From the Manager, Salvation Army, dated the 11th January 1945, No. 81-1/45.

Order—No. 294, Education, dated 2nd March 1945.

A proposal has been made that the waste-paper collected in the Government offices in the Madras City and in the districts of East Godavari, Bellary, North Arcot, Coimbatore, Salem, Trichinopoly, Malabar and Madura may be supplied to the Penitentiary, Madras, the Central Jails at Rajahmundry, Bellary, Vellore, Coimbatore, Salem, Trichinopoly and Cannanore and the District Jail at Madura respectively where the manufacture of paper has been introduced as an experimental measure. The Government have considered the proposal. The quantity

2

of waste-paper that may be required for the manufacture of paper in the jails mentioned above will be small at present. It will therefore be sufficient to supply the jails with the waste-paper collected in Government offices in selected places from which transport to the jails will be easy. Orders have already been issued in G.O. No. 1919, Education, dated 29th December 1944, in regard to the supply of waste-paper to the Central Jail at Rajahmundry. As regards the remaining jails, in partial modification of G.O. No. 1066, Education, dated the 17th July 1944, and in supersession of the orders in G.O. No. 1166, Education, dated the 30th August 1943, the Government now direct that the waste-paper collected in the offices at the places mentioned in column (1) below should be supplied to the jails specified against them in column (2) :—

Place. (1)	Jail. (2)
1 A.R.P. offices in the Madras City and Government offices in the Chingleput district.	Penitentiary, Madras.
2 Vellore town	Vellore.
3 Trichinopoly town	Trichinopoly.
4 Taluks of Coimbatore and Pollachi ..	Coimbatore.
5 Cannanore and Tellicherry towns ..	Cannanore.
6 Bellary town	Bellary.
7 Salem town	Salem.
8 Offices in the Madura Collectorate Building.	Madura.

2. The supply of waste-paper to the jails should be strictly limited to the quantity actually required and the surplus should be sold to the Salvation Army. No charge will be made for the waste-paper supplied to the Jail department. The Superintendents of the jails and the heads of the concerned offices should make their own arrangements for the transport of waste-paper to the jails and meet the cost of transport from contingencies.

3. The waste-paper collections in Government offices the City of Madras (except A.R.P. offices) will be earmarked for the Industries department for the requirements of the hand-made paper factories. Any surplus after meeting the requirements of that department will be diverted to the Penitentiary, Madras.

General:- For want of waste paper the production in October 1944 is not bright. The pulp section is able to give 3 cooks a day amounting to 5½ to 6 tons. Dear Sir,

I have your letter No 44684-B/44-4- Edn., dated the 29th Sept. 1944 with reference to Waste Paper in Government Offices - Disposal during 1944-45 reference to G.O. No 1066 Education dated 17th July 1944.

The proposal as suggested in your letter under review will cause us, if put into practice, great difficulty as, suppliers of waste paper to M/s Punalur Paper Mills Ltd. Punalur., and the Andhra Paper Mills Ltd. Rajahmundry.

At the moment we are unable to supply the quantity of raw material to the Mills, up to the commitment of our agreement, and if these seven districts are taken from the existing contract it will mean that our supplies will be further reduced, and in consequence the Mills will suffer considerable reduction in their prodduction of paper.

I would ask that full consideration be given to us as the suppliers to the Mills, for since the commencement of the new contract we have not been able to make up the drop we had over the Madras City waste paper being diverted to the Hand made Paper Industry.

I have the honour to be,
Sir,
Your most obedient servant.

Dear Sir,

Ref:- Supplies from various Districts. Waste Paper.

COC 14/1/45

(Reply to the reference on pages 17-18 notes)

I regret that the particulars required have taken longer than I expected owing to the fact that we do not keep a separate a/c of waste paper supplies from the different Districts. All are incorporated in one main account.

There seems to be a fairly-regular supply of approx. 4 to 5 Tons per Month from the larger Districts, and 2 to 3 Tons from the smaller ones. ~~Though~~ The supply is not regular over any one month, as the above is based on the quantity received over the last years workings. I trust however that it will give you the requried information on an approximate basis.

