Sir,

SUB:- WAR - Travelling Allowance - Government servants interviewed for appointment to posts sanctioned in connection with war - Grant of Travelling Allowance to Sri D.Padmanabhan, Assistant Professor of Physics, Presidency College, Madras in connection with his interview at New Delhi for selection of candidates as C.G. Os. in the I.A.O.C.

In their order No.Ms.22, Public (War) Department dated 4-1-44 Government have directed that the absence from Headquarters of Government servants interviewed for appointment to any posts sanctioned in connection with the war be treated as on duty. It is not, however, mentioned in the above G.O. whether a Government servant proceeding to another station for such interview is entitled to Travelling Allowance from provincial funds especially when he is not paid any Travelling Allowance by the interviewing authority. Travelling Allowance from provincial funds has however, been allowed to Government servants who interview the Provincial Selection Boards in connection with Emergency Commissions in the Defence Services - Vide - G.O.No.2083, P.W.D., (P.W.D.) dated 8-7-1944.

2) Sri D.Padmanabhan, Assistant Professor of Physics, Presidency College, Madras who applied through the department for a post of a Civilian Gazetted Officer in the I.A.O.C. has recently been called for an interview at New Delhi by the F.P.S.C. The Officer has claimed Travelling Allowance for the journey on the ground that the interview is in connection with a war-job and that he is not paid any travelling allowance by the Commission. AS it is not clear whether the Government servant under reference is entitled to travelling allowance from provincial funds in connection with his interview at New Delhi, I have the honour to request that Government may be pleased to enlighten me in regard to the admissibility of travelling allowance to the Officer. I also submit herewith a copy of the memorandum and the terms and conditions of service for candidates selected for training for appointment as C.G.Os.

In this connection, I may also request that Government may be pleased to order whether Government servants can be granted travelling from provincial funds for their journeys in respect of interviews of for appointment to any posts sanctioned in connection with the war in cases where no travelling allowance is paid to them by the interviewing authorities.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Public Instruction.

seems primarily the duty of the interviewing authority to pay T.A. if it considers necessary. When they refuse there seems no case for this post. to pay the T.A.

This case is not covered by the instructions issued by Public (War) in Reg 5 which relate only to interviews for Emergency Commissions by Selection Boards. As this seems however to be a general question, Finance may perhaps take this over. They may have precedents on the subject.

11/16/45 Will Finance deal with this?
C.B. If not, this remarks on the request

for payment of T.A. may be given.

Please see notes of Pub (war) on pp. 1-2 above. As general orders relating to the grant of t.a. to Govt. servants for attending interviews in connection with appointments in the Defence Dept. or grant of Emergency Commissions have been issued by Pub (war) vide G.O. 3748 Pub D 24-11-42 & G.O. 2083 Pub. D 8-7-44 - it would be appropriate that Pub.

consider whether any general order need be issued, as proposed by the D.P.I., to cover cases not falling under the scope of the above G.Os.

2. It seems that cases like the present one will not be suitable for regulation by general orders. The terms offered to candidates when summoned for interview will no doubt indicate whether t.a. should be borne by the candidate or not. This Dept. may agree

Some cases dealt with in Pub. as put up at (C.S.R.) but they are not

with the views of Pub. Under Secy. at M' on pp. 1-2 above and suggest that Govt. may decline to grant t.a. for the journeys performed by ^(Sri D. Padmanathan) to attend the interview at New Delhi. In view of the fact that the officer was definitely informed by the Federal Pub. Service Commission that the travelling & other expenses of candidates summoned for interview will not be defrayed by the Commission, there seems to be no case for making a special

representation to the Commission in this matter. There are no precedents in Fin. in which the grant of t.a. has been considered. cf. last sentence in Pub. U.S. note 1.2.45. on p. 2 above.

Pub.

It is seen from page 3 of that the post of B.G.O. does not involve any liability for field service, though it is classed as a 'war-job'. The offer to be employed in this post is thus essentially no more meritorious than the offer, in peacetime, to be employed in an All India post on a salary much higher than what one is getting in Madras. There seems to be no case for bearing any T.A. The applicant should have ascertained whether Govt. would pay his T.A. before he went to Delhi.

If general orders are to be issued, liability for field service would seem to be a suitable criterion for differentiation but this Dept. will no doubt see again if the general question is pursued.

I think order in this case may issue in DPPA.

Mr. Justice - I agree that no T.A. need be paid

 had no reason to expect that the Prov. Govt. would pay.
