DEVELOPMENT DEPARTMENT

U.O.NOTE No.3396-HI/45-2, dated the 3rd February 1945.

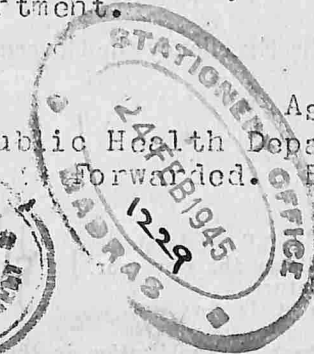

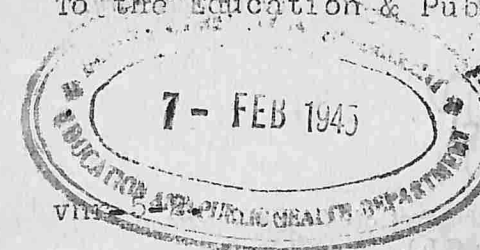

Subject:- Stationery - Ribbons for typewriters - Supply of poor quality ribbons.

The Superintendent, Central Cash Bureau supplied black record ribbons for typewriters along with purple record ribbons. It is experienced that black record ribbons are not evenly inked and they do not give even impressions and also do not last for the maximum period of use prescribed for them. These black record ribbons are of very poor quality. In memorandum No.37935-B/44-1, Education, dated 25-7-1944 it has been ordered that one purple record ribbon may be supplied for each typewriter in the Issue Section of the Development Department. The other typewriters in the Development Department are being supplied with black record ribbons and purple ~~xx~~ ribbons. As the black ribbons do not last for the maximum period of use and as they are of poor quality, the Education & Public Health department may be requested to sanction the supply of only purple ribbon for all the typewriters in the Development Department.

2. In G.O. no 56 Edn of 12.1.40 sanction was accorded for the supply of one ribbon (purple) each month for each typewriter in the C.I.B. of the Chief Secretariat (since abolished) as they preferred purple ribbons to black ribbons. Following this the Supdt of Stationery was asked to arrange for the supply of ribbons (purple colour) for use in the issue section of the Dev Dept in memo no 37935 B/44-1 Dn of 25.7.44 - the supply of black record ribbons & purple ribbons is presumably regulated by the Supdt of Stationery with reference to the stock available in each colour and there is no fixed proportion. The remarks of the Supdt of Stationery
