C.No. 2037-C/43 dated 1st September, 1943.

SIR,

Madras Educational Service (Women's Branch) -- Direct
recruitment -- Estimate of vacancies.

Under Rule 2(d) of the Special rules relating to the Madras Educational Service, substantive vacancies in the Administrative section of the Madras Educational Service, should be filled by direct recruitment and recruitment by transfer in the ratio of 1:3. The proviso to rule 5 of the General rules for provincial and subordinate services makes this ratio rule inapplicable to persons who were probationers in the class on the date of issue of the special rules viz. 1.8.1935. There are at present four probationers in the Madras Educational Service viz. (1) Mrs. Satyabama Achyuthan, (2) Mrs. O.C. Srinivasan, (3) Mrs. A. Suares and (4) Miss D. Frank. Of these four, Mrs. S. Achyuthan and Mrs. O.C. Srinivasan were probationers in the Madras Educational Service on 1.8.1935. They have since completed their probation satisfactorily and are awaiting confirmation in the Madras Educational Service. The posts of Inspectresses of Girls' Schools, II and III Circles are permanently vacant at present and these two officers will be confirmed in the Madras Educational Service, while filling these two posts permanently. The post of Superintendent, Government Hobart Secondary and Training School for Muhammadan women, Royapetta is permanently vacant at present and two permanent vacancies will arise from 1.4.1944 and 6.4.1944 respectively, consequent on the retirements of Mrs. G. Parukutti Ammal and Miss C.D. Souza.

2. In the circumstances stated above, one candidate has to be recruited direct in the Administrative section of the Madras Educational Service (Women's Branch), after the confirmation of Mrs. O.C. Srinivasan. I recommend that the vacancy in the post of Superintendent, Government Hobart Secondary and Training School for Muhammadan women, Royapetta may be filled by direct recruitment and the Public Service Commission may be addressed to advertise the vacancy and recruit a suitable qualified Muslim candidate for the post -- vide the correspondence ending with the Government Memorandum No. 702 A-3 Edn. & P.H., dated 9.3.1940.

3. In the Collegiate section, no woman officer will retire from service during 1944 and hence the question of direct recruitment in that section does not arise.

4. An estimate of vacancies in the Men's Branch will be submitted separately.

I have the honour to be,
Sir,
Your most obedient servant,

M. Ramani

P.40f

WITH reference to paragraph 14 of G.O.No.2705,
Public (Services), dated 25th November 1941, as amended by
Government Memorandum No. 44359-1 Public (Services), dated
12th December 1941, I have the honour to state that by the
retirement of the following Officers in the Men's Branch on
the dates noted against each, eight vacancies will arise in
the permanent cadres of both the Indian Educational Service
and the Madras Educational Service during 1944:-

- | | |
|--------------------------------------|-------------|
| 1. Dr. B. B. Dey: | 1-11-1944. |
| 2. Muhammad Abdul Ali Saheb Bahadur. | 15--2-1944. |
| 3. Sri P.K. Pattabhirama Sastri. | 15-10-1944. |
| 4. Sri M.R. Subrahmania Ayyar. | 27-10-1944. |
| 5. Sri C.N. Ganapati Ayyar. | 29--4-1944. |
| 6. Mr. P.V. Alexander. | 10--8-1944. |
| 7. Sri M. Chayappa. | 2--2-1944. |
| 8. Mr. C.R. Porrett, M.B.E. | 15--3-1944. |

Vacancy No.1: This Chemistry vacancy of Dr.
B.B. Dey has to be reserved to be filled by transfer as the
last Chemistry vacancy of Sri P.A. Narayana Ayyar has been
reserved for a War service candidate.

Vacancies Nos. 2, 3 and 4: The vacancy of Sri
U. Kannappa has been reserved for a War service candidate -
Vide para 3 of G.O. No. 858 Education (Confidential), dated
22nd June 1943. A statement showing chronologically the
permanent vacancies that arose or will arise in Class II of
the Madras Educational Service after the retirement of Sri
U. Kannappa is given below:

- | | | |
|--------------------------------------|-------------|---------------------|
| 1. Sri U. Kannappa. | 4--7-1942. | Direct Recruitment. |
| 2. Sri V. Viswanatha Sarma. | 15--9-1942. | Promotion. |
| 3. Ghulam Dastagir Sahib Bahadur. | 1--7-1943. | Promotion. |
| 4. Sri S. Satchidanandam Pillai. | 28--7-1943. | Promotion. |
| 5. Sri R.M. Savur. | 1--9-1943. | Direct Recruitment. |
| 6. Muhammad Abdul Ali Saheb Bahadur. | 15--2-1944. | Promotion. |
| 7. Sri P.K. Pattabhirama Sastri. | 15-10-1944. | Do. |
| 8. Sri M.R. Subrahmania Ayyar. | 27-10-1944. | Do. |

Against each vacancy, the method of recruitment is indicated. According to the statement, the vacancy of Sri R.M. Savur has been reserved to be filled by a direct recruit (Sri C. Ganesamurthi) who is now undergoing training under the District Educational Officer, Trichinopoly. Vide para 4 of G.O. No. Ms. 858 Edn. (Confdl.), dated 22nd June 1943. Since the post of Headmaster in the Madras Educational Service in the Government Madrasa-i-Azam was newly sanctioned with effect from 1-7-1943, the method of recruitment indicated above may kindly be altered as shown below:

- | | | |
|--------------------------------------|-------------|---------------------|
| 1. Sri U. Kannappa. | 6--7-1942. | Direct Recruitment. |
| 2. Sri V. Viswanatha Sarma. | 15--9-1942 | Promotion. |
| 3. Ghulam Dastagir Sahib Bahadur. | 1--7-1943. | Do. |
| 4. Headmaster, Govt. Madrasa-i-Azam. | 1--7-1943 | Do. |
| 5. Sri S. Satchidanandam Pillai. | 27--8-1943. | Direct Recruitment. |
| 6. Sri R.M. Savur. | 1--9-1943. | Promotion. |
| 7. Muhammad Abdul Ali Sahib Bahadur. | 15--2-1944. | Do. |
| 8. Sri P.K. Pattabhirama Sastri. | 15-10-1944. | Do. |
| 9. Sri M.R. Subrahmania Ayyar. | 27-10-1944. | Direct Recruitment. |

According to this statement the vacancy of Sri S. Satchidanandam Pillai will have to be reserved for Sri C. Ganesamurthi and not that of Sri R.M. Savur. The vacancy of Sri M.R. Subrahmania Ayyar will have to be reserved for a candidate with War service.

Vacancy No. 5: The Mathematics vacancy of Sri C.N. Ganapathi has to be reserved to be filled by transfer as the last Mathematics vacancy of Sri N. Raghunatha Ayyangar has been reserved to be filled by a qualified candidate with War service.

Vacancy No. 6: The English vacancy of Mr. P.V. Alexander has to be filled by transfer as the last English vacancy of Mr. H.C. Papworth, O.B.E., has been reserved to be filled by direct recruitment. Vide paragraph 2 of the Government Memorandum No. 31544 A-3, Education, dated 28th September 1942, and also my letter to Government R.C. No. 2391 C/42, dated 2nd October 1942.

Vacancy No. 7: This Physics vacancy of Sri M. Chayappa has to be filled by direct recruitment and reserved for a qualified candidate with war service. There is, however, no objection to the vacancy being filled by direct recruitment in the ordinary way without prejudice to the claims of a War service candidate. The last Physics vacancy of Sri G.P. Krishnamurthi was reserved to be filled by transfer.

