ENCLOSURES _____

Madras Educational Service - Sri P. Bhaktavatsal Patnaik, Lecturer in Mathematics, Ceded Districts College, Anantapur - Leave - Consequential arrangements - Proposal - Submitted.

SPARE COPIES _____

IN his letter dated 29th December 1944, Sri P. Bhaktavatsal Patnaik, Lecturer in Mathematics, Ceded Districts College, Anantapur, has applied for leave for one month from 3rd January 1945 with permission to prefix the Christmas holidays to the leave. His application for leave is being submitted to Government separately through the Accountant-General, Madras, and recommended for sanction.

2. The

2.

2. The post of Lecturer in Mathematics, Ceded Districts College, Anantapur has to be filled. Though the period of leave is only for one month it is highly desirable that no post should be left unfilled especially during this period of intense activity in the College. Moreover, I may submit that the work in the Mathematics Department of the College has already suffered owing to the post having been kept unfilled in the months of August and September 1944 when Sri P. Bhaktavatsal Patnaik was on leave. The University of Madras has also objected to the post being left unfilled. In the present case it is not possible to make a regular appointment since it will involve the transfer of Mr. S.A. Mani, Assistant Professor of Mathematics from the Presidency College, Madras to the Ceded Districts College, Anantapur. However, with regard to the instructions issued in G.O. No. Ms. 2121, Public (Services), dated 11th July 1944, I have the honour to recommend that the Government may be pleased to appoint Sri V. Tiruvenkata Acharya, Assistant Lecturer in Mathematics, Ceded Districts College, Anantapur, temporarily, as Lecturer in Mathematics in the Madras Educational Service in the same College, under Rule 9 (a)(ii) of the General Rules relating to the Madras Provincial and Subordinate Services.

3. If the Government are pleased to accept the above proposal it would be possible for me to promote under emergency power provisions the present Tutor in Mathematics, temporarily, as Assistant Lecturer in Mathematics to enable him to do 14 hours of lecturing work per week as otherwise according to the present University Rules a Tutor is not permitted to do more than two hours of lecturing work per week.

4. I solicit the favour of early orders.

I have the honour to be, Sir,
Your most obedient servant,

K. S. S. S.
