From S.P.Thompson Esquire, O.B.E., I.C.S.,
Registrar, High Court, Madras.

To The Secretary to Government,
Home Department.

Dated 1st February 1945.

Sir,
Stationery - Manila covers for lodging wills - Supply
to the High Court.

The 5000 Manila covers received under orders of Government
in Edn. & P.H. G.O.No.1387 dated 6-9-41 have all been used in pre-
serving the wills of the High Court. A number of wills probated
on the Original Side of the High Court and kept for safe custody
still require covers.

The Superintendent Government Press has consented to supply
the 750 covers due to the High Court for the last three years under
the G.O.referred to above, but these covers will be made of brown
wrapping paper glazed one side double crown 50 lbs. as Manila paper
is not available at present owing to war conditions.

The Curator, Madras who advocated the use of Manila covers
for the preservation of the wills was consulted about the use, and
durability of the brown wrapper covers which the Superintendent
Government Press has agreed to supply. He considers that the wills
are not likely to be damaged within five or six years though they
should be replaced by Manila covers after the war.

2.

The 750 covers expected from the Press will not be sufficient to meet the High Court's requirements and 750 more covers are needed. The Superintendent Government Press asks for Government sanction to be obtained for this extra supply.

I therefore request that Government may be pleased to direct the Superintendent Government Press to supply the High Court with 750 extra covers made of brown wrapping paper glazed one side -- double crown 50 lbs. This is the minimum with which the High Court can manage apart from the annual supply of 250 covers.
