Gout. Press - Sri A. Govindarajulu - Foreman - Alteration
in the date of birth

PIC-7. C.No:401/ From the S. G. P. No:121-SBC. dated 27-1-45.

The S. G. P. request that the date of birth of
Sri A. Govindarajulu, a Foreman in the Gout. Press may be
altered in the Service book from 1-7-1890 to 6-6-1893. The
evidence produced in support of this ^{request} may be examined below.

P2-30.7. 1. A passport dated 3-5-1920 given to Sri A. Govindarajulu
from F. M. S. It is noted that he was only 27 years of age

When the passport was granted to him. (Signature)

P2-30.7. 2. The report of the Health Officer, Corporation of Madras, regarding
verification of birth registers for the years 1890, 1891 and
1892 show that Sri A. Govindarajulu was not born in
any of those years.

P7C-9. 3. An abstract from the birth register maintained by the
Corporation is also produced. According to this the first
male child of Mooneswamy Mudaliar (father of Govindarajulu)

was born on 6-6-1893. It is for order whether, on the strength of this evidence, the date of birth may be altered, as requested.

JP
30/1/45
3/6/45

Items 2 & 3 are no use to him at all -

The birth need not have been registered at all & he may have been born somewhere else.

As regards A, the certificate may relate to his younger brother.

Item 1 may be useful evidence - but has the S.P. satisfied himself that this passport relates to the man? There is a full description in it & S.P. should certify definitely to this fact.

There were a number of other files (guzos etc) which may serve as precedents. put them up
