Electricity Department.

From The Chief Engineer for Electricity,
Chepauk, Madras.

To The Secretary to Government,
Public Works Department,
Madras.

No. 4901 M/44-2 dated 19th December 44.

Sir,

Stationery and forms - Supply to the
Divisional Electrical Engineers.

In G.O.No.1019 Education and Public Health dated 6-7-44 sanction was accorded to the supply of stationery and forms to the Superintending Engineer, Papanasam Electricity System on payment of cost. The Supg.Engr. Papanasam Elec. System now reports that the annual indent for articles of stationery prepared by the Divisional Elec. Engineers, Papanasam and countersigned by him has not been complied with by the Superintendent of Stationery for want of sanction of Government (Edn. and Public Health Dept.) for the supply of stationery to that office (vide letter No. I. 1079/44 dated 4-10-44 of the Superintendent of Stationery - copy enclosed.)

2. In the Pykara System, the Superintendent of Stationery and the Superintendent, Government Press, are accepting the indents of Divl. Elec. Engineers countersigned by the Supg. Engineer, Pykara Elec. System whilst in the Mettur System indents for stationery articles prepared not only by Divl. Elec. Engineers, Vellore and Trichinopoly but also by certain Assistant Engineers and countersigned by the Supg. Engr. Mettur Elec. System are accepted without objection. On the same analogy, I request that the Superintendent of Stationery may please be authorised to comply with the annual indents of the Divl. Elec. Engineers, Papanasam, countersigned by the Superintending Engineer, Papanasam Elec. System.

In order to effect uniformity in regard to the supply of stationery articles and forms to the Divl. Elec. Engineers and Assistant Engineers in all systems by the Superintendent, Government Press and the Superintendent of Stationery direct, the following procedure may please be approved.--

Indents for stationery articles and standardised forms (G.F. P.W.D., T.A. etc.) required for each Division will be prepared by the Divisional Electrical Engineers concerned, which will include the requirements of the various

subdivision

2.
sub divisions under them and forwarded to the Superintendent, Government Press and the Superintendent of Stationery through the Superintending Engineers concerned. The Superintending Engineers will, after due check, countersign such indents and forward them to the Superintendent of Stationery and the Superintendent, Government Press, for compliance. The Superintendent, Government Press and the Superintendent of Stationery should comply with such indents, their cost being recovered from the respective systems.

I request that necessary orders authorising the above procedure may please be issued early. The list of Superintending Engineers of the Department and the Divisional Electrical Engineers under them are given below.--

Superintending Engineer, Pykara Elec. System.	1.	Divisional Elec. Engineer, Nilgiris, Glenmorgan.
	2.	-do- Coimbatore.
	3.	-do- Udumalpet.
Superintending Engineer, Mettur Elec. System.	1.	-do- Mettur
	2.	-do- Trichinopoly
	3.	-do- Vellore.
Superintending Engineer, Papanasam Elec. System.	1.	-do- Madura
	2.	-do- Papanasam Project.
Superintending Engineer, Andhra Power System.	1.	-do- Vizagapatam.