I have the honour to be,
Sir,
Your most obedient Servant.

Extract of letter No.919/B-3/44, dated the 15th July 1944 from the Inspector-General of Prisons to the Secretary to the Government of Madras, Home Department.

G.O. No. 2428 Home (R)
14-8-44

Sub: Jails - Industries - Paper making - Introduction of.
Ref: Government Memorandum No.17803-C/44, Home, dated 30th June 1944.

I have to state that a Conference as suggested in Government Memorandum No.17803-C/44, Home, dated 30th June 1944 was held in the Penitentiary, Madras, on 12th July 1944.

(not extracted)

The following attended:--

Lt.Col. G.S. Gill, I.M.S.
Khan Sahib M.G. Chida Sahib Bahadur, B.E.M.
Mr. T. Venkajee, Government Paper Specialist.
Mr. V.S. Krishnaswamy, Forest Department.

2. It was the unanimous opinion of everybody that jails are excellent places where this industry could be started and in due course extended. In the jails we have plenty of labour and certain amount of raw materials for this industry.

3. It was decided that in all the jails except Coimbatore we should start the industry without any machinery. The Central Jail, Coimbatore, has recently purchased a Hollander Beater from the Industries Department.

* * *

N

PENITENTIARY, MADRAS. We selected a big shed where this industry is to be located. It was agreed that we should start with two vats and use manual labour. Paper cuttings are available in the jail press. Government Press may also be asked to send all paper cuttings to the jail and some waste paper may be available in Government offices.

* * *

Home Department.

Extract of notes.

* 4. The I.G. has also made* certain other suggestions:

* * ~~Home Department.~~

(6) that the Government Press may be asked to send all paper cuttings to *the Penitentiary, Madras and that waste paper available in Govt. offices may also be sent to that jail.

(extracted above)

8. Suggestion in item (6). Waste paper from Govt. offices in the City and in the mufassal will be a useful raw material in the manufacture of paper. It is now being given to the Salvation Army. The contract has been ordered to be renewed only some days ago. Under the terms of the order issued in E. & P.H. Department, waste paper from particular offices can be diverted to jails, whenever necessary, as provision has been made in the agreement reserving power to Govt. to withhold from sale of paper from specified offices at Government's pleasure from time to time. General orders may now be issued that paper cuttings, old gazettes etc. and records which are ripe for destruction in Madras city and in the districts of Coimbatore and E. Godavari, Bellary, N. Arcot, Salem, Trichinopoly and Madura should be handed over to the Superintendents of Jails in those districts. E. & P.H. Deptt. may offer their remarks.

10. As regards the other proposals, the departments concerned may be consulted after the issue of the orders in the draft below.

Please see para.10 on pp.15-16 ante (above) and para.3 on p.19 ante. The draft order referred to in those paras. has been issued.

confirmation, Employees covered by the above G.O. are non-the-less unpassed men--not educationally qualified, but still they are declared eligible for confirmation under orders of Government. The memorialist therefore begs to point out that equity and justice demand that he should also be placed on a par with those protected by the above G.Os. and declared eligible for confirmation.

(C) 4. In paragraph 2 of G.O.No.603, Press, Revenue dated 4-3-1938 the Government were pleased to observe that 'A NORMAL SETTLEMENT PARTY CONSISTED OF A SMALL NECLEUS OF PERMANENT POSTS AND A LARGE TEMPORARY STAFF, THE STRENGTH OF WHICH VARIED ACCORDING TO REQUIREMENTS AND IT CANNOT THEREFORE BE SAID THAT THE DISCHARGE OF THE TEMPORARY MEN IN THE SETTLEMENT PARTIES CONSEQUENT ON THE CESSATION OF RESETTLEMENT OPERATIONS INVOLVED ANY PARTICULAR HARDSHIP TO THEM: AS THEY CANNOT BE DEEMED TO HAVE BEEN UNAWARE OF THE CONDITIONS OF THEIR SERVICE.' This observation, the meorialist most respectfully begs to submit, loses much of its force, when it is remembered that almost every entrant to service in any office is first provided only either in an acting or temporary appointment, and that he gets a permanent status only long after. It is an established fact that a person who has been appointed to a post either temporarily or in an officiating capacity is always given preference over a new entrant and is in succession appointed in vacancies till he is given a security of service by confirmation. Further, it may not be out of place to mention here, that all the temporary clerks covered by the two G.Os., mentioned in para 3 above were like the memorialist, not unaware of the conditions of service when they entered it, and yet the Government have meted out a different treatment to the memorialist.

