Sir,

Sub: Elementary Education- Aided - Building grant
 Defunct Aided Elementary school, Pudupatti-Salem Dt
 Recovery of -

47891

In 1928, the now defunct District Educational Council, Salem, sanctioned a building grant of Rs 350/- to the Aided Elementary school, Pudupatti, Salem District. The aid and recognition of the school were withdrawn from 1st June 1940 for its unsatisfactory working. From that time the building is not being used for educational purposes. Hence I ordered the recovery of Rs 66/- from the management in my Pros Dis 3074 of 41, dated 23-7-1941. The Manager was requested several times to refund the amount. Registered notices were sent to him for the refund of the said amount but all the efforts were found futile. As there is no other means of recovering the amount the District Educational Officer, Salem has obtained from the Government pleader and submitted to me a draft suit and has requested my permission for instituting a suit against the management.

The building was constructed with the grant and the same was used for the school but the department withdrew the recognition for unsatisfactory working and the school was closed. It cannot therefore be said that the Manager did not run the school. Hence the case for

filing a suit by Government appears to be weak. Moreover the amount of grant to be recovered is small being Rs 66/- only. In these circumstances I request that Government may be pleased to permit me to write off the amount of grant as irrecoverable,