Vacancy No. 8: The method of recruitment prescribed for the post of Adviser to Government on Manual Training in Rule 2 (a) of the Special Rules for the Madras Educational Service is direct recruitment. The vacancy should, therefore, be reserved for a War service candidate. Pending the recruitment of such a candidate, the post may be filled by transfer. Since no candidate with the required qualifications was available for appointment to the post by transfer, Mr. C.R. Porrett, M.B.E., was granted an extension of service for a period of one year from the 15th March 1943, the date on which he attained the age of 55 - Vide G.O.No. Ms. 1148 Edn., dated 13th August 1942. Since no candidate with the prescribed qualifications is even now available to hold the post, I consider it desirable that he should be granted a further extension of service for a period of another year from the 15th March 1944. Accordingly, I recommend that the Government may be pleased to grant him a further extension of service for another year.

In their Confidential Memo. No. 19160 A/43-2, Edn., dated 27-8-43, the Government ordered that the post of Professor of Electrical Engineering in the College of Engineering, Guindy, should be included in the estimate of vacancies to be sent to the Commission as this post has been reserved to be filled by a War service candidate. Accordingly I request that this post may also be included in the estimate.

I have the honour to be, Sir,
Your most obedient servant,

Sir,

Madras Educational Service - Direct
recruitment - Estimate of the number
of candidates to be selected.

1. With reference to G.O.No.2705, Public (Ser.) dated 25-11-1941, as subsequently amended, I am directed to send the following estimate of the number of candidates to be selected by direct recruitment for appointment to the M.E.S. in 1944-45:-

Class.	Category.	Description.	No. of candidates to be selected
VII	3	Supdt., Govt. Hobart Secy. and Trg. School for Muhammadan Women.	1
V	2	Professor of Elec. Engineering, College of Engineering, Guindy.	1

(a) The post of Superintendent, Government Hobart Secondary and Training School for Muhammadan Women, was advertised by the Commission in January 1940. Vide Mr. Koil Pillai's letter No.70-B/40, dated 24-2-40. As no qualified candidates were then available, temporary arrangements were made. The Government now propose that the post should be filled by direct recruitment according to rules.

(b) The post of Professor of Electrical Engineering will be reserved to be filled by a candidate who has done war service with reference to rule 3(1)(a) of the Madras Civil Services (War Service Personnel) Recruitment Rules, 1941, but will in the meantime be filled temporarily by appointment by direct recruitment with reference to rule 3(2)(a) of these rules.

2. I am to request that the Commission will

be so good as to advertise the posts and select candidates for them.

Your obedient servant,

ENDORSEMENT No. 29047-A-3. Edm., dated 28-9-43.

Copy to the D.P.I. with reference to his letters C.No.2087-C/43, dated 1-9-1943, and Cl.No. 23/43, dated 2-9-1943.

2. The post of D.E.O. and the post of Lecturer in Physics, referred to in the second of the Director's letters, will be reserved to be filled by candidates who have done war service with reference to rule 3(1)(a) of the Madras Civil Services (War Service Personnel) Recruitment Rules, 1941. In the meantime, they will be filled temporarily by transfer from the Subordinate Educational Service. The Director is therefore requested to include these posts in the estimate of the number of candidates to be selected for appointment to the M.E.S. by recruitment by transfer, to be next sent to the Commission.

MADRAS PUBLIC SERVICE COMMISSION.

Appointment of Professor of Electrical Engineering, College of Engineering, Guindy, in the Madras Educational Service (Men's Branch).

Applications are invited for one appointment of Professor of Electrical Engineering, College of Engineering, Guindy, in the Madras Educational Service (Men's Branch) from persons who on the date of this notification are not in the service of the Crown in India and from persons who are in that service and in respect of whom a period of five years has not elapsed on the said date since their first appointment to that service.

Persons who are in the service of the Crown in India must send their applications through the authority competent to appoint them in the posts which they are holding.

Women are not eligible to apply.

2. An applicant must satisfy the Commission—

- that he is a British subject or the subject of a State in India;
- that he is of sound health, active habits and free from any bodily defect or infirmity unfitting him for the appointment;
- that his character and antecedents are such as to qualify him for the appointment;
- that he possesses the following qualifications:—
 - an Honours degree in Electrical Engineering of any of the Universities of Aberdeen, Birmingham, Bristol, Cambridge, Dublin, Durham, Edinburgh, Glasgow, Leeds, Liverpool, London, Manchester, Oxford, Sheffield and St. Andrews; or the Diploma in Electrical Engineering of the College of Engineering, Guindy, with Honours, and the B.E. degree of the University of Madras;
 - practical training and experience in the subject in manufacturing works, particularly in the design and execution of electrical plant, for not less than five years;
 - experience in the erection of heavy electrical machinery; and
 - capacity to teach Electrical Engineering up to the standard prescribed for the degree of B.E. of the University of Madras.

Preference will be given to candidates who possess hydro-electric experience in addition to the qualifications mentioned above.

NOTE.—Applications from candidates with other qualifications will be considered if the Madras Public Service Commission is satisfied that those qualifications are equivalent to the qualifications specified above.

3. Except in the case of a member of the Scheduled Castes (see Annexure), every applicant must pay a fee of Rs. 15 into a Government treasury, or into the Reserve Bank of India, Madras, or its agency, to the credit of the Madras Government under the head "XXXVI. Miscellaneous Departments—(a) Examination fees—Madras Public Service Commission." THIS FEE WILL NOT BE REFUNDED UNDER ANY CIRCUMSTANCES, WHETHER THE COMMISSION DECIDES TO ADMIT THE APPLICATION OR NOT AND WHETHER IT CONSIDERS THE APPLICANT FOR SELECTION OR NOT. CANDIDATES ARE ADVISED TO SATISFY THEMSELVES BEFORE APPLYING THAT THEY FULFIL THE CONDITIONS PRESCRIBED IN THIS NOTIFICATION.

NOTE.—Where the fee is remitted into a treasury outside the Madras Province, the words 'Madras Provincial' must be written prominently in red ink on the right hand top corner of the chalan.

4. Form of application may be obtained by written requisition (accompanied by a stamped and addressed envelope), from the Secretary, Madras Public Service Commission, "The Priory", Teynampet, Cathedral P.O., Madras. NO NOTICE WILL BE TAKEN OF A REQUISITION WHICH IS NOT ACCOMPANIED BY SUCH ENVELOPE.

5. Every application must be in the applicant's hand-writing; it must not be typewritten.

6. Every application must be accompanied by the following documents:—

- Evidence of date of birth, viz.—
 - a certified extract from the Secondary School Leaving Certificate showing date of birth, or
 - a certificate from a University or College or School authority showing date of birth according to the University or College or School records;
- at least three certificates of CHARACTER AND CONDUCT IN ORIGINAL, one of which must be from the head of the institution in which the applicant last studied or is studying as the case may be, and another must have been obtained not earlier than 1st October 1943 from a responsible person who knows the applicant personally. The last-mentioned certificate must be based on personal knowledge and experience of the applicant;

NOTE.—(1) If the period of study at the institution in which applicant last studied, or is studying, as the case may be, is less than one academic year, he must produce also another certificate from the head of the institution in which he last studied for not less than one academic year.

(2) No two certificates may be from the same person.

(c) documents evidencing the qualifications referred to in clause (d) of paragraph 2 in original;

(d) in the case of an applicant who claims to belong to a Scheduled Caste, a certificate from a Revenue Officer not lower in rank than a Deputy Collector that the applicant belongs to a community (to be specified) which is included in the list of Scheduled Castes in the Annexure and that such community is regarded as an untouchable community in the district to which the applicant belongs;

(e) the treasury or bank receipt for the payment of the fee of Rs. 15 unless the applicant is exempt from payment of the fee (see paragraph 3).

NOTE.—(1) Copies of the certificates or documents referred to in clauses (b), (c), (d) and (e) will not be accepted. If any of the prescribed certificates or documents relating to an applicant is already in the office of the Commission in connexion with any other application and has not been returned to him, it will be enough if, when submitting the application, he refers to his previous application.

