FORT. ST. GEORGE.

Sir,

In my letter, R.O.C.NO. 253-A/41, dated 22nd September 1942, Government were addressed to fix the pay of the clerk, Sri V.M. Rangaswami Ayyangar, at Rs. 50/8/0 in the scale of the post he is holding, viz., Rs. 40-65 with permission to rise to the maximum of the time scale. In G.O.NO.MS. 122, Education and Public Health, dated 27th January 1943, the Government were pleased to state that the question of allowing the clerk to draw pay in the time scale would be considered if and when he passes the Account Test for Subordinate Officers Part I.

Sri V.M. Rangaswami Ayyangar passed the Account Test in June 1943 even in the first attempt within the short notice. The Government were again addressed in my letter, C.NO. 296-A/43, dated 26th August 1943, and orders were passed in G.O.NO.MS. 1490, Education, dated 3rd November 1943, permitting the clerk concerned to draw pay at Rs. 36 in the scale of Rs. 30-3/2-45-2/2-55 plus Presidency Allowance with effect from the date of passing the Account Test.

Sri V.M. Rangaswami Ayyangar was appointed as a clerk in this office on 3rd January 1920 and he was confirmed as Lower Division Clerk on 1st March 1924. He was drawing Rs. 35/- per mensem from 1st February 1922 till June 1943, when his pay was fixed at Rs. 36 with reference to the orders contained in G.O.NO.MS. 1490, Education and Public Health, dated 3rd November 1943, i.e., after a period of 22 years he has got an increment of Re.1/-. According to the scale of pay now allowed to him, he will be drawing Rs. 49/- in the scale of Rs. 30-55, at the time of his retirement in 1954. By the time of his retirement he would have put in about 34 years of service, and it is very hard to make him retire on this small sum of Rs. 49/-; he may not be able even to reach the maximum (Rs. 55) in the scale.

He has been actually doing the work of a lower division clerk during all these years and is very efficient in the discharge of his duties. He is able to understand and apply the rules and regulations and he is doing responsible work connected with the examinations. He has worked in all the sections of this office and on account of his varied experience and proved ability, he is a very useful member on the staff. Having regard to his good work and faithful service for the past several years, it is very hard to fix his pay at Rs. 36 in the scale of Rs. 30-55 and I strongly recommend that the orders already passed may kindly be reconsidered and his pay be fixed now at Rs. 51/- in the scale of Rs. 30-3/2-45-2/2-55. This will also enable him to reach the maximum in the scale before his retirement. His case deserves sympathetic consideration.

I have the honour to be,
Sir,
Your most obedient servant,

rules, by-laws and regulations made under it and section 404 provides for vesting Corporation officers and servants with police powers. Under the Madras District Municipalities Act and the Madras City Municipal Act the Government can empower municipal officers and servants to exercise the powers of a police officer. Under clause 117 of the Public Health Bill any member of the public health staff of a local authority not below the rank of a sanitary inspector may exercise the powers of a police officer for the purposes of the Public Health Act. Under the Bill the sanction of the Government is not required for the exercise of police powers by the public health staff. The powers of police officers have not been specially laid down in the Bill. The following provision corresponding to section 356 of the Madras District Municipalities Act and section 403 of the Madras City Municipal Act may be inserted in the Public Health Bill:—

116-A.—If any police officer sees any person committing any offence against any of the provisions of the Act, or any of the provisions relating to public health in the Madras District Municipalities Act, the Madras City Municipal Act, the Madras Local Boards Act, the Town Sanitation Act, and section 53 or 73 of the Madras City Police Act, 1888, or of any rule, by-law or regulation made under this Act, the Madras District Municipalities Act, the Madras Local Boards Act and the Madras City Municipal Act, he shall, if the name and address of such person are unknown to him and if the said person on demand declines to give his name and address or gives a name and address which such officer has reason to believe to be false, arrest such person.

(2) No person arrested under sub-section (1) shall be detained in custody—
 (a) after his true name and address are ascertained, or
 (b) without the order of a magistrate for any longer time, not exceeding twenty-four hours from the hour of arrest, than is necessary for bringing him before a magistrate.

2. With reference to the request of the Home Department for information as to the reasons for which it is proposed to invest members of the Public Health Establishment with police powers, it is submitted that such powers are apparently considered necessary by the Director of Public Health for enforcing the public health provisions of the Act referred to in paragraph 116-A. Police powers have already been conferred on health officers, etc., in some cases.

