CLOTHING--Warm clothing-Menial establishment of the
 Collector of Madura-Supply.

 MADRAS

I have to camp at Kodaikanal frequently in connection with war and other works. Usually 4 peons are taken to Kodaikanal. They are not provided with rain coat and sometimes the work is very much handicapped for want of rain-coats. On account of local conditions prevailing at Kodaikanal, the peons could not use any kind of umbrellas. The purchase of rain-coats is not authorised either in the Madras Stationery Manual or in the Madras Financial Code. I request that the sanction of Government may be obtained for the purchase of rain-coats for supply to the peons.

 Under rule 98 (i) of Stationery Manual, Volume I, sanction of
 Government may be obtained for the supply of a water proof coat
 and a turban cover to each of the 4 peons, each coat and a turban cover
 to be renewed when rendered unfit for further use but not earlier than
 three years. On receipt of Government orders, the free supply of the
 water proof clothing will be made by this department in accordance with
 rule 96.

The approximate cost of reprinting (inclusive of paper) 20,000
 copies of the authorized version of the Public Health Act Press Com-
 munique in Tamil for the use of Commissioner, Coimbatore Municipality
 will be Rs.325/- (postage extra). The Commissioner, Municipal Council,
 Tirunelveli also has enquired whether the copies of the Communique in
 Tamil are available in this office and if so to intimate its cost.
 Under the circumstances, I request that Government may be pleased to
 instruct all local bodies to intimate to me direct the number of copies
 required in each language and also remit the cost as soon as the same

 for supply to local bodies. If this system is approved by Government,
 it will be advantageous to local bodies as the cost of supplies will
 be less.
