The Government direct that the concessions in regard to the levy of fees in recognized secondary schools of this Presidency, provided by G.O. No. 845, Education, dated 8th May 1930, and rule $\frac{14}{12}$ of the rules relating to educational and medical institutions of $\frac{\text{local boards}}{\text{municipal councils}}$ be made available also to the children and the wards of retired Government servants and retired board and municipal employees who are re-employed by Government, the board or municipal authority, as the case may be, for the period the re-employment lasts.

2. The Government also take this opportunity to make it clear that the concessions have not been intended to be granted in any case unless the school which the pupil leaves and the school which he joins subsequently are both situated in this Presidency.

Sir,

Madras Educational Rules - Rule 91 and G.O.No. 845 L.E. dated 8-5-30 - Remission of fees - children of Government servants transferred on public grounds.

(C)

Government in their order No.845 L.E., dated 8-5-1930 authorised, subject to certain conditions, some concessions in the matter of payment of full term fees in the case of children of Government servants transferred from one station to another on public grounds. Representations are now being received from employees of the S.I.R. and the M & S.M.Railway for the grant of similar concessions to their children also, since the management of these two railways has been taken over by the state. I therefore request orders of Government whether the concessions shown to the children of Government servants under G.O.No.845 L&E dated 8-5-30 may be extended to the children of the employees of the two railways under reference.

(C) P

Ed P.H.(C)

I may mention in this connection that I have so far had no occasion to grant concession under the above G.O. to children of Government servants coming from outside the Presidency and seeking admission in a school in this Presidency. Now, if it is decided to extend the concession to the children of employees of these two railways there may arise cases in which a student coming from an institution outside the Presidency and seeking admission in a school under my control claims remission under the above G.O. I request instructions whether in such cases also the concession may be shown so far as schools situated in this Presidency are concerned.

G.O. 845 L.E. d/ 8.5.30 has been called for from M.R.O. This may lie over till 24.10.44.

Sub: MER - Children of Govt. servants transferred on public grounds - Remission of fees.

There are cases in which children of Central Government Servants have been granted fee concession under the provisions of G.O.No.845-L.E., dated 8-5-1930 when transferred from one station to another within the province. But there does not appear to be any case in which a student coming from outside the Presidency has been granted the concession in a school in this Presidency.

One Sri T.Parthasarathi, a retired Tahsildar of Peddapuram represents that consequent on his re-employment as Tahsildar of Amalapuram he had to transfer his children from the U.L.C.M. High school, Peddapuram, to the Board High school, Amalapuram, and that under Rule 38 of the Madras Educational Rules he had to pay the entire term fees on behalf of his children before he could get their transfer certificates. He requests that he may be exempted from the payment of full term fees once again at the Amalapuram school which is payable under Rule 87 of the Madras Educational Rules.

2. Since this is not a case of transfer the concession shown to children of Government Servants under G.O.No. 845 Law Education, dated 8-5-1930, cannot be made applicable to these children. However, since the transfer of the school was entirely brought about by the re-employment of the parent by Government on public grounds, I recommend that the concessions shown to children of Government servants under the G.O. quoted above may be extended to children of Government pensioners re-employed on public grounds.

G. O. (Ps.) No. 249 Edn., dated 19.2.45.

The Government direct that the concessions in regard to the levy of fees in recognized secondary schools of this Presidency, provided by G.O.No.845, Edn., dated 8th May 1930, and rule $\frac{14}{12}$ of the rules relating to educational and medical institutions of $\frac{\text{Local Boards}}{\text{Ml. Councils}}$ be made available also to the children and the wards of retired Government servants and retired Board and Municipal employees who are re-employed by Government, the board or municipal authority, as the case may be, for the period the re-employment lasts.

2.

2 The Govt. also take this opportunity to make it clear that the concessions have not been intended to be granted in any case unless the school which the pupil leaves and the school which he joins subsequently are both situated in this Presidency.

M.E.R. – Rule 91 etc. – Children of Govt. servants transferred on public grounds – Remission of fees

Rules 58, 85, 87 and 91

Under the Madras Educational Rules, a pupil who changes his school in the course of a term is liable to pay the full term fee both to the school which he leaves and to the one which he joins. As this caused hardship to Govt. servants who were transferred from one station to another in the course of a school year and who were obliged to transfer their children from one school to another, the Govt. directed in G.O. No. 845 L.E. of 8.5.30, that in the case of children of Govt. servants transferred on public grounds, in the schools which they left, fees should be levied only to the end of the month in which they ~~leave~~ left it and in the schools which they joined fees from the beginning of the month ~~in~~ which they joined it, subject to a minimum of one month's fee in either case. The D.P.I. now requests ~~for~~ orders whether this concession may be extended to the children of the employees of the S.I.Ry. and M.S.M.Ry. as these employees are also now Govt. servants consequent on the taking over the management of these Rys. by the State.

ⓒ

It may be noted here that ~~these~~ the employees of the two Rys. are servants of the Govt. of India. ~~The concessions allowed by~~ The G.O. at ⓒ seems to refer only to the servants of the Govt. of Madras. It is not known whether the concession has been ~~extended~~ allowed to ~~the~~ children of other servants of the Govt. of India e.g. the employees of the postal deptt. Perhaps the D.P.I. may be asked.