(2) An applicant who has sent any of the prescribed certificates or documents to any other recruiting authority, should send fresh originals, where they can be obtained. Where such fresh originals cannot be obtained, certified copies may be sent with the application but the originals should be obtained and sent as early as possible for verification.

7. Every application (with all the enclosures securely fastened to it) should be sent by registered post superscribed and addressed as follows:—

"Application for appointment as Professor of Electrical Engineering, College of Engineering, Guindy, Madras Educational Service (Men's Branch).

To

The Secretary, Madras Public Service Commission, 'The Priory', Teynampet, Cathedral P.O., Madras."

If an applicant desires an acknowledgment, he must send the application "Registered acknowledgment due." No application will be otherwise acknowledged.

8. Applications must reach the Secretary not later than the 19th November 1943. Applications received after that date, applications which are not in the proper form or which are not correctly and completely filled or in respect of which the prescribed certificates and documents are not received on or before that date and applications which do not otherwise fulfil the terms of this notification will be considered defective and will be liable to be rejected summarily.

9. APPLICANTS FOUND BY THE COMMISSION QUALIFIED TO COMPETE FOR THE APPOINTMENT MUST BE PREPARED TO APPEAR WHEN SUMMONED BEFORE THE COMMISSION AT MADRAS AT THEIR OWN EXPENSE.

10. Applicants must be prepared to produce certificates of physical fitness in the prescribed form, if so required by the Commission.

If an applicant has defective vision, he should produce along with the certificate of physical fitness a special certificate regarding his eye-sight from an eye-specialist who satisfies the following conditions, viz.—

(1) that he is a Government Medical Officer or an Honorary Surgeon, Physician or Assistant Medical Officer appointed to a Government medical institution;

(2) that he possesses in addition to his medical qualification a special diploma in ophthalmology or has undergone one year's post-graduate training in a recognized ophthalmic hospital, department or clinic attached to a Government medical institution, or has been on the staff of such a hospital, department or clinic for at least two years; and

(3) that he continues to practice ophthalmology as a speciality.

11. Selection of an applicant by the Commission carries with it no guarantee of appointment.

12. Applicants must clearly understand—

(1) that the selection to be made in pursuance of this notification is subject to the Madras Civil Services (War Service Personnel) Recruitment Rules, 1941;

(2) that all vacancies arising on or after the 1st January 1943, which should under the statutory service rules be filled by direct recruitment will, for the duration of the war, be filled on a temporary basis only, i.e., the person selected and appointed in pursuance of this notification will have no claim for permanent appointment;

(3) that all the vacancies, filled temporarily during the war, will, after the war, be filled, on a permanent basis, irrespective of communal considerations, by persons who have rendered war service and are suitable and eligible for appointment in so far as such persons are available;

(4) that persons who have held the vacancies temporarily during the war will have no claim for the vacancies except in the absence of suitable candidates who have rendered war service;

(5) that the appointment of the candidate selected in pursuance of this notification is subject to the condition that when persons who have rendered war service are recruited after the war, the seniority of the latter will be determined irrespective of the earlier date of appointment of the former; and

(6) that the appointing authority reserves the power to assign to persons who have rendered war service and who will be recruited after the war, places in the cadre of the service according to their age and period of war service.

13. A candidate in the service of a Government other than the Government of Madras, if selected and appointed will not be entitled, on the basis of his previous service under that Government to any concession in the matter of initial pay, travelling allowance, transit pay, leave, pension, etc., under the Government of Madras.

14. A candidate appointed will be on probation for a total period of two years on duty within a continuous period of three years.

15. A European or an Anglo-Indian or a Non-Asiatic probationer will be required to pass within the period of his probation the Special Language Test for officers of the Education Department (Lower Standard) in any one of the following languages, namely, Tamil, Telugu, Malayalam, Kannada and Hindustani.

16. At any time before the expiry of the prescribed period of probation, the probation of a candidate appointed may be terminated and he may be discharged from the service. If within the period of probation a probationer who is a European or an Anglo-Indian does not pass the test mentioned in paragraph 15 above or if, at the end of the said period, a probationer is considered not suitable for full membership, he will be discharged from the service.

17. The scale of pay of the post is Rs. 480—60/2—720 per mensem.

NOTE.—If a different rate of pay is actually in force at the time of appointment of the selected candidate, he will be paid only at that rate. The pay of the post is also subject to such modification as may be made from time to time.

18. An applicant will be disqualified who attempts to canvass or to bring influence to bear on the Chairman or any member of the Commission personally or by letter. The same penalty will be imposed if any relative, friend, patron, official or other person attempts to influence the Chairman or any member of the Commission on behalf of an applicant.

19. Any communication intended for the Commission must be made in writing and addressed to the Secretary, and if a reply is sought, must be accompanied by a stamped envelope with the address to which the reply is to be sent written on it. Communications asking for reasons for non-selection and requests for exemption from age-limit or other qualification will, however, receive no attention.

ANNEXURE.

Madras, 21st October 1943.

MADRAS PUBLIC SERVICE COMMISSION.

Appointment of Superintendent, Government Hobart Secondary and Training School for Muhammadan Women, Madras, Madras Educational Service (Women's Branch).

Applications are invited for one appointment of Superintendent, Government Hobart Secondary and Training School for Muhammadan Women, Madras, in the Madras Educational Service (Women's Branch) from Muhammadan women who on the date of this notification are not in the service of the Crown in India and from Muhammadan women who are in that service and in respect of whom a period of five years has not elapsed on the said date since their first appointment to that service.

Spinsters and widows will be given preference over married women.

Persons who are in the service of the Crown in India must send their applications through the authority competent to appoint them in the posts which they are holding.

2. An applicant must satisfy the Commission—

(a) that she is a British subject or the subject of a State in India;

NOTE.—Persons who were not born in the Province of Madras or who have not been domiciled therein for a period of not less than ten years immediately preceding the date of their applications are not eligible to apply.

(b) that she is of sound health, active habits and free from any bodily defect or infirmity unfitting her for the appointment;

(c) that her character and antecedents are such as to qualify her for the appointment;

(d) that she had not on 1st July 1943 completed the age of 30 years, i.e., that she was born on or after 2nd July 1913;

NOTE.—This age-limit does not apply to members of the Backward Classes specified in the Annexure.

(e) that she possesses a first or second-class degree of M.A. or B.A. (Hons.) or B.Sc. (Hons.) of a University in the Province; and

(f) that she has had a successful course of training in the Theory and Practice of Education of the University of Madras or possesses the B.Ed. degree of the Andhra University obtained after undergoing the course of training prescribed for the purpose in a training college affiliated to the Andhra University.

NOTE.—Applications from candidates with other qualifications will be considered if the Madras Public Service Commission is satisfied that those qualifications are equivalent to the qualifications specified above.

3. Every applicant must pay a fee of Rs. 15 into a Government Treasury, or into the Reserve Bank of India, Madras, or its agency, to the credit of the Madras Government under the head “XXXVI. Miscellaneous Departments—(a) Examination fees—Madras Public Service Commission.” THIS FEE WILL NOT BE REFUNDED UNDER ANY CIRCUMSTANCES, WHETHER THE COMMISSION DECIDES TO ADMIT THE APPLICATION OR NOT AND WHETHER IT CONSIDERS THE APPLICANT FOR SELECTION OR NOT. CANDIDATES ARE ADVISED TO SATISFY THEMSELVES BEFORE APPLYING THAT THEY FULFIL THE CONDITIONS PRESCRIBED IN THIS NOTIFICATION.

NOTE.—Where the fee is remitted into a treasury outside the Madras Province, the words ‘Madras Provincial’ must be written prominently in RED INK on the right hand top corner of the chalan.