Sub: Establishment - Office of the Commissioner
for Govt. Examinations - Sri V.M. Rangaswami
Ayyangar - Fixation of pay.

Sri V.M. Rangaswami Ayyangar, an unpassed clerk in the office of the Commissioner for Govt. Examinations, was permit-

13 of (R) ted in G.O.No.1490 Edn., dated 3-11-1943, to draw pay at Rs. 36/-

in the scale of Rs. $\frac{30-312-45-212-55}{30-55}$ with effect from the date of passing

2. 2 copies of the Account-Test for Subordinate Officers, Part I i.e. June

1943. For the reasons stated in paras 3 and 4 of his letter,

the Commissioner strongly recommends that the pay of the clerk may be fixed at Rs. 51/- in the scale ^{mentioned above} ~~of Rs. 30 3/4 to 45 2/4 to 55~~.

2. The Commr ~~for~~ Government Examinations says that the

Para 3 on pty clerk has drawn a pay of Rs. 35/- from February 1922 to June 1943

that ~~she~~ has actually been doing the duties of a I.D. clerk

Para 4, ^{brief} and that he is very efficient in the discharge of his duties.

In a similar case in the office of the Director of Public

Instruction, the Government accepted the Director's recommen-

dition that the pay of an unpassed clerk in his office might

be increased from Rs. 65/- which he had drawn from the year 1932

to the maximum of the time scale viz., Rs. 80/- - Vide G.O.No.

1581-Edn., d/ 26-10-1944. In this case, the Commissioner for

Govt. Examinations recommends that the pay of the clerk may

be fixed at Rs. 51/- in the scale of Rs. 30-55. Attention is

also invited to A2's minute on p. 6 nf. of G.O.No.1490 Edn..

Public (Ser). dept.

Please see the letter from the Commissioner for Govt. Examinations in the c.f. From February 1922 to June 1943. Sri Rangaswami Ayyangar was drawing pay at Rs. 35/- a month in the scale of Rs. 23-35. In G.O. No. 1490 Education dated 3-11-43, he was permitted to draw pay at Rs. 36/- ^{pm.} in the scale of Rs. 30-55 with effect from the date of his passing the Account Test for Subordinate officers, Part I. This was done after very careful consideration- please see the notes at pages 4-9 n.f. of G.O. No. 122 Edn. dated 27-1-1943 and pp. 3-7 m.f. of G.O. No. 1490 Edn. dated 3-11-1943. The present proposal is to fix his pay at Rs. 51/- in the scale of Rs. 30-55. The E.P.H. dept, ~~request~~ support the proposal citing the case disposed of in G.O. No. 1581 Edn. dated 26-10-1944 as a precedent.

2. It will be seen from the above that the clerk has had two concessions already, viz. (1) eligibility to draw pay in the scale of Rs. 30-55 and (2) increase of ^{have} pay by one rupee with immediate effect. The case referred to at A above was exceptional ~~was~~ and cannot be cited as a precedent for dealing with a case like this- please see Chief Secretary's note at the foot of pag 3 n.f. of G.O. No. 1860 Edn. dated 11-12-1944. That case is also different from the present one in that ~~there~~ ^{there} the clerk concerned ^{There} was stopped at a definite bar in the usual time scale applicable to clerks whereas here the clerk was previously drawing a different and lower scale of pay ^{by G.O. 23-35} 2. In the circumstances it is for consideration whether this department will agree to the case being ^{re-considered} ~~re-considered~~. Th. C

re-opened. This department will agree to the case being re-considered. The Commissioner's present recommendation is only a repetition of the one he made previously (with slight modification) - pl. see portions marked X at p. 2nd of (1) and p. 2 of (2) and p. 7 of (2).

3. Unpassed clerks who are permitted by Heads of Deptts. to rise to the maximum of their time scales with reference to the orders in G.O. No. 2284 Pub (Ser) dated 1-8-1944 are permitted to count service for increment beyond the stage in the time scale of pay at which the bar was imposed from the date of reaching the bar subject to a maximum of one incremental period- please see G.O. No. 3346 Pub (Ser) dated 20-11-1944. ^{Had} Sri Rangaswami Ayyangar ^{been} drawing pay in the scale of Rs. 30-55 even before the issue of G.O. No. 1490 Edn. dated 3-11-1943 and if the pay that he was actually drawing, viz. 35/-, was a stage in this time scale at which the bar was imposed, then he can get an increment of Rs. 3/- with immediate effect if the principle ~~xxxxxx~~ in the orders referred to above is applied to his case. If in view of ~~xxxx~~ the strong recommendation of the Commissioner, it is considered that the clerk should be shown special consideration this department may perhaps suggest that ^{his} ~~pay may be fixed at~~ Rs. 38/- (basic pay Rs. 36 plus personal pay of Rs. 2/- to be absorbed in future increments). For orders.

