ENDORSEMENT NO.8636.Wks/44-3 dated 21-2-45. 07745 (2)

P-30-7. Read: From the Commissioner, Palni Municipality, Palni, No.5218.B1.43 dated 24th December 1944.

Works - Repairs to Municipal High School buildings - Execution of Premium tenders - Approval.

The estimate for repairs to the Municipal High School for Rs.1055/- prepared in 1943 was revised now to Rs.1720/- at current schedule of rates and tenders were called for. Only one tender at 45% above estimate rates was received. As seen from the comparative statement of local rates, the premium tender is not in excess of the local rates and hence it may be approved as the cost of materials and labour is increasing day to day and as it is also found difficult to secure men and materials owing to the execution of military works in Palni.

A comparative statement with data for local rates, the estimate for Rs.1720 and the tender are herewith sent for perusal and return. I request you to kindly approve the tender at an early date.
