No petition dated 3rd August 1944, addressed to the President, District Board from Swami A.S. Sahajananda and another, was received in this office. But a petition dated 7-7-1944 from Swami A.S. Sahajananda and Sri Veeramuthu, Harijan members of the District Board, was received on 11-7-1944 requesting to place the matter before the District Board at its meeting to be held on 12-7-1944 regarding the grant of special grant for running a boarding home for scheduled class for 50 pupils reading in High schools in the District Board limits under the supervision of the Secretary of the Nandanar Kalvikashagam, Chidambaram. (copy enclosed).

Sri G. Ratnasabapathi Mudaliar, another member of the District Board, moved a resolution in the District Board meeting dated 12-7-44 for running a hostel for the Harijan pupils at Tirukkoilur for giving midday meal and the District Board sanctioned Rs. 250/- for the year 1944-45 for the purpose.

Sri A.S. Sahajananda and other Harijan members have since proposed a draft resolution (copy enclosed) to be moved at the next meeting of the District Board for running a hostel for Harijan pupils who are studying at Chidambaram. This subject has been marked for the next meeting of the District Board.

Among the educational institutions for Scheduled class pupils, which the Nandanar Kalvi Kazhagam had ^{been} maintained prior to 1939, were three hostels and an orphanage at Chidambaram. Towards the maintenance of the hostel for ^{boys} the Dist. Board, South Arcot, had ~~been~~ ^{was} paying a contribution of about Rs.2,000 from its general funds.

2. From the 1st April 1939 the several institutions run by the Kazhagam, including the hostels, were taken over by Govt. under the control of the Labour Dept. The hostels were reconstituted into two - one for boys and the other for girls. The question whether the Dt. Board might be asked to continue its contribution of Rs.2,000 towards the maintenance of the hostels, even after their transfer to Govt. management, was considered at length, and in G.O.No.1524-Edn., dated 6-7-1939, the Board was asked to show cause why it should not be asked to ~~make a~~ ^{continue the} contribution. The Dt. Board first reluctantly agreed to contribute Rs.500. Later, when it was told that Rs.500 was "very small" and that Government desired that the amount should be raised to Rs.1,000 at least, it came forward with a 'voluntary' contribution of Rs.750. ^{per annum} This offer was accepted in G.O.No.2743-Edn., dated 8-12-1939.

3. The Govt. hostels at Chidambaram have primarily been serving the needs of the scheduled class pupils reading in the elementary schools ^{from 1-4-39.} which are ~~also~~ maintained by the Labour Dept. What the District Board's resolution at p.9 C.F. ~~now~~ asks for is to divert the Rs.750 ^{now} it ^{annually} pays towards the maintenance of the Govt. hostel, ^{for boys} for the purpose of running a separate hostel under the auspices of the Nandanar Kalvi Kazhagam, ~~which will be exclusively~~ intended exclusively for pupils studying in the High schools and the ^{University} College at Chidambaram. ~~Prima facie, this~~

~~request does not seem acceptable.~~ At the time of the transfer of the hostels to the Labour Dept. in 1939, though the Commr. of Labour and the Dev. Dept. suggested that the Dt. Board ^{grant} ~~contribution~~ might be stopped, the Finance Dept. insisted on a decent contribution.

Arcot Dt. Bd in its resolution at p 9 of is that the annual contribution of Rs 750/- now payable by the Board to Govt towards the cost of maintenance of the hostels attached to the Nandanar Kalvi Kazhagam, Chidambaram with reference to G.O. No 2743 Edn of 8.12.39. may be diverted for the purpose of running a hostel for the benefit of the depressed class pupils studying in high schools & colleges at Chidambaram. This ^{proposal involves a} requires revision of the orders in the G.O. referred to above. The file may be sent to the E.D.H. Dept. for necessary action.

4. If the proposal of the District Board is approved, there will, in future, be no contribution from the District Board funds towards the maintenance of the Govt. hostel for boys. P.W.D. and Finance should see for remarks.

