116. No person shall be tried, for any offence against the provisions of this Act, or of any rule, or by-law made under it, unless complaint is made by the police, or the executive authority or the health officer or by a person expressly authorized in this behalf by the local authority or the executive authority or the health officer within three months of the commission of the offence. But nothing herein shall affect the provisions of the Code of Criminal Procedure, 1898, in regard to the power of certain magistrates to take cognizance of offences upon information received or upon their own knowledge or suspicion.

Section 116 empowers the officers to make complaints for offences under this Act.

EDUCATION AND PUBLIC HEALTH DEPARTMENT.

Clause 116 of the Bill corresponds to section 223 of the Madras Local Boards Act and section 347 of the Madras District Municipalities Act with the omission of the proviso to those sections and with the addition of the "health officers" in the list of authorities competent to lodge complaints. It may be accepted. The wording of the corresponding sections 392 and 393 of the Madras City Municipal Act is somewhat different.
