Bombay as the quality is good, price cheap and the cloth is not available in this Province.

3. The Textile Commissioner, Bombay has issued despatch order for 4,000 yards longcloth unbleached 39" x 40" wide and 5,000 yards Mazri cloth 32/33" wide and also called for samples for Tape webbing 3/4" and 1 1/4" wide referred to in this office letter No. Skr/Bdg. dated 16-1-45. The samples for the latter have also been sent for his reference.

4. Under these circumstances, I consider it cheaper to buy from Bombay where a wider selection can be made, price being cheaper in spite of the freight charge and quality better than available in this Province, I request Government to pass early orders in the matter.
