No. 88/1-87
26 JAN 1945

Dated 25th January 1945.

Sir,

Government have in their Order No.Ms.3668, Public (Elections) dated 28-12-44 prohibited the invitation of outsiders to preside over conferences or meetings of associations of Government servants. In granting official recognition to the Madras Government Press Workers' Union in G.O. Ms.No.381, Development dated 11-2-1938 Government have accepted the Rules of the Union under which three outsiders can be admitted as Honorary or temporary members to serve as office bearers. Of the three outsiders now on the rolls one is a President and one Vice President and the third Secretary. It is not unusual for the Union to invite outsiders other than these three Honorary members to

preside over its meetings and conferences. I have therefore the honour to request to be informed whether the restrictions laid down in G.O. No. MS. 3668, Public (Elections) dated 28th December 1944 are applicable to the Government Press Workers' Union in the matter of inviting outsiders other than the three Honorary members.

u/ It is submitted that the G.O. seems to apply to the Govt Press Workers Union also. The question arises whether the continuance of three outsiders in the Union as office bearers will be affected by this order. The remarks of Public (Elec) and P.W.D. may be invited.

This was allowed as a special case and may perhaps continue

Dept. may agree with their view that the prohibition in G.O. No. 3668, Pub. (Elec.) of 28.12.1944 applies to the Govt Press Workers Union, but that there is no objection to the continuance of three outsiders in the Union as Office Bearers.

The file may be passed on to P.W.D.

B 8.2.45. I have outsiders were allowed to the Honorary members of the Govt Press Workers Union to serve as office bearers in 1938 when there

3

was no specific ban placed on outsiders being invited to preside over conferences or meetings of Service Branches. Now that such ban

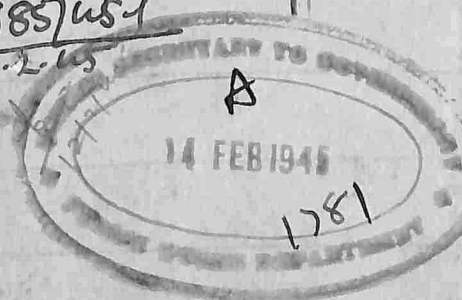

has been imposed, which applies to the

Union in question, it seems that the appointment of outsiders as office bearers, esp. as President & Vice President of the Union, is open to objection. There seems to be no reason to make an exception in this case.

G.O. 3668/28.12.44 was not concerned with Labour Unions and need not be applied to Labour Unions

The question is whether as G.O. at (v) should be made applicable to the

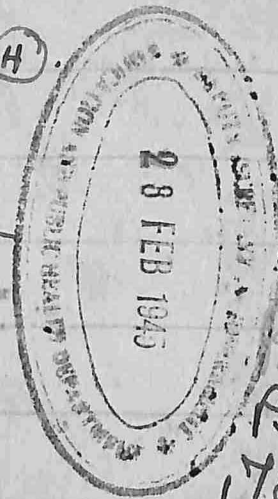

4 Govt Press Workers' union which is now
allowed to have three honorary members from
outside the employees of the Press. Attention
is in this connection invited to paras 3/4 on