Following the orders in Lom 3346 Publ (ser)

221/145 CS / 7m

There is no particular reason why the figure R38/- should be chosen. According to the ordinary rule R36/- is the correct stage. The D.P.S. wants a further concession in the form of advance increments & he pitches in the figure R51/- to enable the clerk to reach the maximum of the scale before retirement. If any concession is to be given, it may as well be in the form of an advance increment or advance increments, which will bring the pay to a definite stage on the time scale, without the complications of personal pay, to be absorbed in future increments. So long as we have the rule that pay will depend on educational qualifications, alleged handicaps, & age.

peculiar to one case - and if a special concession is admitted in one case, equitably it should be extended to all cases

Fin. (E.I.)

The facts of the case are set out in Public Dept's note on pp.2-4 above.

Sri Rangaswami Ayyangar, an unpassed clerk in the office of the Commr. for Govt. Examinations was drawing Rs 35 in the scale of Rs 23-35 from February 1922 to June 1943. IN G.O.No. 1490 Edn. dated 3-11-43 he was permitted to draw pay at Rs 36 p.m. in the scale of Rs 30-55 with effect from the date of his passing the Account Test for subordinate officers, Part I. (He passed the Test in June 1943). The Commissioner for Govt. Examinations has now recommended that the clerk's case may be reconsidered in view of his good work and faithful service for the past several years and that his pay may be fixed at Rs 51 in the scale of Rs 30-3/2-45-2/2-55. E&P.H. support the proposal on the analogy of the case disposed of in G.O. No. 1581 Edn., dated 26-10-44. Public Dept. consider that the case referred to at (A) was exceptional and that it cannot be cited as a precedent. The Chief Secy's remarks are on pp.3-4 above. He considers that so long as we have the rule that pay will depend on educational qualifications, alleged hardship is not peculiar to one case and that if a special concession is admitted to one case it should equitably be extended to all cases.

This Dept. may agree with the views of the Chief Secretary on pp.3-4 above.

I do not think there is any justification for giving this clerk an increment of 15 Rs and raising his pay from Rs 36 to 51. If such a concession is to be allowed, this will have to be allowed in the case of a large no. of unpassed clerks. The proposal may be negatived. The previous order may be passed after careful exam. & need not be recorded.

Please see the note of Public and Finance Depts. from page 2. The Chief Secy and Fin. Ds are both agreed that the case deserves no further concession. If this is considered that

may be negated. If ~~Thereto~~ If, however, Govt are inclined to agree to some concession being shown to Sri Rangaswami Ayyangar, this Dept. may suggest that it may be limited to one advance ^{increment} following the orders in G.O.No. 3346 Pub Ser. d/ 20-11-44 and that it may be given from the date of the order to be issued.

The facts of the Case are set out in the Fin Dept's note marked X on page 4 ante. Both the C.S. & the Fin Deputy Secy consider that there is no justification for allowing Sri Rangaswami Ayyangar to draw Rs 51 as recommended by the Commissioner for Govt Examinations

They suggest that if some concession is to be shown to the clerk, it may be limited to one advance increment and that it may be given from the date of the order to be issued. If this concession is given, Sri Rangaswami Ayyangar will be eligible to draw Rs 39 from the date of the order and Rs 42 from June 1945 - when he will draw his next increment in the ordinary course.

Attention is solicited to A2's minute on p 6 of of Go. no 1490 Edu & 3.11.43. The file may be circulated to A2 & A1 for orders.

WSR
23.2.45

For orders whether any concession is to be given to the clerk.

If so, he can be given one advance increment as suggested by Finance. Attention is however also invited to 'M' on p 3 ante from which it appears that the C.S. has no objection to the grant of more than one advance increment in order to bring the pay to a definite stage in the time scale which in this case would be Rs 45/-. If this is done, the clerk will have to be given three advance increments now. This course will enable him to retire on pay of Rs 53/- in 1954.

For orders.
