Government Examinations - Nursery School Teachers' Certificate Examination. 24 JAN 1945

R.C.No.690-C/44

Station Madras, Dated the 20th January 1945
From (Name) Dr. B.B.Dey, M.Sc., D.Sc(Lond.), F.I.C., I.E.S.,
(Designation) Commissioner for Government Examinations

To
The Secretary to the Government of Madras,
Education and Public Health Department,
FORT ST GEORGE.

Sir,

The Government approved in their order No.Ms.2679 Edn., dated 22nd November 1938 the proposal for holding the Nursery School Teachers' Certificate Examination for the candidates presented by the Nursery Training School, Vepery, for a period of 3 years from 1939 and also sanctioned certain rates of remuneration for setting question papers, valuation of answer papers, remuneration for practical test, translation of question papers into the languages of the Presidency and also the fee for admission to the examination. The continuance of the examination was extended for a further period of 3 years from 1942 in G.O.No.Ms.487 Edn., dated 19th March 1942.

The following statement indicates the number of candidates who appeared for the examination during the last 3 years, the fee income and the expenditure:-

Year.	Number of candidates.	Receipts.	Charges.
		Rs. As. Ps.	Rs. As. Ps.
1942	7 X 5	35 - 0 - 0	130 - 8 - 0
1943	6 X 5	30 - 0 - 0	129 - 0 - 0
1944	13 X 5	65 - 0 - 0	139 - 8 - 0

The Director of Public Instruction, Madras, has accorded permanent recognition to the Nursery Training School (Secondary Section). In July 1943 the Correspondent opened the Elementary Training Tamil Section and this section has been recognised by the Director of Public Instruction, Madras, till the end of 1944-45. For 1944 Examination 3 Secondary and 10 Elementary Grade candidates were presented.

At the time of instituting the Nursery School Teachers' Certificate Examination in 1939, I suggested to Government the rates of fees for admission to the examination, remuneration for paper setting, valuation of answer papers etc. having in view the rates for the Secondary Grade T.S.L.C. Examination (Old Scheme). Since then, the Revised Scheme of training for Secondary and Elementary Grades has been introduced from 1940-41 and the Nursery Training School, which at first presented candidates of the Secondary Grade or S.S.L.C. qualification from 1939 to 1943, presented for the examination in 1944 candidates of the Elementary Grade too, i.e., candidates with educational qualification lower than S.S.L.C. The fee for admission to the T.S.L.C. Examinations of the Secondary and Elementary Grades of the Revised Scheme is Rs.10/- and Rs.6/- respectively. It is proposed to levy the same rates of fees (Rs.10 for the Secondary Grade and Rs.6/- for the Elementary Grade) for admission to the Nursery Training School Examination with effect from 1945 examination. There are three question papers each of 2 hours' duration for the written test and two examiners are appointed for the Practical Test of the Nursery School Teachers' Certificate Examination. On the analogy of the rate of remuneration sanctioned for the T.S.L.C. Examination (Revised Scheme) the following rates of remuneration are recommended in respect of the Nursery Training School Examination:-

The fee for the conduct of the practical test will be the same as that sanctioned in G.O.No.2679 Bdn., dated 22nd November 1938.

4 The Principal of the Nursery Training School is agreeable to the revision of the fees for admission to the examination.

For the examination of 1945 the Correspondent states that there are 6 Secondary Grade and 8 Elementary Grade candidates.

5 The receipts and charges of the examination of 1945 will work out as follows with reference to the rates now suggested to Government for approval:-

RECEIPTS.

Scale of examination fees.

The examination even after raising the fee for admission is not self-supporting. But for all the examinations under the control of the Commissioner for Government Examinations, Madras, put together, there is a surplus after meeting all expenses.

6 I, therefore, recommend that sanction may be accorded for the conduct of the Nursery Training School Examination on a permanent basis and for the revised rates of fees for admission to the examination and the payment of remuneration to examiners from 1945 examination.

I have the honour to be,
Sir,
Your most obedient servant,

M.A./22-1.

P. L. G. M.
For Commissioner. 23/1/45

Note. The C.G.E recommends that the examination may be conducted on a permanent basis. It would seem sufficient to continue it for another ^{three} years, in view of the changes now proposed - cf in this connection the notes at pages 3-4 of G.O. No. 1535 Etd of 18-10-44 relating to the continuance of VIII Standard Examination on a permanent basis.
