Copy of letter from Mrs. C.K.Kausalya referred to above.

I have the honour to request you to be so good as to
permit me to accept an appointment offered to me by the
University of Madras to conduct a local enquiry at the Maharaja's
College, Ernakulam, in connection with the further affiliation
of the College in Botany (Main) under Part II of the B.Sc.
Degree Course, and to accept an honorarium of Rs.100/- for the
same.

4. The percentage standard distribution of pupils was as follows:—

Standard.	1936-37.		1937-38.	
	Boys.	Girls.	Boys.	Girls.
I	37.7	53.1	33.8	48.4
II	23.1	20.5	23.4	22.1
III	18.3	13.6	16.7	14.8
VI	16.2	9.2	16.7	9.9
V	4.7	3.7	7.5	4.8

The distribution shows fair improvement, but wastage between standards I and II and IV and V has to be minimized.

5. 77.4 per cent of the teachers employed in boys' schools and 93.4 per cent of those employed in girls' schools were trained as against 71 per cent and 88.9 per cent respectively in the previous year.
6. 41.6 per cent of the schools for boys and 28.9 per cent of the schools for girls were held in buildings of their own as against 41.7 per cent and 26.1 per cent respectively in the previous year.
7. Eight thousand eight hundred and thirty-five boys and 1,381 girls of the scheduled classes were under instruction during the year as against 8,453 boys and 1,320 girls in the previous year.
8. The number of Muslim pupils reading in all elementary schools during the year under report was 9,937 as against 9,867 in the previous year. There were 86 schools intended for pupils of this community.
