GoNo 1835 EdS 26-12-42 (Y)

Sir,

1 With reference to the Press Note published in the Madras Mail of the 31st December 1942, I beg to submit this application for getting some financial assistance for the continance of my education.

2 Prior to the evacuation from Burma in Jan. 1942, I was a student in the X standard in Bengal Academy Girls' High School. I wrote my Final Examination in Madras on the 3rd of August '42 which was held for evacuees who had to appear for public examination. I came out successfully with distinction in Physics and Chemistry. After that I joined Holy Cross College for my higher education.

3 My father was unable to come with us to India. Sometime after he left for India by the land route and I am sad to say he died on the way. I am the eldest in our family and have three sisters who are now studying in a High School at Madura. They are staying with our mother in our uncles house. My uncle is not very well to do and he is able to support his family only. We have left all our belongings in Rangoon and having no source of income, my mother finds it extremely difficult to pay our fees and provide us with books and clothing. We have no near relations to help us. As I am the eldest, I will be the only means of helping our family. But unfortunately my mother finds it difficult to meet the expenses I have to incur. This year I am awarded a Government scholarship of Rs.9/- per month which is just sufficient to pay my tuition fees. Besides that I have to pay extra fees (ie) special fees, boarding and lodging. I am now in the Senior Intermediate Class and I have to pay examination fees. Therefore I request you to be xxxxxx so kind as to represent my case to the Government of India and recommend a good financial assistance. Since joining the College I have incurred the following expenses:--

M 15.3.44

1. College fees for year 1942-43 --	Rs.96/-
2. Special fees for year 1942-43	Rs.50/- ✓
3. Books and notes	Rs.60/- ✓
4. Examination fees.	Rs.25/- ✓
5. University Recognition and Registration fee--	Rs.7/-
6. Boarding fees from October 42 to March 44	Rs.340/-
7. Clothing	Rs.75/-
	Rs. 653/- ✓

My father came to India during the time of evacuation and, died on the way. I am the eldest of the family. We are getting a sum of Rs.75/- from the Steel Brothers Office, Calcutta, monthly out of the provident Fund of my father, for the maintenance of the faimily. We are four sisters, of whom three are now studying in Madura High School. My mother and three sisters are now in Madura. I am given the Government scholarship of Rs. 9/- per mensem only from this year, which is quite insufficient for my tution and other fees. My total expenditure for the Intermediate course is Rs.749/- As I am given scholarship I deducted Rs.96/- in the list of expenditure furnished. We have no lands nor any houses of our own. My sisters at Madura are also given free scholarship. We have no other sources of income.

Copy of Additional Revenue Inspector's Report.

Miss.Emeline Chelliah who is now studying in the Intermediate class,
Holy Cross College, Trichinopoly has applied for the financial assistance
to her studies. I made enquiries. The enquires show that she lost her
father on the way to India from Burmah. She is a Burmah Evacuee student.
Her mother and three sisters are now living with her uncle at Madura who
is not also in affluent circumstances. Her mother is in receipt of monthly
allowance of Rs.75/- per mensem from the Steel Brothers Office, Calcutta.
for the maintenance of the family. Her three sisters at Madura also are
given free scholarship as they are Burmah Evacuee students. The petitioner
also has been given free scholarship of Rs.9/- per mensem this year. She
brings to notice that she did not get any allowance during the last year
of her studies (in the Junior Intermediate class) and that besides the
college fees of Rs.96/- per year, she spent special fees of Rs.50/-, Books
and note~~s~~ books- Rs-60/-, Examination fees of Rs25/-, University Recogni-
tion fee and Registration fee--Rs.7~~0~~/- and Boarding fees from October 42
to March 44 Rs.340/- at Rs.25/- per mensem and clothing Rs.75/-
She therefore requests that Rs.96/- being the college fees for 42 to 43
and Rs.557/- being the other expenses (Rs.653/-) in all may be given to
her. As she is a Burmah Evacuee student having no other sources of income,
her request may be complied with.

Sir,

I am an evacuee student from Rangoon, Burma. My father was employed in Messrs. Steel Brothers and Company Limited, Rangoon, and was in receipt of a salary of Rs.180/- per month. He remained on duty until orders were given by the Company to evacuate to India and he started trekking about the middle of April 1942 via Kalewa - Tamu - Manipur route. He took ill on the way and was admitted into the Emergency Hospital at Pandu where he died on the 18th May 1942, leaving behind wife and four daughters.

2. I am the eldest daughter and am 18 years of age now. All the members of our family excepting father evacuated from Rangoon on the 26th of December 1941 and have since been living in Madura. I appeared for the High School Final examination held in 1942 by the Government ~~xxf~~ of Burma for evacuee students and was declared eligible for college course. ~~xxx~~ As I was not able to get admission into the local college, I was obliged to join the Holly Cross College at Trichinopoly. The Collector of Trichinopoly reports that Miss Emeline Chelliah was not given any financial assistance by the Govt. of Burma for her studies in the Intermediate classes in the Holy Cross College, Trichinopoly, in the years 1942-44 and that she borrowed Rs. 653/- for her studies. Her application for financial assistance from the Govt. of India may perhaps be forwarded - vide para 7 of India's circular letter at 'D'. pp 41 & 43 cf

2. The amount to be recommended has to be decided. The student has given details for Rs.653/ incurred by her. These have been verified by the Revenue Inspector in his local enquiry. The Collector of Trichinopoly in April last recommended the payment of only Rs. 142. The necessity for ignoring the amount claimed under 'boarding charges' was not ~~been~~ explained, although the student's mother and sisters were residing at Madura, and as such she did not reside with them. In his subsequent letters at pages.41 and 45 c.f, the Collector has not commented on the claim put forward by the student. Apparently he is satisfied in regard to the reasonableness of the expenditure incurred by her. A sum of Rs. 578 (Rs.653 minus Rs.75 under 'clothing') may perhaps be recommended for payment.
