of the wide variation in the number of pupils on the rolls of the colleges and the subjects taught in the various departments in the two colleges as shown below, I consider that there is a need for the employment of two additional peons in the Teachers' College, Saidapet.

Teachers' College, Saidapet - Employment of a Sergeant and two additional peons - Part II Scheme.

C.No.42634. From the D.P.I., RC.No.1313.A/44 dated 22-9-1945.
(Issued as Memorandum No.42634.C/45.1.Edn., dated 11-10-1945).
C.No.46959. From the D.P.I., RC.1313.A/44 dated 18-10-1945.

The D.P.I. proposes that a Sergeant and two additional peons may be employed in the Teachers' College, Saidapet, the proposal being treated as a Part II Scheme for 1946-47. The necessity for the additional staff is explained in the Director's letters on pp.1-2 and 3-4 c.f. The additional recurring cost in 1946-47 is Rs.500/- while ultimate extra cost will be Rs.800/- a year.

2. Sergeant: A statement showing the colleges in which Sergeants are now employed with the normal staff in each is on p.3. c.f. In view of the remarks contained in paragraph 2

of the Director's letter and of the fact that the Queen Mary's College, the menial staff in which is only 25, has a Sergeant it seems that there is a case for employing a Sergeant in the Teachers' College, Saidapet, as the menial staff employed in it as at present is 25.

3. Peons: In the circumstances stated in paras 3 and 4 on page 1 c.f. and para 3 on page 4 c.f. of the Director's

As Sergeants are now employed in certain colleges the provision for one in the Teachers' College, ^{said dept} need not perhaps be treated as a new service. The peons are required on account of increase of work. Provision for both the items may go into Part I if Finance agree.

Two additional items. The proposal may be agreed to.

It will be seen from the statement on page 2 a b that a sergeant is employed in the Assen Mary's College and Lady Wellinghurst training college although the total number of ^{in more institutions} ~~total number of~~ ~~institutions~~ is more or less similar to that in the teachers college Saidupet. It is, however, submitted that the comparison between these two colleges and the teachers college Saidupet is not appropriate as the former are special institutions intended for ladies and ~~adequate provision has to be made against trespass and vulgar gaze from outsiders~~

Excluding these two colleges, it will be seen that the menial staff in the Teachers College Saidapet is only about half of that in the Presidency College & Engineering College Annamalai, which have each a ^{small number} of ~~super~~ Serge Sergeants. Having regard to the menial staff of the Teachers College Saidapet, the case for the employment of a ~~ser~~ sergeant in the college does not seem strong and may be rejected.

The proposal of L.F.P.H. to include ^{for the proposed} part 8 in
in part I of the budget ~~estimates~~ for 1946-7 may
be agreed to.

The first may be sanctioned temporarily for a period of one year from the ~~above~~ academic year 1946-7. E.P.H may be requested to include the item in the list of new sanctions due in this Dept in Dec 1945.