4. Form of application may be obtained by written requisition (accompanied by a stamped and addressed envelope), from the Secretary, Madras Public Service Commission, ‘The Priory,’ Teynampet, Cathedral P.O., Madras. NO NOTICE WILL BE TAKEN OF A REQUISITION WHICH IS NOT ACCOMPANIED BY SUCH ENVELOPE.

5. Every application must be in the applicant's handwriting; it must not be typewritten.

6. Every application must be accompanied by the following documents:—

(a) Evidence of date of birth, viz.—

(i) a certified extract from the Secondary School Leaving Certificate showing date of birth, or

(ii) a certificate from a University or College or School authority showing date of birth according to the University or College or School records;

(b) at least three certificates of CHARACTER AND CONDUCT IN ORIGINAL, one of which must be from the head of the institution in which the applicant last studied, or is studying as the case may be, and another must have been obtained not earlier than 1st October 1943 from a responsible person who knows the applicant personally. The last-mentioned certificate must be based on personal knowledge and experience of the applicant;

NOTE.—(1) If the period of study at the institution in which applicant last studied, or is studying, as the case may be, is less than one academic year, she must produce also another certificate from the head of the institution in which she last studied for not less than one academic year.

(ii) No two certificates may be from the same person.

(c) documents evidencing the qualifications referred to in clauses (e) and (f) of paragraph 2 in original;

(d) in the case of an applicant who claims to belong to a Backward Class, a certificate from a Revenue Officer not lower in rank than a Deputy Collector that the applicant belongs to a community (to be specified) included in the list of Backward Classes mentioned in the Annexure; and

(e) the treasury or bank receipt for the payment of the fee of Rs. 15.

NOTE.—(1) Copies of the certificates or documents referred to in clauses (b), (c), (d) and (e) will not be accepted. If any of the prescribed certificates or documents relating to an applicant is already in the office of the Commission in connexion with any other application and has not been returned to her it will be enough if, when submitting the application, she refers to her previous application.

(2) An applicant who has sent any of the prescribed certificates or documents to any other recruiting authority, should send fresh originals where they can be obtained. Where such fresh originals cannot be obtained certified copies may be sent with the application but the originals should be obtained and sent as early as possible for verification.

7. Every application (with all the enclosures securely fastened to it) should be sent by registered post superscribed and addressed as follows:—

“Application for appointment as Superintendent, Government Hobart Secondary and Training School for Muhammadan Women, Madras, Madras Educational Service (Women's Branch).”

To
The Secretary, Madras Public Service Commission,
“The Priory,” Teynampet, Cathedral P.O.,
Madras.”

If an applicant desires an acknowledgment, she must send the application “Registered acknowledgment due.” No application will be otherwise acknowledged.

8. Applications must reach the Secretary not later than 19th

November 1943. Applications received after that date, applications which are not in the proper form or which are not correctly and completely filled or in respect of which the prescribed certificates and documents are not received on or before that date and applications which do not otherwise fulfil the terms of this notification will be considered defective and will be liable to be rejected summarily.

9. APPLICANTS FOUND BY THE COMMISSION QUALIFIED TO COMPETE FOR THE APPOINTMENT MUST BE PREPARED TO APPEAR WHEN SUMMONED BEFORE THE COMMISSION AT MADRAS, AT THEIR OWN EXPENSE.

10. Applicants must be prepared to produce certificates of physical fitness in the prescribed form, if so required by the Commission.

If an applicant has defective vision, she should produce along with the certificate of physical fitness a special certificate regarding her eye-sight from an eye specialist who satisfies the following conditions, viz.:—

(1) that he is a Government Medical Officer or an Honorary Surgeon, Physician or Assistant Medical Officer appointed to a Government Medical institution;

(2) that he possesses in addition to his medical qualification a special diploma in ophthalmology or has undergone one year's post-graduate training in a recognized ophthalmic hospital, department or clinic attached to a Government Medical institution, or has been on the staff of such a hospital, department or clinic for at least two years; and

(3) that he continues to practice ophthalmology as a speciality.

11. Selection of an applicant by the Commission carries with it no guarantee of appointment.

12. Applicants must clearly understand—

(1) that the selection to be made in pursuance of this notification is subject to the Madras Civil Services (War Service Personnel) Recruitment Rules, 1941, under which twenty-five per cent of all substantive vacancies arising on or after the 1st April 1941 which should under the statutory service rules be filled by direct recruitment, has been reserved to be filled by the appointment, irrespective of communal considerations, of persons who have rendered war service;

(2) that the appointment of the candidate selected in pursuance of this notification is subject to the condition that when persons who have rendered war service are recruited after the war to the vacancies so reserved for them, the seniority of the latter will be determined irrespective of the earlier date of appointment of the former; and

(3) that the appointing authority reserves the power to assign to persons who have rendered war service and who will be recruited after the war, places in the cadre of the service according to their age and period of war service.

13. A candidate in the service of a Government other than the Government of Madras, if selected and appointed, will not be entitled, on the basis of her previous service under that Government to any concession in the matter of initial pay, travelling allowance, transit pay, leave, pension, etc., under the Government of Madras.

14. A candidate appointed will be on probation for a total period of two years on duty within a continuous period of three years.

15. She may, at the discretion of the Director of Public Instruction, be required before commencing to perform the duties of her post, to undergo training for a period of six months under an Inspectress of Schools. She will be paid at the rate of Rs. 100 per mensem during the period of training and will not be entitled to count this period for purposes of increments in the time-scale of pay applicable to her.

16. Within the period of probation a probationer will be required to pass—

(i) the Account Test for Executive Officers; and
(ii) the Special Language Test for officers of the Education Department (lower standard) in any two of the following languages, viz., Tamil, Telugu, Malayalam, Kannada and Hindustani, at least one of which must be either Tamil or Telugu.

17. At any time before the expiry of the prescribed period of probation, the probation of a candidate appointed may be terminated and she may be discharged from the service. If, within the period of probation a probationer does not pass the tests mentioned in paragraph 16 above or if at the end of the said period a probationer is considered not suitable for full membership, she will be discharged from the service.

18. The scale of pay of the post is Rs. 190-20/2-250-25/2-425 per mensem.

NOTE.—If a different rate of pay is actually in force at the time of appointment of the selected candidate, she will be paid only at that rate. The pay of the post is also subject to such modification as may be made from time to time.

19. An applicant will be disqualified who attempts to canvass or to bring influence to bear on the Chairman or any member of the Commission personally or by letter. The same penalty will be imposed if any relative, friend, patron, official or other person attempts to influence the Chairman or any member of the Commission on behalf of an applicant.

20. Any communication intended for the Commission must be made in writing and addressed to the Secretary, and, if a reply is sought, must be accompanied by a stamped envelope with the address to which the reply is to be sent written on it. Communications asking for reasons for non-selection and requests for exemption from age-limit or other qualification will, however, receive no attention.

ANNEXURE.

LETTERS TO THE EDITOR

PROFESSORSHIP OF ELECTRICAL ENGINEERING

The Madras Public Service Commission in inviting applications for the post of Electrical Engineering College of Engineering, Guindy, specified the following technical qualifications and experience in clause 2 (d) of their notification.

(i) an Honours degree in Electrical Engineering of any one of the universities in England, Scotland and Ireland, or the Diploma in Electrical Engineering of the College of Engineering, Guindy, with Honours, and the B. E. degree of the University of Madras.

(ii) practical training and experience in the subject in manufacturing works, particularly in the design and execution of electrical plant, for not less than 5 years;

(iii) experience in the erection of heavy electrical machinery; and
(iv) capacity to teach Electrical Engineering up to the standard prescribed for the degree of B. E. of the University of Madras.

