EDUCATIONAL SERVICE--Sri G. Krishnamurti, Officiating
District Educational Officer, West Godavari--Leave--Recommended

In submitting herewith the Medical Certificate dated 6.1.1945 granted by the District Medical Officer, Ellore, on behalf of Sri G. Krishnamurti, Officiating District Educational Officer, West Godavari, Ellore, I have the honour to request that the District Educational Officer may be granted such leave as he is eligible for, for a period of four months with effect from 4th January 1945, as recommended by the District Medical Officer.

2. In this connection I submit that as it was certified by the District Medical Officer that Sri G. Krishnamurti was not in a fit condition to appear before a Medical Board at a place other than Ellore, the Surgeon-General with the Government of Madras suggested that the procedure prescribed in Subsidiary Rule 15(b) under Fundamental Rule 74(a) might be followed. Accordingly, the Certificate has been got countersigned by the District Collector of West Godavari, Ellore. As no formal application for leave from the Officer can be expected in this case, I request that the Government may be pleased to grant the leave recommended by the District Medical Officer, Ellore, on the strength of his certificate, with effect from 4.1.1945 from which date Sri G. Krishnamurti is considered to have been relieved of his duties as District Educational Officer, West Godavari.

P.T.O.

3. The District Educational Officer will be required to appear before a Medical Board and produce a certificate of fitness to return to duty on the expiry of the leave. 4M 6/35

INSTRUCTIONS.

(a) With the cognizance of the head of his office, or if he is himself the head of the office, or the head of his department, the applicant must present himself with 3 copies of the statement of his case in a cover sealed by his medical attendant at the seat of the Government under which he is serving, or at such other place as may be appointed by that Government, where a committee of medical officers can be assembled under the orders of the Surgeon-General. The Board should see that the applicant fulfils these conditions.

(b) Before deciding whether to grant or refuse the certificate the Medical Board may, in a doubtful case, detain an applicant under professional observation during a period not exceeding fourteen days.

(c) If it can be avoided, the medical attendant on a case should not be a member of the Board which considers it, and under no circumstances can he sit as president. He should, however, be required to attend the Board to furnish any information whenever his presence is considered necessary.

(d) In the case of an officer requiring furlough or leave of absence owing to illness, caused directly by intemperance, the Medical Board, whilst recording their opinion, will confine their recommendation to the officer appearing periodically before fresh Boards, or to the treatment of the case as one of discipline, whichever may be deemed necessary.

(e) In urgent cases when a Medical Board considers it absolutely necessary that an officer recommended for leave should proceed in anticipation of sanction, a recommendation to that effect should be made in the proceedings.

Whenever a medical officer considers an officer under his charge to be in such a state of health as to require leave he will, with the cognizance of the head of the department forward a statement of the case to the office of the Surgeon-General with the Government of Madras with a view to his being brought before a Medical Board.

A medical officer, who may be called upon to grant a certificate to an officer when absent from his appointment, will—except in case of emergency—require the officer to obtain a statement of his previous medical history from his authorized medical attendant. When, under similar circumstances, an extension of sick leave is required, the medical officer in attendance will request the sick officer to procure a copy of the medical statement on which the original leave was granted.

Medical officers on leave at hill stations are prohibited from granting certificates to officers residing there to enable them to appear before a Medical Board. Such certificates will only be granted by the regularly appointed local medical officer.

The case of an insane officer recommended to be sent to Europe, or to an asylum in India, will be specially considered by the medical officer drawing up the medical history, and by the Medical Board with a view to distinct recommendations being inserted by both as to the necessity for a servant, or other escort, or any special accommodation being provided for him en route.

Medical officers should follow the rules prescribed in the Mental Hospital Code for the grant of certificates to the mental patients, and for their admission in any of the Government Mental Hospitals at Madras, Calcutta and Waltair.

GAZETTED OFFICERS ONLY.

We do hereby certify that according to the best of our professional judgment, after a careful personal examination of the case, we consider the health of

of the service to be such as to render leave of absence

STATEMENT of the case of Sri G. Krishnamurthy, D. E. O., West Godavari

Name (to be filled by the applicant in the presence of Civil Surgeon or Official Medical attendant)

Appointment District Educational Officer, West Godavari.

Age 50 years. Total Service 25 yrs 4 mts. Service in India 25-4 mts. years.

Previous periods of leave of absence on medical certificate

Habits Temperate. Disease

Previous History:- It appears that he had mental derangement some 20 years ago.

Present History:- While I was in camp on 31-12-44, the patient sent a letter to my office requesting me to see him immediately as he was unwell. The Assistant District Medical Officer went and saw him and found him very talkative and excited. The patient gave a history of attack of fever while he was attending a conference.

Condition of the patient as reported by his son:- The patient was too talkative and excited; mostly sleepless and restless; going out of the house at nights.

I saw the District Educational Officer on 1-1-45 at 1 P.M., in his house. He was very talkative and excited and reported to me that he was spending sleepless nights. I saw him again on 5-1-45 along with the Asst. D. E. O., and found him worse than that he was on my last visit. He was bound to the cot by rope and was hissing as if exhausted. His second son and wife reported to me that he showed tendency to behave violently as he was beating his wife and children. It appears he was wandering in the streets during nights, visiting the houses of his friends.

His present condition:- The patient has delusions that he is God himself and that all should bow at his feet and take his blessings. He believes that there is none greater than him physically, mentally, morally and spiritually. He expressed his hatred towards his wife and son and wanted to give them a good beating. Shows a tendency for violence. He is not in a fit condition to appear before

before..

before a Medical Board at a place other than Ellore
as he is not easily controllable.

I, Dr. G. Siva Ram, M.B.B.S., District Surgeon of West Godavari, after careful personal examination of the case hereby certify that Sri G. Krishnamurthy, D.E.O., W. Godavari, is in a bad state of health and I solemnly and sincerely declare that according to the best of my judgment a period of absence from duty is essentially necessary for the recovery of his health and recommend that he may be granted four months' leave with effect from 4-1-45.

STATION, Ellore

Such certificates should only be given at the explicit desire of the administrative authority concerned, to whom it is open to decide, when an application on such grounds has been made to him, whether the applicant should go before a Medical Board to decide the question of his fitness for service.

THREE copies required, and will be disposed of as follows:—

One copy to the sick officer in a sealed cover for the use of his next medical attendant, also a separate copy of the proceedings on page 1 to be attached to his application.
