Ref: G.O.No.1295. MS. Development dated 22nd March 1944.
G.O.No.1998. MS. Development dated 8th May 1944.

In the G.Os. cited the Government were pleased to sanction the formation of the City Firewood Organisation and the employment of the staff required for the receipt, storage and issue of firewood from the Government Godowns. As forms and other articles of Stationery were required urgently, the Board requested the Superintendent of Stationery Government Press and the Superintendent of Stationery to supply the articles required pending formal sanction of Government. The Board requests that the Government be pleased to authorise the Superintendent of Stationery and the Superintendent Government Press to supply the City Firewood Officer, Madras, with the forms and stationery for use required in his office and the depots on indents to be submitted by the City Firewood Officer through the Board of Revenue (CS).

2. The Superintendent of Stationery enquires whether the articles of stationery are to be supplied free of cost or on payment and he refers to G.O.1545. Education dated 20th October 1944 in this connection. Supply on payment would presumably mean only that the Superintendent of Stationery will raise a debit against "85.A.44 Capital Outlay on Provincial Schemes connected with the war 1939-40 Other Miscellaneous Schemes - Purchase and distribution of firewood" by credit to "56.Stationery and Printing". The Board solicits the orders of Government on this point.

FINANCE DEPARTMENT

G.O. No. 109, 19th March 1937

Fundamental Rules—Rules 46 and 47—Acceptance of fees by Government servants—Credit of a portion to general revenues—Rule issued.

Read—the following paper:—

From the Accountant-General, dated 6th January 1936, GAD. No. 11-3-A-700.

Order—No. 109, Finance, dated 19th March 1937.

In exercise of the powers conferred by Fundamental Rules 46 and 47 and rules 41, 42 and 44 of the Civil Services (Classification, Control and Appeal) Rules, the Governor in Council and the Governor acting with Ministers hereby direct that the following amendment shall be made to the Fundamental Rules and the subsidiary rules:—

AMENDMENT.

For the existing subsidiary rule 4 under Fundamental Rules 46 and 47, the following shall be substituted:—

“ 4. (i) When a fee is paid for work done by a Government servant during the time which would otherwise be spent in the performance of official duties, the fee must ordinarily be credited to general revenues; provided that a competent authority may, for special reasons which should be recorded, direct that the whole or part of it may be paid to the Government servant if the amount of the fee does not exceed Rs. 50, or if recurring, Rs. 50 a year. If this limit is exceeded, unless the Local Government by a special order otherwise direct, at least one-third of the fee shall be credited to general revenues.

2. The Government direct that in the case of officers not drawing any fees on the date of this order, the rule in paragraph 1 above should be applied to fees that may be drawn by them in future. In the case of officers now drawing fees, the Government direct that all such cases should be examined with reference to the rule now issued and decided on their merits. The Government are pleased to allow such officers to draw, as a personal concession, fees according to the existing orders until orders are issued to the contrary. Orders of Government should be obtained if, in any case, it is desired that the officer should be allowed to retain for himself a share of the fee larger than that allowed by the rule.

Deputy Secretary to Government.