(v) Preference will be given to candidates who possess hydro-electric experience in addition to the qualifications mentioned above.

As far as I am aware there is no person in the entire Madras Government Electricity Department who satisfies all the above qualifications. In fact as one who is fully conversant with the electrical world in India and England I am confident of saying that there is no one in India or England who satisfied all of the above five qualifications. Three successive professors (Professors K. Aston, F. N. Mowdawalla and J. K. Catterson Smith) who occupied the chair of Electrical Technology, Indian Institute of Science, Bangalore (the last now occupying a chair in the London University) do not possess all the above qualifications! Again, three successive professors (Professors Dr. J. J. Rudra (the present principal), W. A. Wales and P. Subba Rao who were the former three professors of Electrical Engineering at Guindy will all be disqualified according to all of the qualifications prescribed now which not only seem to be unnecessary but also not likely to be found in any one candidate. The present advertisement is therefore nothing short of asking for the impossible and that on the low scale of Rs. 480-602-720 coupled with the threat of the appointee being ousted by a man with war service, at the end of the war! If a candidate has any 2 out of the above 5 prescribed qualifications his present day market value would be much more than what was offered in the advertisement. Any Engineer with a good degree or diploma in electrical engineering and with five years experience in design or erection or execution of plant or hydro electric experience or lecturing and research experience can easily get a start of at least Rs. 600 at the present day.

It is also pertinent to point out that the Indian Institute of Science, who advertised recently (in August 1943) for a permanent professor and Head of the Department of Electrical Technology on a scale of Rs. 1000-50-1250 with benefit of provident fund (a glaring contrast to scale of Rs. 480-602-720 offered by the Madras Government in the present advertisement) rest content by prescribing merely the following: "The Council of the Indian Institute of Science, Bangalore, India, invite applications for the appointment of Professor and Head of the Department of Electrical Technology from candidates who are specialists either in Heavy Electrical Engineering or Communication Engineering. It is hoped that, in view of the foregoing, the Government will cancel the present advertisement and readvertise with qualifications prescribed on somewhat the following lines, which any one will admit as being not only most reasonable but also desirable.

(i) a degree or diploma in Electrical Engineering of any recognised university or institution in India or abroad or at least Associate membership of the professional institutions London or New York.

(ii) A total minimum period of 3 years' practical experience which may be made up of experience in manufacturing firms, works testing departments, research or works' laboratories, power stations, transmission and distribution lines, or Government departments or railways etc.

(iii) Preference will be given to those who have had teaching and research experience, or hydro-electric experience.

The scale of pay will also have to be raised to at least Rs. 600 to 800 or 750-1,000 in order to attract a good man.

Immediate action in the matter by the Government and the Commission is requested.

- Direct recruitment.

I am to forward copy of a letter from the
Secretary, Public Service Commission, No.3937-B1/43-1, dated
30-11-1943, in which the Commission says that no qualified
candidates were forthcoming for the post of Supdt. of the
Govt. Hobart Secy. and Training School for Muhammadan Women,
Madras, which it was asked to advertise in my letter No.
29047-2-A-Edn., dated 28-9-1943. In view of the *persisting*
difficulty in obtaining *fully* qualified candidates for the post of
Superintendent in question, *it has been suggested that* a candidate selected for appoint-
ment to this post may be permitted to acquire the L.T. quali-
fication during the period of probation on the analogy of the
provision in rule 9(a) of the Special rules relating to the
M.E.S. I am to ask for your opinion on the suggestion and,
if you agree, I am to request that suitable amendments to the
Service rules may be put up for Government's consideration.

In the Public Service Commission's letter, copy of
which was sent to you with my D.O.No.29047-7-A-Edn., dated

made in that D.O., I am now to ask for your recommendation
in the matter of relaxing the qualification rule in favour
of this candidate with a view to her appointment as Supdt.

1686 No. 5066-B.1/43-1, dated 13-1-1944.

Sir,

Recruitment (Direct) - Madras Educational Service (Men's Branch) - Professor of Electrical Engineering, College of Engineering, Guindy - Your letter Ref. No. 29047-6-A-Edn., dated 15-12-1943.

With reference to your letter cited, I am to say that, having regard to the attempts previously made to recruit a Professor of Electrical Engineering for the College of Engineering, Guindy, the Commission desires to invite the attention of the Government to the following facts and the conclusion which it draws from them.

2. The post was first advertised in 1934 on the scale of pay now mentioned in your letter, viz. Rs. 600-75/2-900, and the qualifications relating to practical training and experience then announced were the same as those now prescribed. There were 11 applicants including Dr. J. J. Rudra and none of them possessed the qualifications in full. Sri P. Subba Rao, Assistant Professor of Electrical Engineering, College of Engineering, Guindy, who was one of the applicants, appeared to the Commission to possess qualifications which might be considered to be of the standard of the Honours Degree in Electrical Engineering. The Commission interviewed him and recommended him as suitable for appointment as Professor of Electrical Engineering - VIDE its letter No. 3-B/34, dated 7-7-1934. The Government however decided not to appoint him as he did not possess the qualifications prescribed for the post, and in their Law (Education) Department letter No. 992-A-8, dated 23-10-1934, they presumed that the absence of qualified applicants was perhaps due to the fact that the salary offered and other terms of appointment were not sufficiently attractive. They therefore decided to raise the pay to Rs. 800-100/2-1000 and also to grant an overseas pay of Rs. 250/- if the candidate selected was of non-Asiatic domicile. They altered the qualifications and terms of appointment and requested the Commission as well as the High Commissioner for India in England to call for applications on the higher pay and the revised terms of appointment. The post was accordingly readvertised in December 1934. Only two candidates applied on that occasion and Dr. Rudra was again one of them. Neither of them possessed even the revised qualifications in full. In their letter No. 387-A/1, Law and Education, dated 9-2-1935, the Government informed the Commission that no suitable candidate was forthcoming in England also and that the High Commissioner had mentioned the name of Dr. Rudra and enquired whether the Commission could recommend him for appointment. Dr. Rudra did NOT possess the 5 years' practical experience in electrical engineering prescribed for the post. However, with reference to the Government's letter No. 992-A/34-12, dated 18-3-1935, the Commission interviewed him and in recommending him suggested that before taking up the appointment he should undergo 2 months' practical training in high tension transmission in the Pykara Hydro-Electric Works. In G.O. No. 10(s), Ms., Education, dated 17-5-1935, Dr. Rudra was appointed and was required to undergo the training accordingly.

3. The post was advertised in September 1943 on a scale of pay of Rs. 480-60/2-720 and the only applicant for it on this occasion did not possess the practical training and experience in electrical engineering in manufacturing works.

4. In the circumstances, I am to communicate the Commission's view that the slightly higher scale announced in 1934, which has now been revived, viz. Rs. 600-75/2-900, is today as unlikely to produce qualified applicants as it was in 1934, when it failed to produce them, and that the real obstacle seems to be the practical training and experience prescribed for the post, which no person in India seems to possess. It is significant that the services of Dr. Rudra who was eventually appointed on Rs. 800-100/2-1000, although he did not possess this practical experience, could have been obtained on Rs. 600-75/2-900.

5. The Commission is of course, quite ready to readvertise the post on the terms now prescribed by the Government, if the Government insist; but would, before doing so, commend for the attention of the Government the desirability of so altering the qualifications in consultation with persons who are likely to give useful technical advice on the matter, as to secure reasonable prospects of candidates becoming available, who (like Dr. Rudra), while not possessing the qualifications now prescribed in full, may for all practical purposes be quite suitable for the post.

and it is reserved for a candidate who has rendered war service. In the meanwhile, it is proposed to appoint a candidate by direct recruitment temporarily for the duration of the war.

