Clothing - Live-stock Research Station,
Hosur - Supply to the additional milkmen
Sanctioned.

Order
MS NO. 226 Edm. dated 13.2.15.

Sanction is accorded to the supply on the following scale, of ordinary clothing to each of the 16 temporary milk-men employed on the Live-stock Research

Station, Hours, in tourance of some
1371 Dev, of 28-3-44:-

Particulars of clothing.

Period of wear

Please see the draft order.

The cost of the articles of clothing has not been stated. They will be supplied by the Supdt. of Stationery and no debit will be passed on to '40.d. Veterinary'.

The articles of clothing are required for the milkmen employed in the Milk Supply Scheme for the Army. The Army have agreed to bear half the non-recurring cost ^{of the Milk Supply Scheme}. The recurring cost is to be borne by this Govt. and the profits are to be shared ^{equally} between this Government and the Army. The expenditure on the articles of clothing must presumably be treated as a recurring item. (It may be assumed ^{for this purpose} that they will have no real value after use for the prescribed period). The D.V.S. should therefore be asked to debit the pro-forma account for the scheme with the cost of the clothing so that in arriving at the net profit this item may be taken into account. Devt. may be requested to make the necessary addition to the draft order. The draft order may

otherwise be accepted.