Having regard to the previous history

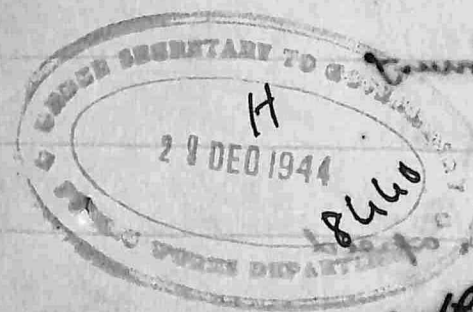

of the matter, the resolution of the Dist. Bd. should, it seems, be resorted to: also former Minister (Mr. Rajagopalachari) called it a 'voluntary' contribution, it is fairly clear that the Govt. thought that the Dist. Bd. should not be relieved of a responsibility which it had undertaken merely because the management of the institution(s) passed from the Karghagam to Govt. - J/2, 21 & D/25. If the Karghagam wants now to provide a hostel for S.C. pupils undergoing higher than elementary, it should not be by diverting the contribution which the Dist. Bd. has all along been paying for a purpose connected with elementary education. If the Dist. Bd. will not see eye to eye with Govt., it will be open to them legally to enforce the continuance of the contribution for the purpose for which it is now given - J/21.

5/12/44 S/P.W. It is not as

if the D.M. is trying to 'save' the amount: it only seems to him that a high hostel for pupils undergoing higher education will be a better purpose. It is the wish of Govt. also to give facilities for higher education to pupils of the District

Support the proposal of the D.M. But it will have to be ascertained whether the Karghagam is a Noble Institution or whether it has sources otherwise, which, with its contribution, will suffice for the running of the hostel. It is also a point to be noted that when the D.M.'s contribution is for a hostel run by Govt. we have legal powers to enforce its payment, but we may not have those powers if the contribution becomes payable to a private Institution; but we need not, I think, anticipate a breach of faith on the part of the D.M. in this respect.

From do. No. D.D. A-6. 167/45 dated 1.2.45

p10 CP
p12 CP

In his letter on page 12 CF the S.G.L. considers that the starting of a separate hostel for the College and High School students is unnecessary for the following reasons:-

(i) The Regulations of the Annamalai University has agreed to admit the college students ^{of the scheduled classes} now staying in the Govt Vandana Hostel into the University Hostel from the next school year

and (ii) The High School students of the scheduled classes may be admitted into the Government Vandana Hostel for boys itself. by increasing the strength of the

boarders from 185 to 200. ^{In the circumstances it does not seem that the proposal of the S.G.L. to start a separate hostel for the scheduled caste students is necessary. The Government has already agreed to increase the strength of the Vandana Hostel to 200. It is not the policy of Govt to open separate hostels for scheduled caste students.}

X Resolved - 1/1/45
p.12 CF

it is submitted that the S.G.L. in his Part II scheme proposals for 1945-46, recommended fifteen additional boarding grants (increase in strength from 185 to 200) to the Government Vandana Hostel for Boys. The Government decided to limit the expenditure on the boarding grants to Rs. 25,000/- in any one year.

Thereupon the S.G.L. applied for five additional boarding grants to the hostel which have since been included in the Part II scheme proposals for 1945-46

As the S.G.L. is not in favour of starting a separate hostel for the College and High School students of the scheduled classes at Chidambaram - see para 1 above.

He requests the Government to sanction 10 additional boarding grants in 1945-46 in order to admit the High School students into the Govt Vandana Hostel for Boys itself. It is now too late to provide funds for this purpose in the B.E. for 1945-46.

The S.G.L. may perhaps be asked to bring forward the proposal as a Part II scheme for 1946-47 or to grant individual boarding grants for 10 students in 1945-46 (Permission has been made in the B.E. for 1945-46 for 100 individual boarding grants).

3 With the above remarks, the file may be returned to E.O.P.D. Dept through the Fin. Dept.

TPK

A above may be approved.

It is not the policy of Govt to open separate hostels for scheduled caste students

in colleges where if they can be admitted into other hostels, this idea is with a view to enable the scheduled caste boys to mix freely with boys of other communities.

As regards High School Students, provision is now made for the admission of five in the boys' hostel. The Comm. of Zalmu can give some more individual boarding grants in discharging its duty.

The South Arcot St. Bd. is now paying an annual contribution of Rs. 750 to the Govt. towards the maintenance of the Govt. hostel for scheduled class boys attached to the higher elementary school at Chidambaram maintained by the Zalmu Deptt. The St. Bd.

proposes to stop the payment of the contribution to Govt. to divert the amount for running a separate hostel under the auspices of the Nandanar Kalvi Kazhagam for the benefit of depressed class students studying in the high schools & the University College at Chidambaram.
