Eddy. 6-2.

with reference to the audit report recorded in G.O.No.792.R Law

(Education) dated 20-10-30. A sum of Rs.2,717 is shown as the opening balance in the actuals of 1929-30 - this does not agree with the figure noted in the audit report of that year.

3. The credit taken as Government Grant under Section 37 of the Madras Elementary Education Act 1920 in the Budget Estimate for 1931-32 will be liable to revision with reference to the actual amount of Education-tax realised in 1930-31.

4. The credit taken as Government Grant under the proviso to Section 37 of the Madras Elementary Education Act 1920 in the Budget Estimate for 1931-32 will be liable to revision with reference to the opening of the new school sanctioned in G.O.No.1389 Law (Education) dated 19-7-30 and the entertainment of additional teachers sanctioned in G.O.No.675 Law (Education) dated 12-4-30.

5. The credit taken as contribution for payment of temporary allowance of Rs.4/- in the Revised Estimate for 1930-31 and the Budget Estimate for 1931-32 should be reduced to Rs.4,032 and the amount shown under the same head "for other purposes" may be raised suitably.

6. The staff is adequate, but there are about 15 uncertificated teachers who should be replaced by fully qualified men. The accommodation is fairly satisfactory. The provision under "House rent" is on the increase and the Board will do well to frame a suitable building programme in consultation with the District Educational Officer.

7. The provision made in the Budget Estimate for 1931-32 under "Clerks & Servants" may be reduced with reference to the actuals.

For Director of Public Instruction.
