Submitted.

01792

Revised Estimate for 1944-45:-

Sum of Rs. 478/- is shown under compensation for loss of fee income over surcharge on profession tax. This should be reduced by Rs. 26-5-0 for 1942-43 and Rs. 26-5-0 for 1943-44) Rs. 53-6-0 - vide G.O. No. 1266 L.A., dated 7.6.1944.

Credit has been taken for Rs. 9,524/- and Rs. 1,800/- under "Capital-Contribution from the General account - ordinary" and "Capital-Appropriation from Education ordinary" respectively while no such credit is taken in the sanctioned budget. Reasons for the same are not given.

3. The total expenditure under "Ordinary" has been wrongly struck. The correct total is Rs. 25,082/-.

4. Though the expenditure under 'Ordinary' is within the sanctioned budget expenditure under the heads "Contingencies-other items", prizes and scholarships", and "Repairs to buildings" is in excess of the sanctioned budget. Reasons for the excess are not given. Sanction for re-appropriation of funds should be obtained with reference to the rules published in G.O.No. 139 Education dated 29.1.1942.

5. A sum of Rs. 11,324/- is provided under "Capital" while there is no such provision in the sanctioned budget. Sanction of Government is necessary for the same.

6. Budget Estimate for 1945-46:-

The credit taken for Government grant under Section 37 of the Act is liable to revision with reference to the actual amount of education tax realized at the old rate and adjusted to the fund during 1944-45.

7. The one incomplete school should be developed into a complete school as early as possible.

P.T.O.

8. The accommodation provided for 1 boys' school and 1 girls' school is inadequate. The higher elementary girls' school is in need of additional latrine accommodation. Some other schools are also in need of space for playground and garden. The Council should take necessary steps to rectify these defects and also to acquire the space between the two buildings of the Higher Elementary Girls' School to be used for garden and playground.

9. Two boys' schools are in need of an additional post in each.

10. The Higher Elementary Girls' School is in need of some additional equipment.

11. Time scales of pay are adopted. Leave salary and dearness allowance are paid.

For Director of Public Instruction.

L.A. 16.1.45 The Commr. of the Udumalpet mty. has been informed that he may address the Govt. again in the matter after all the preliminaries in respect of the purchase of the proposed school building are completed. However, while examining the general fund budget of the council for 1945-46, this Dept has provisionally retained the contribution from the general fund to the E.E. Act - capital provided for this purpose in the R.E. for 1944-45. E.P.H. may be informed that the provision may be retained provisionally.

14.2.45 If the Commr. obtains the sanction of the competent authorities for the purchase of the building by 10-3-45, the sum of Rs 9,524/- required for this purpose can be sanctioned from the addl toll compensation in the current year. There is therefore no objection to

the retention of the credit taken
in the R.E. for Rs 9,524 under
Capital as contribution from the
Genl Acct.
