INSTRUCTIONS.

(a) With the cognizance of the head of his office, or if he is himself the head of the office, or the head of his department, the applicant must present himself with three copies of the statement of his case in a cover sealed by his medical attendant at the seat of the Government under which he is serving, or at such other place as may be appointed by that Government where a committee of medical officers can be assembled under the orders of the Surgeon-General. The Board should see that the applicant fulfils these conditions.

(b) Before deciding whether to grant or refuse the certificate the Medical Board may, in a doubtful case, detain an applicant under professional observation during a period not exceeding fourteen days.

(c) If it can be avoided, the medical attendant on a case should not be a member of the Board which considers it, and under no circumstances can he sit as president. He should, however, be required to attend the Board to furnish any information whenever his presence is considered necessary.

(d) In the case of an officer requiring furlough or leave of absence owing to illness caused directly by intemperance, the Medical Board, whilst recording their opinion, will confine their recommendation to the officer appearing periodically before fresh Boards, or to the treatment of the case as one of discipline, whichever may be deemed necessary.

(e) In urgent cases when a Medical Board considers it absolutely necessary that an officer recommended for leave should proceed in anticipation of sanction, a recommendation to that effect should be made in the proceedings.

We do hereby certify that according to the best of our professional judgment, after a careful personal examination of the case, we consider the health of Dr. S. Kalyanaraman of the Madras Council service to be such as to render leave of absence in India for a period of Eight months with effect from 10.11.44 absolutely necessary for his recovery.
