Re. No. 670 A/44 dated 28-10-1944.

Sub: Government Muhammadan High School for boys, Vellore
- Provision for conveyance of Gosha girls - sanction requested.

52328

I have the honour to state that 17 Muslim Gosha girls are now studying in Government Muhammadan High School for boys, Vellore, and two in the local secondary and Training School for Women, Vellore. It is a town having a large Muslim population and it is the inability of the people to provide proper conveyance to the Gosha girls that prevents them from sending the girls to school. A number of Muslims of the locality submitted a petition to me that they will send as many of the girls as possible to the school if conveyance is provided which they themselves cannot afford to do. The headmaster also reports that the strength of muslim girls will be considerably improved if conveyance is provided. As the pupils have to come from places two and a half miles away from the school each cart can run only one trip in the morning and evening. It is therefore proposed to engage three carts at the rate of Rs. 45/- per month per cart and three conductresses at the rate of Rs. 15/- each with effect from the middle of November 1944. The expenditure in the current year will be Rs. 630/- which can be met by re-appropriation of funds placed at my disposal. The expenditure in 1945-46 and p.t.o.

succeeding years will be Rs. 1800/- per year.

2. In the circumstances stated above I request you to be good enough to obtain orders of Government to incur the expenditure.

I have the honour to be, Sir,
Your most obedient servant,

T. M. Nanyan