The post of Professor of Electrical Engineering, College of Engineering, Guindy, is substantively vacant, ~~and the Government have reserved~~ The vacancy ^{is} to be filled ~~by the appointment of a candidate~~ by direct recruitment.

The qualifications prescribed for the post will be found in the annexure to the special rules relating to the Madras Educational Service. The vacancy in the post was advertised by the Madras Public Service Commission in ~~September~~ ^{October} 1943. Only one candidate applied, but he did not possess the ^{prescribed} practical training and experience in Electrical Engineering in manufacturing works.

ppro + 32 cf

The Commission has reported that the real obstacle

to the selection of a suitable candidate is the practical training and experience prescribed for the post. The Principal, College of Engineering, has suggested that the qualifications may be altered as in the annexure so as to bring them into line with those for the posts of Professors of Civil Engineering and Mechanical Engineering. The D.P.I. has agreed to the suggestion.

I am to ask you to advise Government whether the qualifications may be amended as suggested by the Principal.

Rules - Special Rules - Madras Educational Service - Professor of Electrical Engineering, College of Engineering, Guindy - Qualifications - Amendment.

Ref:- Your letter No.5086-B1/43-1, dated 13-1-1944.

I am directed to say that the Government agree with the Commission that it is desirable to alter the qualifications prescribed for the mentioned above post before it is advertised again. The Principal, College of Engineering, Guindy, has suggested that the qualifications may be altered so as to bring them into line with those for the posts of Professors of Civil Engineering and Mechanical Engineering and the D.P.I. has agreed to the suggestion. The C.E. for

Electricity, also considers that the modifications suggested by the Principal are suitable for the temporary appointment. I am to forward a draft of the amendment proposed to be made to the Special Rules for the Madras Educational Service and to request that the Commission will be so good as to offer its views on it.

Your obedient servant,

The Govt. have decided that the qualification rule may be amended now as in the annexure and that the question of restoring the existing qualifications be taken up when recruitment of a candidate with war service is made.

Most respectfully I beg to submit the following humble representation of mine for very kind consideration and favourable orders.

I first entered the service of the Hosur Taluk Board in July 1915 as the Headmaster of the Board Middle School at Krishnagiri, having previously served as the Headmaster of the Municipal Middle School at Adoni for nearly three years.

When the Middle School at Krishnagiri was raised to a High School in 1920, I was appointed as the Headmaster of the newly opened High School by T.B. Russell Esqr., B.A., I.C.S., the then President of the Hosur Taluk Board, as a reward of my previous good work as headmaster of the Middle School.

Between the years 1920 and 1938 I continued to serve as the Headmaster of the High Schools at Krishnagiri, Dharmapuri, Hosur, and again at Dharmapuri with considerable distinction and appreciation of my work by successive District Educational Officers and Presidents of Taluk and District Boards.

No. 5066-B1/43-9. dated 10th July 1944.

Sir,

Recruitment (Direct) - Madras Educational Service (Men's Branch) - Professor of Electrical Engineering, College of Engineering, Guindy - Correspondence resting with the Commission's letter No. 5066-B1/43-6, dated 21-6-1944.

P. 51 ante

I am to say that the Commission held the prescribed competitive examination on the 4th July 1944 at which the Director of Public Instruction was present. One of the two candidates who were subjected to the competitive examination was unsuccessful and the other candidate, whose particulars are given below, obtained enough marks to qualify for selection for appointment as Professor of Electrical Engineering:-

NAME AND DATE OF BIRTH	QUALIFICATIONS	ADDRESS
K. Sreenivasan (10.7.1899)	B.Sc.; Certificate of Proficiency in Electrical Technology (Indian Institute of Science, Bangalore); A.I.I.Sc.; M.I.E.E.; Member A.I.E.E.; M.I.R.E.E.; F.A.Sc.	Department of Electrical Technology, Indian Institute of Science, Malleswaram P.O., Bangalore.

his candidate is a subject of Mysore State. The Commission has however selected him for appointment, as General Rule 10 (c) does not apply to this recruitment.

I am to invite attention to the instructions issued in G.O. No. 977, Public (Services), dated 10-6-1938, and to request that, if there is no objection, a declaration of eligibility under section 262 (2) of the Government of India Act be issued in his favour.

2. The candidate is now employed as an Assistant Professor in the Indian Institute of Science, Bangalore on a salary of Rs. 800/- per mensem plus Rent-free house. He stated at the oral test that on appointment as Professor of Electrical Engineering in the College of Engineering, Guindy, he expected in view of this fact, to be paid the maximum of Rs. 900/- in the scale of Rs. 600-75/2-900 and that he would not accept the post on less than his present salary of Rs. 800/-

3. A certificate of physical fitness will be called for from the candidate after the Government pass orders on the question of issuing a declaration under section 262 (2) of the Government of India Act in his favour and on the question of the amount of salary for which he has asked.

4. The application of Sri Sreenivasan (with the documents received with it) is sent herewith.

Your obedient servant,

M. Srinivasan
Secretary.

Recruitment (Direct) - Madras Engineering Service (Men's
 Branch) - Professor of Electrical Engineering, College of
 Engineering, Guindy - Your application to the Commission.

I am to say that you have been selected for appointment as
 Professor of Electrical Engineering in the College of Engineering,
 Guindy. The Government have informed the Commission that on
 appointment you will be granted an initial pay of Rs.750, plus
 a personal pay of Rs.50/- which will be absorbed in the scale of
 pay applicable to the post viz., Rs.600-75/2-900, and that no
 free quarters will be provided.

I am to enquire whether you are willing to accept the appoint-
 ment on these terms. If you are, I am to request you to forward a
 certificate of physical fitness in the enclosed form.

Copy of letter dated 1st November 1944 from Sri K. Sreenivasan,
 Bangalore to the Commission.

I thank you for your communication No.5066-B1/43-11 of 23rd
 October and am very grateful to the Government and the Commission
 for kindly selecting me for the post of Professor of Electrical
 Engineering at the College of Engineering, Guindy.

Your letter arrived here when I had to be away from Bangalore.
 Hence this delay in acknowledging its receipt for which I would
 express my regret.

I shall, if I may, write to you in the course of the next week
 after discussing the matter with my people.
 Thanking you once again.

Copy of letter dated 6-11-1944 from Sri K. Sreenivasan, Bangalore, to the Commission.

I am much obliged to you for your communication No.5066-B1/43-11, of 23-10-1944 and have much pleasure in accepting the offer of the post of the Professor of Electrical Engineering, at the College of Engineering, Guindy.

2. Mr I, however, request that the Government may be pleased to start me on Rs.900, the maximum in the grade, as requested by me at the end of my letter of 9th June covering my application for the post.

3. The pay of Rs.800 now offered to me I have already been drawing for over seven years, since April 1937. And for nearly two years till April 1944, I was drawing Rs.1,000 a month as acting Head of the Department of Electrical Technology, besides having the benefit of a rent free bungalow on the grounds of the Institute.

4. By going to Madras on Rs.800, I shall, as explained below, be put to serious financial loss which I can ill afford. Living is cheaper in Bangalore than in Madras and we have a small house of our own in Bangalore. To break up our establishment here and set up a new home in Madras will cost me a substantial amount, particularly under the present conditions of war. I understand that it is very difficult to get houses in Madras and that the rents are very high. Further, I have been managing here without a car, but shall be obliged to have one in Madras in view of the situation of the College and the fact that Madras is a city of long distances. And at present, it is difficult and expensive to buy a car and to maintain it.

5. I am a bachelor and shall therefore not be entitled to the dearness allowance recently granted by the Government to their gazetted officers. But I would, if I may, point out though not married, I have heavy financial commitments, perhaps greater than those of many persons of my age. I have entirely dependent on me my widowed mother and two younger brothers studying for their degrees in engineering. And a few other close relatives are partially dependent on me. I have also had to finance the education of two other younger brothers, of the first in England and of the second in India. As the eldest son of the family, it is my duty to attend to these and similar expenditure of it.

