Joint Secretary to the Government of India,

The Secretary to the Government of Madras,

WAR - EDUCATIONAL CONCESSIONS TO CHILDREN AND DEPENDENTS
OF THE DEFENCE SERVICES PERSONNEL - EXTENSION TO CHILDREN
ETC. OF SERVICEMEN BELONGING TO BRITISH INDIA WHO HAVE
JOINED THE INDIAN STATE FORCES UNITS.

Sir,

With reference to the correspondence ending with your letter No. 49819 C.2. Edn. dated the 27th November, 1944 I am directed to say that the term 'Imperial Service Troops maintained by Indian States' is the old designation of the Indian State Forces. It included both Indian State Forces Units under the Crown and Indian State Forces Units in the States. It is, therefore, not co-extensive with the term "Indian State Forces under the Crown". I am, therefore, to suggest that further orders may be issued by the Provincial Government extending educational concessions which are at present given to the children and dependents of Defence Services Personnel to the children and dependents of such British Subjects as may be serving in the Indian State Forces Units under the Crown provided the personnel of such Indian State Forces Units satisfy the necessary conditions.

I have the honour to be,
Sir,

[C No. 49819/44] From the Govt. of India, Dept. of En., Health and Land,
No. F. 32-34/44-E of 9.10.44

War - Extra Concessions to the children and dependants of soldiers etc. - Extension to the children and dependants of persons serving in Indian States Forces Units under the Crown.

Under the existing orders, the children and dependants of the following classes of the defence personnel are eligible for educational concessions sanctioned by Govt. in connection with the present war:-

- (1) Those who are enrolled under the Indian Army Act;
 - (2) Members of the R.I.N. and the I.A.F.;
 - (3) Those who are enrolled under the British Army Act;
 - (4) Soldiers belonging to the Imperial Service troops ^{maintained by Indian States};
 - (5) members of the R.A.F. and Royal Navy;
 - (6) Those employed in the Mercantile Marine; and
 - (7) Indians who are enrolled under the Burma Army Act.
- (The children of civil defence personnel (including Fire Services) who are killed by enemy action, are also eligible for the concessions).

Liability for overseas service in a theatre of war is one of the conditions for the ^{grant} of the concession in the cases of (1), (3), (4) and (7) above. Personnel of classes (4) & (7) should ^{also} be residents of British India.

The Govt. of India suggest that these concessions may be extended to the children etc. of ~~British~~ personnel serving in the Indian State Forces units under the Crown, provided they are British subjects and subject to ^{the} other conditions viz; that liability for overseas service in a theatre of war and ^{being not in} affluent circumstances of the 'soldier'. The concessions will ^{of course} be payable only if the soldier belongs to this Province and the dependants of the soldier are studying in school in this Province. (The question of entering into a reciprocal arrangement with other Provinces and States is under

2/16

Consideration separately

Under the order in G.O. No. 1408 E & P.H. of 19.10.43, ^{dependants of} personnel of the Indian States Forces are eligible for the concessions, provided they are residents of British India (and in spite of the fact that they are State subjects). The G.O. of I.'s present recommendation is to grant the concessions to such of the Indian States Forces personnel as are British subjects, (even if they are stationed outside British India). The possibility of British subjects serving in State Forces does not seem to have been taken into account in issuing the order at Q. If the suggestion of G.O. of I. is accepted, the G.O. will read as follows:-

"... children of all ranks of the Imperial Service Troops maintained by Indian States - - - - who are British Subjects or residents of British India ..."

The file may be sent to Pub(War) and Fin. for remark

Although in the reference to the Headquarters, Southern Army, ("Q"/15) Imperial Service Troops were equated to troops maintained by the Indian States under a special arrangement with the G. of I., the H.Q.'s reply ("Q"/17) merely said that personnel of Indian States Forces were enrolled under the laws of the States. G. of I.'s present letter is also to that effect. "A" supra would be right only if the equation referred to above is correct. To place the matter beyond doubt, it is better to issue a fresh order referring specifically there to States Forces. It may be noted that from the beginning of the war, the Government have been issuing orders for the purpose of the draft for approval.

Finance (Accts-A).
In G.O. No. 1408 E & P.H. dated 19.10.43, the educational concessions were extended to all ranks of the Imperial Service Troops maintained by Indian States whose terms of service include liability to serve overseas and who are residents of British India. This order was issued on the basis of G.O. 1334 Edn. dated 16-9-21 but not at the instance of the Govt. of India.

The Govt. of India now suggest that the concessions may be extended to the personnel of the Indian State Forces Units under the Crown, many of whom are enrolled from British India and are serving side by side with Indian Army Units.

The E & P.H. Department consider that the possibility of British subjects serving in the State Forces does not seem to have been taken into account in issuing the orders as at Q, and accordingly propose to issue a fresh order specifically providing for such British subjects. The Public (War) Dept., agree to the proposal. Finance may also agree.

The draft order below may be accepted and the case returned to E & P.H.

18.11.44 The order at pp. 21-22 of Q was intended to cover precisely the point raised by the G.O. of I. It may be noted that that order did not restrict the concession to British subjects in the Imperial Service troops but did restrict it to residents in British India. Fin. has no objection to the draft order provided it is amended as shown in pencil so that the concessions can only be given on account of soldiers who are normally resident in British India. I would suggest, however, that either the G.O. of I. or the officer mentioned at X on p. 17 of Q might first be asked whether our order at pp. 21-22 of Q is not sufficient & whether "Indian State Forces Units under the Crown" is not co-extensive with "Imperial Service Troops maintained by Indian States" as used in our order.

[Cno. 3000] From the G. of S. No. F. 32-34/44-P of 18.1.45

The G. of S. say that the term "Imperial Service Troops maintained by Indian States" is not co-extensive with the term "Indian State Forces Units under the Crown". But if, as they say, the former includes the latter also, it is not clear why any further orders should be issued, in view of G.O. No. 1408 Em. of 19.10.43.

Finance may advise whether the

Draft below may issue and

whether it is necessary to obtain

two amendments indicated in pencil

by Finance Secy. Opportunity has been taken to embody in the

Draft the revision in the linked file also

Finance (Secy. H)

Please see Secretary's previous note on p. 3 above, the letter to the G. of S. and their reply at pp. 3-5 CF. As suggested by the G. of S. it seems desirable to issue further orders extending the educational concessions now in force to the children and dependants of such British Subjects as may be serving in the Indian State Forces Units under the Crown. The amendments indicated in pencil by the Fin. Secy. may be retained. Subject to the above remarks, the draft order below may be accepted and the case returned to G.O. H.

Perhaps para. 1 of the draft order may be in supersession of the order at pp. 20-22 CF. in (a), as it provides for what the C. of S. consider desirable in regard to Indian State Forces and seems to make the former order unnecessary. A slight pencil change in para. 2 of the draft is suggested.