(C) 5. In paragraph 3 of G.O.No.603, Press, Revenue Department dated 4-3-38, the Government observe as follows:--

"THE GOVERNMENT HOWEVER, CONSIDER THAT SOME SPECIAL CONSIDERATION SHOULD BE SHOWN TO TEMPORARY MEN INELIGIBLE FOR CONFIRMATION WHO HAVE PUT IN PERIODS OF SERVICE IN THE SETTLEMENT PARTIES EXCEEDING 12 YEARS."

T.K. **Proposal (6).** Please see N on p.24 c.f. and para.8 on p.15 ante. E. & P.H. Department may be requested to offer their remarks on this department's suggestion at M on p.15 ante.

*   *   *

The file may be sent to Development & E. & P.H. for remarks. (As the file has to go to 2 departments to avoid delay extracts may be sent to E. & P.H. Department and the main file may be sent to Development.)

*   *   *

Extracts may be sent to E. & P.H. Deptt. and the main file sent to Development.

Home Deptt suggest that the (B) wastepaper collections in Govt offices in the city of Madras, Coimbatore, East Godavari, Bellary, N. Arcot Salem, Trichinopoly and Madura Districts may be handed over to the Superintendents of Jails in those areas in connection with the manufacture of paper in Jails. The following remarks are called for on the suggestion.

Wastepaper in Govt offices in the city of Madras & the Dt. of East Godavari :- The wastepaper from the A.R.P. offices in the city has been reserved for the manufacture of handmade paper in the A.R.P Depots and that from the other offices is being utilised by the three handmade paper factories opened at Bezwada, Garulapalli (Kurnool Dt) & at Bugga (Cuddapah Dt). Dev. have stated in another file that the handmade paper units at Bezwada and Garulapalle have begun to work

have to be undergone by the temporary men consequent on such allotment under orders will be very hard, to take an instance:--

A candidate belonging to Tinnevelly is allotted to Tanjore. The Collector of Tanjore appoints him in a vacancy created for 3 months and then he is discharged. The candidate goes all the way to Tanjore from Tinnevelly--his native place to join his appointment in the Head-quarters of the District or in some Taluk centre. He is given Rs. 35/- for 3 months and then discharged. Just imagine to what amount of pecuniary difficulties he will be put to, not to speak of the dislocation of the family affairs, and boys' education, etc. He will have to reach the place of his new appointment with his family at his own expense. During the 3 months he will be in employ, he will earn Rs.105/- and then he will have to go hom at his own expense as he cannot stay in an alien place and as he cannot know ehn and where he will next be employed. After an interval of 2 months the candidate gets another appointment lasting for 2 months, either in the same place or elsewhere. The candidate in order to extricate himself from the excruciating the pangs of unemployment eagerly catches the straw-knowing that it is not strong enough to hold him for long. He has to go to his new destination and after a short stay, he has to come back home at his own expense. As there will be no continuity of service under the terms of the G.O., the process of temporary provision and discharge thereafter will make the condition economically worse. Thus while the avowed policy of the Government is to improve the economic condition of the people, here, the result is quite the reverse.

The following is a specific instance which has actually occurred in the case of a discharged temporary clerk of Revenue Settlement Pary, No. II, Salem.

37

and that the work at Bugga is still in progress. It is ~~not~~ therefore ~~not~~ likely that a very small quantity of wastepaper would have been utilised so far by these factories. It is for consideration whether the supplies of wastepaper to the three factories which have just commenced functioning should be stopped abruptly and diverted to the Penitentiary, Madras.

