SUBJECT:- WAR - Allowance - Moulvi Syed Abdul Wahab Bukhari Sahib Bahadur, Lecturer in Islamic History and Culture, Government Muhammadan College, Madras - Grant of -

REFERENCE:- G.O.No.638, Finance, dated 27-11-1944.

In para 3 (b) of the G.O. referred to above, Government have ordered that officers who are governed by a written contract entered into for the first time on or after 1st January 1944 will not be eligible for the war allowance sanctioned in the G.O. The Principal, Government Muhammadan College, has submitted to me for consideration the case of Moulvi Syed Abdul Wahab Bukhari Sahib Bahadur, Lecturer in Islamic History and Culture of the College. This officer was appointed to the post with effect from 1-7-44 when the subject was introduced in the College and the appointment has been made on contract for a period of 4 years in the first instance. vide G.O.No. Ms.977, Edn., dated 26-6-1944. Under the G.O. referred to above, the officer is not eligible for the war allowance as the contract was entered into for the first time only in July 1944. The Principal has represented to me that the initial salary of Rs.340/- in the scale of Rs.200 -30/2-260 - 40/2 - 500 fixed by Government for the officer is very low taking into account the high cost of living in the city. The Officer is reported to have drawn a salary of Rs.300/- in his former appointment as Principal, Islamiah College, Vaniyambadi, and his appointment in the College was probably treated by Government merely as a transfer and he was given an initial salary of Rs.340/-. I consider that it is very hard that he should be denied the war allowance especially when the cost of living has of late increased considerably.

2) In view of the circumstances stated above, I request that as a special case, Government may be pleased to sanction to the officer war allowance in accordance with G.O.No.638, Finance, dated 27-11-1944.

Taluk Board should increase its contribution from its general revenues to the Elementary Education Fund by an amount equal to the 100-income foregone.

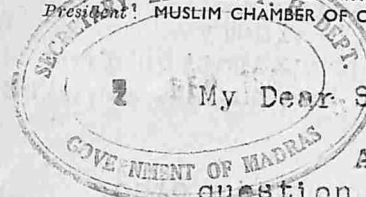

3. The credit taken as Government grant under the proviso to Section 37 of the Madras Elementary Education Act 1920 in the Budget Estimate for 1931-32 will be liable to revision with reference to the subsidy payable towards the maintenance of the manual training class and towards the new schools and additional teachers sanctioned in G.O.No. 1389 Law (Education) dated 19-7-30.

4. Some of the schools for boys are in need of additional teachers and the Board have not moved in the matter in spite of repeated communications from the inspecting officers. The staff in the girls' schools is inadequate because the schools are invariably in charge of a single teacher. Frequent changes of staff mar the efficiency of schools. With a very few exceptions, teachers in girls' schools are trained. Though there are untrained teachers, no provision has been made under 'stipends to teachers'. The scales of salaries are very low. Most of the schools located in Board's own buildings are in need of some repair or other. The accommodation of schools housed in rented buildings is unsuitable and insufficient. Almost all the schools need improvement in equipment and the remarks of the inspecting officers have had no effect on the Board.

My Dear Sir Thomas Austin,

Apropos to my interview with you in regard to the question of war allowance being sanctioned to Moulana Syed Abdul Wahab Saheb Bukhari, M.A., L.T., Lecturer, Islamic History, Government Muhammadan College, I am writing to confirm my personal representation to you. The need for the opening of the Honours course in Islamic History in the Government Muhammadan College was keenly felt for a long time. It was due to the kindness of His Excellency and yourself and your recognition of this long felt want, this course was opened in the college for which the Community is grateful.

The fact is that this course could not have been opened without a suitable person, to be appointed as Lecturer. It is at the request of the Community that Moulana Syed Abdul Wahab Saheb Bukhari resigned his Principalship of the Islamiah College, Vaniyambadi to accept the post of Lecturer, Islamic History. As Principal, he was getting Rs. 300/- in a mofussil town, where living is, comparatively cheap. With due regard to all these considerations the late lamented Director of Public Instruction recommended a salary of Rs. 420/-. Unfortunately the Government reduced it to Rs. 340/-.

If he had continued as Principal of the Islamiah College, Vaniyambadi, he would have received a higher salary in as much as this College is becoming a first Grade College from the next academic year.

He is affected by living conditions in the city as any other officer, drawing a salary which he draws at present. The fact that he has been appointed on a contract basis in the year 1944, does not in the least enable him to escape the vigours of different living conditions in the city.

I feel confident that you will kindly consider his case, as a fit one for exemption from the rule made for servants of the Government appointed on contract basis.

I understand that there are cases in other departments in regard to which exemptions have been given. This information is subject to correction. In any case, I hope you will kindly grant him the War Allowance, treating this as a special case, on account of the circumstances mentioned above.

Thanking you,

Yours sincerely,

of the office notes there was refusal to the "next highest stage".
1st 3rd expression used in J. P.'s while forwarding the post of a
Govt. officer transferred from one post to another carrying
highest responsibilities. But it is not correct to say an
other amount that the can was treated as one of transfer

usual advantage allowed by the rules and ^{that} keeping him out
of war allowance would be an undesirable distinction.
I want D.P.I.'s note on the margin at p. 3 of notes (J)

getting a war allowance and that aspect was not
^{naturally} taken into account in fixing the pay.

Finance (E-II).

Moulvi Syed Abdul Wahab Bukhari Sahib Bahadur was appointed
as Lecturer in Islamic History and Culture in the Govt. Muhammadan
College, Madras on contract on a pay of Rs 340 plus M.H.A. in the
scale of Rs 200-500 with effect from 1-7-1944.

With reference to paragraph 3(b) of G.O. 638 Finance, dated
27-11-1944 the officer is not ordinarily eligible for war allow-
ance since the contract was entered into on 1-7-44, viz. after the
crucial date 1-1-44. The D.P.I. recommends that the officer may
be given the war allowance since the initial pay of Rs 340 fixed
in the G.O. at (J) is very low. E. & P.H. support the proposal.

The post held by Bukhari Sahib is a contract post and is
not included in any cadre or service. At first the scale of pay
was specially fixed at Rs 200-30/2-500 ^{adopting} ~~on the scale of~~ of the scale
of pay of lecturers in the M.E.S. (Women's Branch) as the insti-
tution of Honours Course in Islamic History was introduced only
as an experiment. Later, to make the stages of increment in the
scale of pay sanctioned for the contract post, be on a par with

similar posts in the M.E.S. (Men's Branch), the scale of pay was revised to Rs 200-30/2-260-40/2-500 which is only a truncated scale of the regular M.E.S. scale of Rs 200-700.

As the original scale and the subsequent scale were specifically fixed for the first time after the crucial date 1-1-44 though on a comparison with M.P.S. scales, it would seem ^{in fixing} that the pay of the contract post, the effect of the high cost of living has ^{already} ~~not~~ been taken into account and in this view war allowance would not seem to be admissible with reference to the G.O. at (P). E. & P.H. may however be requested to take orders in circulation including A-1.

Cole 18-205 Bar allowance can be reasonably given only if the scale was devised on the model of the MES scale, without taking into account the high cost of living.

two portions of the M. E. On the other hand, Finnam's objection to the scale suggested
