Sir,

I have the honour to request that the Government will be pleased to accord sanction for the purchase of the journal "INDIA QUARTERLY" published by the Oxford University Press. Its subscription is Rs.10/- per annum. It contains articles dealing with international affairs without any political bias and its addition to the Connemara Public Library will no doubt enhance the usefulness of the Library.

If the Government are pleased to accord sanction for its purchase, the cost can be met from the annual budget allotment for the Library under the provision for 'Books and Periodicals'.