As regards the wastepaper from Govt. offices in the E. Godavari Dt. (for which transport is not available) it is submitted that on account of the absence of transport facilities ~~that transport difficulties stood in the way of~~ movement of paper ~~[illegible]~~ to the nearest ~~the~~ paper Mills could not be easily arranged and ~~that~~ it has therefore been decided to make a portion of the wastepaper collections available to the Papermaking Societies functioning at Chicacole & Vizianagaram & to send the rest to the Andhra [illegible] Paper Mills, Rajahmundry, by country carts & boats. Final orders have not been issued in the matter. For orders whether the wastepaper from these areas should be diverted to the Jail at Rajahmundry.

Dev will have to be consulted in the above matters.

Wastepaper in Govt. offices in the Districts of Coimbatore, Bellary, N. Arcot, Salem, Trichinopoly ~~[illegible]~~, Madura & E. Godavari (in parts where transport is available) — Attention is invited to the orders issued in G.O. No 1066 Edn d/- The S.A.S has just submitted for approval the draft agreement to be entered into with the Salvation Army. As a provision has been made in the agreement reserving power to Govt. to withhold from sale, paper from specified areas, there is no objection.

D.T.O.

As regards Madras City, waste-paper is now being used for making hand-made paper either by the A.R.P. Dept or the Industries Dept. Whether this paper should be diverted to the Jail Dept is a matter to be decided in consultation with ~~[illegible]~~ Public (ARP) and Dept (Industries). E&P.H. have really nothing to say in this matter. If it is considered that the industry in the ARP & Industries Dept should continue, it may perhaps be possible for some portion of the waste-paper in the City offices to be diverted to the Jail Dept. As soon as E&P.H. are made aware of the exact arrangements, steps will be taken to issue orders for the diversions of the paper to each of the 3 units i.e. A.R.P. Industries Dept & Jail Dept.

Whatever is not required by the Co-op. Dept for use by the paper-making societies in Chicacole & Vizianagaram ~~and~~ may certainly be sent to the jail at Rajahmundry instead of to the Andhra Mills as proposed. Since Govt have decided to make the Co-op Societies pay Rs 230/- per ton instead of the reduced concessional rate recommended by the Regr. of Co-op Societies, it is likely that the Societies may not be in a position to purchase the paper earmarked for it. In that case and also in case it is decided, in consultation with Dept, that the Co-op Societies in question need not have this paper, it may be diverted to the jail at Rajahmundry.

Please see Secy's orders above. Orders as at 'A' above should issue in the E&P.H. dept. With reference to 'B' above, it may be noted that orders sanctioning the manufacture of paper in certain jails were issued only recently and it may not therefore be possible for the I.G. now to estimate with reasonable accuracy the requirements of the jails in waste-paper. Perhaps a general order may issue directing that all Govt offices in the Madras city and in the districts of ~~Coimbatore~~, East Godavari ~~Rajahmundry~~, Bellary, North Arcot ~~Vellore~~, Salem, Trichinopoly and Madura should, before they dispose of their waste paper ~~with them~~, ascertain the requirements of the jail in their district and reserve that quantity. For orders whether the file may be sent to the E&P.H. dept for issue of orders as suggested above.

The file has been sent to This Department for consideration whether the waste paper in the ARP Offices in the city could be ~~spared for~~ diverted to the Jail department for the paper making industry in the Penitentiary. At present the waste paper in the ARP Offices in the city is utilised ~~for the~~ paper-making industry in the ARP depots. Please see E & P H. Depth. notes at 'A' on p 5 above. The file has been sent to This Depth. for consideration of the question of the diversion of the ~~supply of~~ waste paper collected in the Govt. offices in the ~~Govt.~~ city of Madras and the East Godavari Dt. to the Jail Depth.

Waste paper in East Godavari Dt.

Two Cooperative Societies at Vizianagram and Chicacole have applied for the supply of waste paper in East Godavari Dt. offices at concessional rates. Govt. have decided to supply waste paper only at the usual rates. ~~With a view to encourage such~~

The requirement of waste paper ~~by~~ for the two societies may not be much. ~~For orders whether~~ This dept. may suggest that the requirements of the societies may be ascertained from the R.C.S provided the societies are willing to take at the usual trade rate of Rs 230/- per ton. ~~and~~ ~~The waste paper that may be left over after supplying the societies may be handed over to the jails~~. Waste paper in the Govt. Offices in The City of Madras.