A

The D.P.I. also asks whether in the case of the children of Govt. servants coming outside the Presidency ~~and seeking admission in~~ the concession may be shown in admitting them in schools of this Presidency. The answer to this will depend on the question whether the concession should be extended to the servants of Govt. of India. ~~If it is to be extended, there seems to be no objection in granting it.~~ The D.P.I. may first be consulted on 'A' above.

[C No. 53005] From the D.P.I., P.C. of T.M. of 3.11.44

It is not clear how the concession was allowed in the case of servants of the Central Govt. If it is considered, however, that the matter need not be pursued, there seems to be no objection in allowing the concession in the case of servants of the two Rys. also, when they are transferred within the Province ~~as well as when they came from outside.~~ For orders.

~~Finance may see.~~

7.11.44.

~~Rules~~ (c) had in view Govt. servants liable to transfer from place to place. There was no distinction made between employees of this Govt. & the Central Govt. either in the rules or in the discussions which led to it. If in practice the concession has been allowed to both, the arrangement need not be disturbed. The concession is not something very much out of the way as it merely removes the liability to pay a school fee twice over in a certain contingency and applies to Sec. schools. It may now be extended to the S.I.R & M.S.M.R. servants also. In no case need transfers from another province to this province be recognised for this purpose for the reason that Madras M.E.R's apply only to recognised schools of this province and the element of reciprocity implied in the concession cannot very well be put into practice if schools of other provinces are also taken in the bargain.

The concession should presumably be available for the Ry. servants in question in Bd. & Municipal Sec. schools also, as it is now, for Madras Govt. servants. The case may be sent to L.A., P.W. & Finance for acceptance of the proposal.

7/11/44

D.P.I. says there has been no such case in the case of Govt. servants (central)

Consequently the present order also will apply to all these classes of schools. Perhaps we may communicate the present order to all P.D.Bs and Executive Authorities of Municipal Councils.

When the 1930 order was issued L.A. issued amendments to the rules relating to Educational and medical institutions under local bodies. But no such amendment seems necessary now as under the present order read with the above rules children of Railway servants will be eligible for the concessions in local body schools.

M. E. R. – Children of Govt. pensioners reemployed on public grounds – Remission of school fees.

The concessions ~~sanctioned~~ in G.O. No. 845-L. E. of 8.5.30, were sanctioned ~~with a view~~ with a view to obviate the hardship caused to Govt. servants who happened to be transferred from one station to another in the course of a school term and who were obliged to transfer their children from one school to another and consequently to pay the full term fee in both the schools under the M. E. R. It ~~has been~~ decided to extend these concessions ~~have been extended~~ also to children of employees of the S. I. Ry. and the M. & S. M. Ry. transferred from one station to another on public grounds (as these employees have also become Govt. servants consequent on the taking over of the Rys. by the State) ✱

It will be seen that the main criterion for the grant of the concession is that the posting of the parent to a different station should be on public grounds – please see para 2 of G.O. No. 845-L. E. of 8.5.30 – and with refce. to this, ~~it seems that~~ the D.P.I.'s recommendation to extend the concession to children of Govt. pensioners reemployed on public grounds, seems acceptable. ~~The remarks of Fin may be invited~~ ×
A para may be added to the draft order in the d.f. as shown in pencil. Finance may see.

There seems to be no need to trouble L.A. with the proposed addition

Note by the Administrative Department.

The Director of Public Instruction has proposed that the physical training class for women, Saidapet, should be continued during 1942-43 also. The class was opened in 1940-41 and was continued during 1941-42. The Director reports that according to the latest figures furnished by the Woman Specialist in Physical Education, there will be 58 schools without a qualified physical training instructress on the staff on 31-3-1942. He also states that there is a proposal to appoint physical training instructresses in boys' schools with a strength of 75 or more girls on the rolls. He suggests the following changes in connection with the continuance

with a view to avoiding the [illegible] cost of another order respect. It however gives the concession to a retired Govt. servant reemployed in Govt. Service, to a retired Bd. employee reemployed in the Bd. & so on but not (not) to a retd. employee reemployed by Bd., Ry. or Govt. We need not provide for such permutations. We may confine ourselves to reemployment by the original employer — Both Finance & L.A. may see.

The order on page 3 c.f. may be perused and the case returned to E.&.P.H.

Towards the end of November last, Finance agreed to a proposal relating to the remission of school fees of children of Railway employees (S.I.R. and M.S.M. Railways) transferred from one station to another on the ground that these employees are now Govt. servants (Central Govt.). Now that the Railway Board has decided that for purposes of levy of hospital stoppages the railway employees should be treated as private persons, E.&.P.H. may consider whether the same principle should not apply in the matter of levy of school fees also.

It has been brought to the notice of the Government that the Births and Deaths Registers relating to certain years in a particular municipality are missing. These registers are valuable records and their loss is a serious matter. In order to ensure their proper preservation and the safe custody the Government consider that they should be bound in full leather and kept on iron racks painted white.