6. In view of the financial implications involved in the change from Bangalore to Madras, my financial position in Madras with a salary of Rs.900 will not be any better than what it is at present. And considering my commitments, the salary of Rs.800 will cause me serious hardship.

7. Also, at the Institute, I hold a permanent appointment upto the retiring age of 55 years, whereas according to paragraphs 5, 6 and 7 of the notification relating to the post at Guindy, my services will be terminated after the war when a suitable candidate with war service becomes available. This may come about within the next two or three years and will put me in a situation which will be very serious for a person at my stage of life.

8. I therefore request that the Government may be pleased to grant me a starting salary of Rs.900/.

2. The point is presented by it.

Post of Professor of Electrical Engineering

Under rule 5(b) of the general rules, direct recruitment can only be against substantive vacancies. The substantive holder of this post is now Dr. Rudra. It is presumed that the decision at (R) is that Dr. Chakko should permanently be away from the Engineering College and that Dr. Rudra should be confirmed as Principal of the Engineering College. Dr. Rudra finished his probation in July 1943. May the D.P.I. be asked to put up proposals for ^{his} confirmation as Principal? Meanwhile there appears to be no harm to ask the Commission to recruit, as the selected candidate's app't. will, in any event, be only for the 'duration' owing to the operation of the War Service Personnel Recruitment Rules.

2. This may be circulated for approval of drafts and of 'A' on p 3 ante.

Secretary pointed out to me that rule 5(b), referred to above, would be attracted only where the special rules of a service laid down the proportion or order in which vacancies should be filled by direct recruitment and by transfer, and that inasmuch as there was no such specification in the special rules as regards Professors in the Engineering College, the general rule in question might not strictly apply.

2. A similar reasoning would lead to the position that the post of Professor of Electrical Engineering in the Engineering College need not necessarily be reserved for a war service candidate as it is not under any rule that

the Government propose to fill the post by direct recruitment but by a piece of compelling necessity, viz., the absence of qualified candidates in the category of Instructors.

3. The general principle underlying recruitment to services is, however, that direct appointments should be for substantive vacancies as otherwise a situation might arise when the person selected might have to be discharged from service for want of a vacancy. But as pointed out at

"A" on page 4 ante, the question is not of much importance in the present instance as recruitment is to be for the duration of the war.

(1) Professor of Electrical Engineering.

The Commission says that only one candidate applied for the post and that he was ~~not~~ ^{was} disqualified. When the post was advertised by the Commission, the scale of pay for the post was only Rs. 480-60/2-720. This scale of pay for the post came into force in 1938 with reference to the orders in G.O. No. 2486 Pub (Sve), dated, 21-12-1937 sanctioning the New revised scales of pay. The Govt. in their order No. 3411 Pub (Sve), dated, 24-11-1943 sanctioned the restoration of pre-1938 scales of pay. Under this order, the post of Professor of Electrical Engineering will carry pay in the scale of Rs. 600-75/2-900. Persons with the required qualifications

Of the four candidates ^{that were} applied for the post, three were ^{not} disqualified as they did not possess the B.T. degree and the fourth was only a third class in M.A. In this connection it may be pointed out that the duties of superintendents in the Women's Branch are similar to those of Principals of any Arts & Teachers' Training College in the Men's Branch. Under rule 9(a) of the special Rules relating to the M.E.S., the Principal of any Arts & Teachers' Training College need acquire the B.T. qualification only within the prescribed period of probation. There seems to be no reason why superintendents in the Women's Branch also ^{should not} be allowed to undergo ~~their~~ training during probation. If this is allowed, it may be possible that one of the three candidates ^{whose applications} rejected by the Commission ^{may become available} on the ground that they are not B.T.s. Can be appointed to the post in question. If the rules are to be amended

as suggested above, the S.P.I. will have to be consulted. 30 orders.

22nd December 1943.

My dear Sir,

In continuation of my conversation with you regarding my daughter, I write to inform you that her application has been returned from the Secretary of the Public Services Commission, on the score that she is not a Second Class. I may point out that she has every other qualification for the post, being an M.A., in English Literature, an L.T., and a Muslim. Under the circumstances I am making bold to request you to kindly relax the requirement that the candidate hold a 2nd Class. The Director of Public Instruction, is of opinion that this concession may be permitted especially because my daughter is the only Muslim L.T. In view of her qualifications, her social standing and the loyal service rendered by her ancestors in the 14th Madras Infantry, for over a century, I beg you to kindly grant me this favour, as I am getting well on in age and desire to see my children settled in life. I am sorry to be constantly troubling you on this matter, and I assure you that I am deeply grateful for all your goodness to my children and myself.

I am awaiting instructions from you as when to reforward

P.T.O.

Yours gratefully,
H. Abdul Latheef

C.No.1686. From the Secy., M.P.S.C., No.5066-B1/43-1, dated 13-1-1944.

With reference to the letter on page 22 C.F., the Commission has reported that the slightly higher scale which has now been revived in G.O.No.3411, Pub.(Ser.), dated 24-11-43, is not likely to produce qualified applicants as the real obstacle is the practical training and experience in electrical engineering in manufacturing works prescribed for the post, which no person in India seems to possess. In its letter on page 20 C.F., the Commission reported that one candidate applied in response to its notification inviting applications for appointment of Professor of Electrical Engineering, College of Engineering, Guindy. ^{He has} It has now disclosed that this candidate did not possess the practical training and experience in electrical engineering in manufacturing works and that he was therefore disqualified. The point now for consideration is whether the practical training and experience in the subject prescribed in

was a 11 class man, woman applicant was probably too 4 to refer to above. Pl. see refer: sent into to D.P.G. at 1.23 C.F.

The qualifications in the draft Amendment on p 4 CF follows the qualifications suggested by the Principal, College of Engineering Guindy in his letter on page 4 CF (in the linked file) in which the word 'Bristol' has been omitted. The omission does not appear to be intentional and it is apparently a mistake in typing. The word occurs in the qualifications prescribed for the Professors of Civil Engineering, Mechanical Engineering and Electrical Engineering in the Service rules and may therefore be inserted. No change is contemplated in this item of qualification. 2 The second sentence in item 13) of the draft amendment on p 46 CF may also be altered as suggested by the Commission. It does not seem necessary to consult the DPS in regard to the alterations suggested by the Commission.

After I noted here I saw that there was a representation from Sri Sukumaran in a linked file. I have arranged for this file to be held over until that representation has been considered.

Mr. Sukumaran's representation is noted on in the L.F. Should

Government decide to appoint him as Professor of Electrical Engineering, the

reason for dropping the question of direct recruitment will have to be explained to the Commission. The reply to the Commission should probably be that the Government, on a review of the arrangements which have been in force for the performance of the Professor's duties both after the Commission was addressed in the matter and for some time before that, find that the interests of the college will be better served by promoting a senior member of the College Electrical Department staff and that, in the circumstances, they do not consider it necessary to employ a candidate not belonging to this Presidency, offering him a higher initial pay. Mr. Srinivasan, the candidate selected by the Commission, is not entitled to appointment by virtue only of his selection by that body.

Why is the appointment to be temporary?

T.A(ustin),
2-10-1944.

In view of A.3's order above, the file may be sent to the Finance Department for remarks on the question of the initial pay to be granted to Mr. Srinivasan. The appointment is temporary due to the operation of the Madras Civil Services (War Service Personnel) Recruitment Rules, 1941 - cf. page 8 of G.O.No.840-Edn., dated 30-5-1944.

Notes from page 22 above may be perused.