The waste paper in the Govt. offices (except A.R.P. offices) in the City of Madras is now supplied to the three handmade paper units at Bezwada, Gazulapalli X and Bugga. The handmade paper units have not yet started working to their full capacity. Though they are commercial concerns, they are intended to relieve the short supply of paper in the market & are to that extent essential for the civilian needs. All the waste paper collected in Madras may be required for the units. Hence Dept. may be requested to consult the D.I.&C. ~~on the point~~ of the requirements of these units. This dept. will have no objection to diverting the surplus (if any) to Jails. For orders. The file may be returned to E&PH.

This Dept. would suggest that —

① The (probably small) requirements of the Chicacole and Vizianagram Co-op. Socs. be met first if they agree to the ordinary (non-concessional) rates of Rs 230/- a ton. (This point has not yet been decided and is being dealt with in consultation with E&PH in another file.) If they agree the R. of C.S. may be consulted as to their exact requirements and the surplus in East Godavari diverted to gaols.

② The D. of I. & C. may be consulted as according to 'X' above.

Two draft Memoranda, one to the D.C.D. and the other to the R. are submitted for approval. With ref. to 'M' on p. 8 ante, it i submitted that the requirements ~~of~~ of waste paper of each of the paper making Co-operative Societies at Vizianagram and Chicacole were already reported by the R.C.S., as ½ ton per month. It seems therefore sufficient if the Registrar is consulted as to ~~to~~ whether the societies ~~wx~~ are willing to take the wastepaper at the non-concessional rate, Viz. Rs 230/per ton.

2. As regards the diversion to the penitentiary, Madras, of the wastepaper in the Govt. offices (except A.R.P. Offices) in the city of Madras, Dev. has suggested that the D.I.&C. may be consulted about the requirements of the three hand-made paper factories at Bezwada, Gazulapalle and Bugga. They have no objection to diverting the surplus, if any, to the Jail Department. Perusal is solicited in this connection of the letter of the D.I.&C. on page ~~69~~ 71 cf. of G.O. No. 1066 Edn., dated 17-7-44. It is seen that the Director has already reported that the entire quantity of wastepaper from Government Offices in the city should be reserved for the three hand-made paper factories, during the year 1944-45. It does not therefore appear that any quantity of wastepaper from the city offices (excluding A.R.P. Offices) can be diverted to the Penitentiary, Madras. Dev. and Home may see again.

3. D.S. has ordered that the question of diversion to the Jail Dept. of the wastepaper collections from the other districts should be taken up at once. The other districts referred to, are, Coimbatore, Bellary, North Arcot, Salem, Trichinopoly, Madura and East Godavari (areas where railway transport is easily available). In accordance with the instructions

issued

issued in G.O.No. 1066, Edn., dated 17-7-44, the wastepaper from these districts should be sold to the Salvation Army who ~~xxxx~~ will arrange for the sorting and supply of the ~~paper~~ wastepaper to the paper mills (Punalur and Andhra Paper Mills). The agreement to be entered into with the Salvation Army has not yet been approved. In view of the provision made in the agreement (vide para 2 of the G.O. referred to above), the waste-paper from these areas can be withheld from sale to the Salvation Army and diverted to the Jail Department. Attention ~~may be~~ is invited, in this connection, to the instructions issued by the Govt. of India in the matter of disposal of wastepaper on pp. 117-118 c.f. of the G.O. No. 1066, Edn., dated 17-7-44. ② India have suggested that all possible steps may be taken ~~from~~ to conserve and divert to the paper mills all procurable supplies of raw materials. In view, however, of the remarks of the Secretary, Home Department at 'N' on page 4 ante, it is for consideration whether a general order may now issue ~~direct~~ directing that the wastepaper from the Govt. Offices in these districts should be sent to the District Jail concerned, the excess over the requirements of the Jail, if any, being sold to the Salvation Army. (It seems doubtful ~~that~~ whether the paper manufactured in the Jails will be fit for use in Govt. Offices in the initial stages of manufacture). Finance may see before circulation.

