assistance - application of Ramu Menon

Ramu Menon is studying in the IV year (Hons) class in the Presidency College Madras. He passed out his Intermediate examination from the Christian college Allahabad and joined the Hons class at Madras in 1943-44. His father Dr.N.K.Menon was a private practitioner in Medicine at Penong in Malaya. His monthly average income is reported to have been about Rs.1000/- Till the war broke out, the student was being financed by his father. During 1943-44 he got financial assistance to the extent of Rs.891-7-0 from the Malayan Government Representative at Bangalore. He also got Rs.403-3-0 for his expenses for three months viz from July to 30-9-44 from the same source. Now he has been asked to apply to this Government for the assistance. He requires financial assistance for the remaining period of six months in the year 1944-45 and vacation allowance for three months - April to June 1945. The student's father is held up in Malaya with his other children. The applicant has no source of help. I therefore recommend the grant of financial assistance of Rs.668/- as detailed in the recommendation form.

The application of the student in original and a recommendation form are submitted herewith. The student may also be paid a repayable advance not exceeding the amount recommended in expectation of sanction of Government of India.
