Sir,
Sub: Establishment- Secondary Education- High School Clerk-
excess payment- waiving of recovery- Requested

Ref: Commissioner's Proceedings R.C.No. 530/B/44 dated 23-10-1944.

In the proceedings of the Commissioner referred to above, a sum of Rs. 151-6-0 has been ordered to be recovered from my pay as excess payment consequent of the orders of Government in Memo No. 23024/1A-L.A. dated 11-9-1944. Apart from other aspects of the question, I beg to state that I have already discharged the duties of clerk to the entire satisfaction of my superiors without any audit objection since the date of my appointment from 1-7-1942. I am given only the minimum pay of the clerk viz. Rs. 30/-. After having extracted the work it is not right to recover the amount. Further during these hard days while Government are granting dearness allowance by reason of high prices and the increase in cost of living it will be blow on me to recover the amount. Further in the absence of specific direction in the Government Order to take retrospective effect, the date of the order should be the basis and recovery should follow only from the date of the order.

Under the circumstances quoted above, I beg to request that the recovery may kindly be waived as was done in the case of one Sri. V.S. Kothandaraman Iyer who was asked to do the accountant's duties and the salary paid to him as accountant was waived.

I beg to remain,
Sir,
Your most obedient servant,
2. m. Sundaram

Submitted.

2. The appellant was the attender attached to the Municipal High School Library and when the post of the writer in the High School fell vacant on 1-7-1942 he was appointed to the place. In his proceedings D.Dis.4606/42 dated 16-12-1942 when the Director of Public Instruction fixed the strength of the Municipal High School Karur, the appellant was appointed as clerk of the High School as the clerk's post alone was sanctioned to the High School in the place of the writer's post.

3. The Inspector was addressed to ascertain the propriety of the appointment as the appellant was not qualified to hold the post of the clerk and when the Inspector held in his R.C.3808/44 dated 18-4-1944 that the appellant could not be appointed to the post in the absence of specific permission of Government, Government was addressed. Government in their Memo No.23024-1-A L.A. dated 11-9-44 turned down the proposal to exempt the appellant to hold the post of the clerk.

4. The appellant was immediately reverted as Library Attender. As he is not qualified and as his appointment to the post of clerk from 1-7-1942 to 13-9-44 will be questioned in audit in the absence of specific orders of Government ratifying his appointment at least temporarily for the above period, an order for recovery of the amount paid to him in excess of what he would draw had he continued as attender for the period from 1-7-42 to 13-9-44. Against this was an order issued and the recovery is being effected since 1-11-1944. Against this order, is the present appeal.

5. The appellant actually worked as a clerk from 1-7-42 to 13-9-44 and it is true that he will find it very hard to repay the excess amount paid to him from his present pay of Rs.23/ per mensem. I enclose the office file D.Dis.530/43 giving full particulars of the case, and I request that the Government may be pleased to pass such

6 FEB 1945

Forward herewith the petition dated 9-11-44 of Sri
V.M.Sundaram, attender, Karur Municipality, together with the
investigation No.No.7705/44 B dated 14-1-45, of the Commissioner, Karur,
Municipality.

Sri V.M.Sundaram, permanent attender of the Municipality
was appointed as clerk of the Municipality High School, Karur. The individual was not qualified to hold the post of clerk, and Government
in memo No.23024-1 dated 11-9-44 turned down the request of the
Commissioner to exempt the individual from the qualifications prescribed
for clerk's post. However, the individual served as clerk and was paid
salary from 1-7-42 to 13-9-44. The Commissioner ordered recovery of the
amount paid to him in excess of what he would have drawn, had he
continued as attender for the period from 1-7-42 to 13-9-44. Against
this order of the Commissioner, the individual has preferred a petition.

As the Commissioner has reported that the appellant
actually worked as clerk from 1-7-42 to 13-9-44, I recommend that

The Dispers recommendation at K above may be supported in this Dept. As the ~~add~~ ^{add} ~~excess~~ payment was made from accounts relating to the ind.