I think it will be only proper to put this proposal to the S.A. & find out what they have to state.

The suggestion that the wastepaper collections in Govt offices in the Districts of Coimbatore, Bellary, North Arcot, Salem, Trichinopoly, East Godavari (areas where railway transport is easily available) and Madura may be diverted to the Jails ~~concerned~~ in these Dts for the manufacture of paper was put to the Salvation Army ~~at Main~~ and their remarks on the suggestion are on p 11 cf. It is clear from their letter that if the wastepaper collections in these areas are diverted to the Jail Deptt, there will be a considerable reduction in the production of fresh paper by the Punalur and the Andhra Paper Mills. Perusal is also solicited in this connection, of the remarks of the Authorised Controller, Andhra Paper Mills, Rajahmundry extracted on p 9 cf and the suggestion of the Govt of India referred to in this Dept's note on p 10 ante. In these circumstances, it does not seem desirable to divert the wastepaper collections in the areas in question to the Jail Deptt.

'A' on p 11 ante. The suggestion put to the S.A. on p 6 cf was that the requirements of the Jail Dept may be met before waste-paper from these districts is diverted to the S.A. We cannot say whether the reduction in the supply to the S.A. will be considerable or not, unless we know what the exact requirements of the Jail Dept in each district are. Paper-making in the Jails is still in an experimental stage and we do not know whether the paper produced will be suitable for use. Since the Govt have accepted the scheme in their orders in (K), it will be absurd not to let the Jails have Govt waste-paper for use as raw material and to hand it over to some other body, however much this other body may require it. (Vide Home Secy's note at 'N' on p 4 ante). We may . agree to the proposal. Govt is not the only source from which the SA gets its waste-paper, though it may be one of the few ~~[illegible]~~ which charge a reasonable price for it.

Since the proposal is only to give the Jails their minimum requirements and divert the balance to the S.A., it is necessary, before orders are passed, to find out exactly what their requirements are, so that certain offices in each district may be allotted to the Jail Dept. This is the only convenient method ~~for~~ of

distributing the waste-paper between the Jails & the SA without causing confusion & wastage. Home Dept may perhaps give us this information.

Please see the Secretary's note on pp.4-5 ante and the subsequent notes.

2. This file deals with the proposal of this Dept. that waste paper in the Madras City and in the districts of E. Godavari, Coimbatore, Bellary, N. Arcot, Salem, Trichinopoly and Madura should be sent to the Penitentiary and the jails in those districts where paper manufacture has been introduced. The suggestions made by the E. & P.H. Dept. in consultation with the other departments concerned, viz., Public and Development, are as follows:--

M on p1. ante

(1) Waste paper in A.R.P. offices in the Madras City which is now being utilised for the paper making industry in A.R.P. Depots may be sent to the Penitentiary, Madras after the paper making industry in the A.R.P. ~~Dt.~~ Depots is abolished. (Orders abolishing the industry will be shortly issued in Public).

para 2 of E & P.H note on pp 11-12 ante

Pub (C.D) note on p 13 ante

(2) Waste paper in other offices in the City should be earmarked for the Industries Dept. which carries on paper making industry at certain centres; any surplus after meeting the I. D's requirements being given to the Jail Dept.

para 2, p.9 ante, para p.12 ante and Dev. note on p.13 ante

(3) Waste paper in Govt. offices of the E. Godavari Dt. where transport is not available, should be sent to the Co-op. societies at Chicacole and Vizianagram, if those societies agree to purchase the paper at the rate of Rs.230/- per ton, and

K on p 8 ante and para 1 of E & P.H note on p 9 ante

(4) Waste paper in Govt. offices in other parts of the E. Godavari dt., and in the districts of Coimbatore, Bellary, N. Arcot, Salem, Trichinopoly and Madura may be diverted to the jails in the respective districts upto the minimum requirements of each jail, the balance being sold to the Salvation Army.