Sri K.Srinivasan, a subject of Mysore State, now employed as an Assistant Professor in the Indian Institute of Science, Bangalore, now drawing a salary of Rs.800 per mensem plus rent free house has been selected by the Madras Public Service Commissions for appointment as Professor of Electrical Engineering in the College of Engineering, Guindy. The pay of the post is Rs.600-75/2-900.

2. The question for consideration is what pay he should be allowed in the time-scale. The candidate has stated that in view of his present emoluments he expected to be paid the maximum of Rs.900 in the scale of Rs.600-900 and that he would not accept the post on less than his present salary of Rs.800. The recommendations of E & P.H. are in para 2 on page 22

above. Under the rules the pay of the candidate should be fixed at the minimum of the scale. But in view of the fact that Sri Srinivasan is on a salary of Rs.800 plus a rent free house, it does not seem that he will accept the job for less than Rs.800 per mensem. In para 2 on page 57 C.F. he does not mention anything about a rent free house. Presumably he will not ask for any such concession under this government. This department may suggest that his pay may be fixed at Rs.750 plus a personal pay of Rs.50 to be absorbed in future increments.

If, however, Sri Srinivasan does not agree to the fixation of pay as at 1. above the only course left is to accept the proposal of E & P.H. to fix his pay at Rs.825 the next higher stage in the scale. It may be made clear that he will not be eligible for a rent free house.

Orders may be taken whether Mr. Srinivasan may be selected and granted a pay of Rs.750 plus personal pay of Rs.50 per mensem which will be absorbed in the scale applicable to the post, viz., Rs.600-75/2-900. If so, the Commission may be informed, with reference to para 3 of its letter at page 57 C.F., that the Government approve the selection, propose to grant Mr. Srinivasan the pay mentioned above ^{with no free quarters} and add that if he is willing to accept the appointment they will be prepared to issue the declaration under section 262(2) of the Government of India Act, 1935.

He will also get the war allowance just announced

Please see the orders in circulation on page 25 ante and Mr. Srinivasan's letter on page 64 C.F.

With reference to Edn. & P.H. Assistant Secretary's remarks in the margin on page 25 ante, it is observed that this candidate is a bachelor. Under the war allowance scheme sanctioned in G.O. No. 531, Finance, dated 6.10.1944, single officers on a pay exceeding Rs.788 do not get the benefit and the apprehension at ~~Rs.788~~ X in para 5 of the letter on page 64 C.F. is correct.

Attention is also solicited to C.F.'s D.O. on pages 55-56 C.F. in linked file. In view of E & P.H. Secretary's remarks on page 25 ante it is for consideration whether this department may agree to Rs.900, the maximum in the scale of pay of the post ~~or to Rs.825~~ as formerly suggested by E & P.H. at C on page 22 ante. Sri K. Srinivasan has proposed to produce the certificate of physical fitness from the doctors mentioned in page 69 and the P.S.C has accepted the proposal.

Attention is invited in this connection to para 10 of the notification on page 13 c.f. According to this, the certificate regarding eyesight shall be produced from an eye-specialist who is a qualified medical officer or a Civil Surgeon, Physician or Assistant M.O appointed to a Government medical institution. The Dr. suggested by Sri K. Srinivasan for this purpose does not seem to satisfy this condition. However in view of the fact that the P.S.C has accepted the suggestion of Sri Srinivasan producing a certificate from a specialist in eye sight from the Specialist - probably in consideration of equivalent qualifications, the Dr. satisfies the other two conditions in para 10 referred to above. It is for consideration whether any further action should be taken. If any action is proposed, Sri K. Srinivasan requests the name of the person from whom the certificate should be produced. The Surgeon General will have to be consulted on this point.

It is very kindly note whether the certificate of the medical officers, c.f. 69, may be accepted adequately. 27.11.44

If the general medical examination reveals defective vision a certificate from a specialist as in G.O. No. 2455-Patna (Sec) of 31.8.43 is necessary if from a Specialist coming under item (2) of the G.O. and not the specialist mentioned at p 69 of ASD

Public (Services) Department,

Previous notes need not be read.

The Madras Public Service Commission has selected one Sri K. Srinivasan, for appointment by direct recruitment to the post of Professor of Electrical Engineering in the College of Engineering, Guindy, and has informed him that he may produce certificates of physical fitness from the two doctors mentioned at p.69 c.f. E. & P.H. have enquired whether the certificates given by those two doctors can be accepted. The position is as follows:-

(1) Under general rule 10(b)(i) a candidate should satisfy the Commission that he is of sound health, active habits and free from any bodily defect or infirmity unfitting him for this service. Therefore if the Commission is satisfied with the certificates granted by the two doctors mentioned at p.69 c.f. the letter of the rule is satisfied and there is nothing illegal.

(2) As regards the authority prescribed by this Government for the grant of medical certificates to candidates for appointment to the post of Professor of Electrical Engineering, Guindy, at the top of the form of medical certificate there is a prescription that the certificate must be signed by a Commissioned Medical Officer or a Civil Medical Officer of rank not lower than that of a Civil Surgeon or a District Medical Officer. There is nothing preventing a candidate from producing a certificate from a physician in a hospital of the Indian State provided this Government are satisfied that that physician occupies a rank not lower than that of a Civil Surgeon or a District Medical Officer of this Province. It is seen from p.69 c.f. that the certificate of physical fitness is to be produced is to be obtained from the Chief Physician, Victoria Hospital, Bangalore. There is no definite information in this department whether he occupies a rank not lower than that of a Civil Surgeon of this Province. Apparently he is the highest authority officer holding the post of Physician in the Indian State and there seems to be no objection in accepting the certificate given by him.

As regards the grant of certificate in regard to eye-sight perusal is solicited of G.O.No.2485 Pub.(Ser) dated 31-8-1943. Under that G.O. every candidate who has defective vision has to produce a certificate regarding his vision from ^{an} eye-specialist of the kind mentioned in that G.O. ^{If} the certificate given by the Eye-Specialist mentioned at p.69 c.f. shows that the candidate has a defective vision then he may be asked to produce a certificate from an officer of the kind ^{mentioned above} in the G.O. ^{mentioned above}. If, however, he is considered to have no defects in his vision by the Specialist mentioned at p.69 c.f. ^{no} certificate need be insisted upon.

GRANT OF HIGHER STARTING PAY
FOR PERSONS RECRUITED DURING
THE WAR.

Government servants recruited to certain posts during the period of the war, e.g. overseers, supervisors, draftsmen, health officers, sub-assistant surgeons etc. have been given a starting pay higher than the minimum of the time-scales of pay applicable to the posts as sufficient number of qualified candidates could not be secured for appointment on the minimum pay. As hostilities have now ceased, the Departments of Secretariat may be requested to examine whether the concession of higher starting pay can be withdrawn in any of these cases.

Higher starting pay granted to Sri K. Srinivasan, Prof.
of Elec. Engg.

The post of Prof. of Elec. Engg. in the College of Engg., Guindy, (scale of pay: Rs.600-75/2-900) is reserved for a war service candidate. Pending the recruitment of such a candidate, Sri K.Srinivasan, a direct recruit, was temporarily appointed to the post. He was given a starting salary of Rs.900, for the main reason that no other candidate was available.

Fin. note on p.1 ^{cf} ~~note~~ would seem to require depts. to examine only cases where, by general orders, higher pay was granted to certain cadres (and not individuals), subject to the condition that it would be ~~withdrawn~~ or revised on the termination of the war. Though Sri Srinivasan was appointed while the war was on, it was not the intention to withdraw or ~~reduce~~ (at a later stage, the higher starting pay, the order appointing him did not accordingly stipulate any such condition. It is presumed, therefore, that an examination of Sri Srinivasan's case is ^{not} called for. Finance may see, however.