E & P.H. Dept. Deputy Secy's note on pp 12-13 ante

E. & P.H. Dept. have suggested that the exact requirements of each jail may be found out so that certain offices in each district may be allotted to the jail dept. as this is the only method of distributing ~~the~~ waste paper between the jails and the Salvation Army without causing confusion and wastage. Please see in this connection this Dept.'s suggestion at K on p.5 ante.

3. The following remarks seem called for on the above suggestions:-

(i) Madras City. As the paper making industry in the Penitentiary has been started only recently, the waste paper required for the industry may not be much. If the waste paper from A.R.P. offices is found to be insufficient, waste paper from Govt. offices of the adjoining district of Chingleput may be diverted to the Penitentiary. There seems to be no objection to agree to proposals (1) and (2) in para.2 above.

M

(ii) E. Godavari, Coimbatore, Bellary, N. Arcot, Salem, Trichinopoly and Madura districts. As regards areas in the E. Godavari districts where there are no transport facilities, no special remarks seem called for pending the receipt of information as to whether the Co-op. Societies at Chicacole and Vizianagram agree to the rate proposed by Govt. If the Co-operative societies do not require them, they will be made available for the paper industry in the Rajahmundry jail. As the areas in question seem to be situated in out of the way localities with no transport facilities, it is doubtful whether the jail will be able to arrange for the transport. If the jail does not want it, it will have to be given to the Salvation Army.

As regards the waste paper in Govt. offices in other parts of the E. Godavari district and in the districts of Coimbatore, Bellary, N. Arcot, Salem, Trichinopoly and Madura, it is for orders whether the I.G. should be asked to find out the exact requirements of each jail as suggested by E. & P.H.

In this connection, it is submitted that with the concurrence of E. & P.H. Dept., this Dept. has recently asked the I.G. to state (with reference to a proposal made by him to get waste paper for the Trichinopoly jail) (1) from what districts waste paper should be sent to the Central Jail, Trichinopoly, and (2) to submit definite proposals as regards the supply of waste paper to the other jails in which paper manufacture has

Orders have already been issued in G.O. 5 Details ~~[illegible]~~ regarding the output of the wastepaper collections in the districts of Coimbatore, Bellary, N. Arcot, Salem, Trichinopoly & Madura have not been furnished by the Salvation Army as required in this Dept's letter on pp 17-18 c.f.

It seems perhaps sufficient if a general order is issued directing that the wastepaper collections in the above districts and the district of Malabar should be sent to the Jails concerned, the excess over the requirements of the jail, if any, being sold to the Salvation Army.

Yes - subject to the remarks below.

The S.A. is unable to give average or approximate figures of receipt from each Govt office in the districts concerned. This information will perhaps be available in each individual office, but it will take some considerable time before it can be gathered. ~~[illegible]~~ The SA states that approx: 4 to 5 tons per month will be received from the larger districts & 2 to 3 tons from the smaller ones. Except the Jails in Madras, Rajahmundry & Coimbatore, all the others will, acc. to the IG's figures at Pcq & 25 c.f., require ~~[illegible]~~ during the whole year, only a month's supply or less. Madras ~~[illegible]~~ ~~[illegible]~~ will require only 1 ton per month, Cbe slightly less & Rajahmundry about ½ ton per month.

p 33 c.f.

48 27

There are a large no. of Govt offices in each district — the present procedure is that each office sends periodically and independently, its waste-paper accumulations to one place viz the sorting-depot maintained by the S.A. & there is no difficulty. ~~When~~ If orders are issued that the Govt offices in each district should send their paper to their respective jails and the surplus to the S.A., there is bound to be difficulty & confusion & probably unnecessary accumulation of paper in the jails or a clamour for paper from the SA & the Mills, unless there is some coordinating authority in each district, which will decide when the offices should stop sending paper to the jails as it will be in excess of requirements.

A practical solution will be to supply the jails only with the waste-paper accumulated in the Govt Offices in selected places, from which transport to the jails will be simple and leave the other Govt offices alone for the present. If experience shows that the jails require more paper or get too much, a few more offices may be added ~~to~~ or taken away from the list. Orders may ∴ issue now that the waste-paper from ~~all~~ the Govt offices in col. 1 of the list below may be sent to the jails in col 2.

Rajahmundry has also been provided for at 'A' and 'B' ante.
The Supdt of the Jail & the Head of the Office should make
then own arrangements for the transport of the papers to
the jails, meeting any expn from contingencies.

The next pt for decision is whether the paper
should be charged for, a credit being given under
'Stationery & Printing' & a debit made against 'Jails'.
This is a matter for Home to decide in consultation
with Finance.

In G.O. 199 Home d 24.1.44 and G.O. 2428
Home d 14.8.44, Sanction has been accorded
to the manufacture of paper in 6 Central
Jails, the Dt Jail, Madura and the Penitentiary
as an experiment for one year. The I.G.
of Prisons has extended the experiment to
the Cannanore Central Jail also. It is stated
that the industry has been started in all

is to supply waste paper from the local

Govt offices to the above jails and
allow only the surplus to the Salvation
Army, who are contractors with the Govt
for collection and removal of waste
papers in Govt offices for 1944-5 - see
G.O. 1066 Com d 17.7.44. The proposal no
doubt runs counter to the Govt of India's
instruction refd at A on p. 119 C.F. in the
G.O. and will also incidentally result
in some loss of revenue to Govt. But
in view of the needs referred to at B
on p. 26 above, ~~and~~ it appears that the
needs of the Jail Dept should have
priority over those of the ~~Salvation Army~~ other paper mills.
Fin. may therefore agree to the proposal

2. With refce to the point at X on
p. 26 above, it is submitted that if the
finished product of paper is to be supplied
to the Stationery Dept on payment, like other
jail-made articles such as furniture etc, it will
be necessary to take the value of the waste
paper into account in order to fix the
selling price of the finished paper - vide
Article 64 of M.A.C. Vol. I. As however, the
jail manufacture of paper has ~~been~~ sanctioned ~~will be~~ only
as an experiment for one year and ~~if it is~~ as the
industry will probably ~~considered that~~ be ~~in~~ in its infancy during
the experimental period, it is presumed

If the experiment is
successful, it
would have been
worthwhile as a
method of

that the required standard of ~~a~~ good paper may not be reached, and if so, no useful purpose will be served by debiting the Jail Deptt with the cost of waste paper supplied to it (during the present experimental period). Yes.

As I see it it is immaterial whether the value of the waste paper is debited or not. The waste paper, the jail labour & the finished product all belong to Government. It makes no difference except to heads of account whether Government charge themselves at one end & reimburse themselves at the other, or not.

Edn. & P.H. (B) Dept.

The file relates to the proposal of the Home Departmen that the waste paper collections in the Govt., offices in the Madras City and in the districts of (1). East Godavari, (2). Coimbatore, (3). Bellary, (4). N. Arcot, (5). Salem, (6). N. Malabar, (7). Trichinopoly and (8). Madura may be supplied to the Penitentiary and Jails in those districts where paper manufacture has been introduced.

2. The Salvation Army who are contractors with Govt., for collection and removal of waste paper in Govt., offices, are not in favour of the proposal. They have stated that they would ~~be~~ put to great difficulty and that their supply to the Punalur Paper Mill Ltd., and the Andhra Paper Mills would be reduced ~~xxxx have to be curtailed~~ resulting in considerable reduction of paper production by those Mills. The Govt., of India ~~had~~ have already pointed out that all procurable supplies of waste paper in Govt., offices should be conserved and diverted to the Paper Mills to minimise the reduction in production; but as the Govt., have sanctioned the manufacture of paper in certain Jails, it is considered that the needs of the Jail Dept., should have priority over those of the paper mills.

3. The requirements of the Jails have been estimated roughly. ~~ascertained and~~ It is considered that it will be sufficient to supply the Jails with the waste paper accumulated in Govt., offices in selected places from which transport to the Jails will be simple. It is proposed to issue orders that waste paper from the Govt. office in col. 1 of the list below may be sent to the Jails in col. 2
